

expired on March 30, 1997, and his license to practice dentistry in the District of Columbia expired on December 31, 1997. According to the Government neither of these licenses were renewed.

The Deputy Administrator further finds that while there is no documentation in the record to support the Government's assertions, Respondent did not dispute that his licenses to practice dentistry and to handle controlled substances in the District of Columbia both expired without being renewed. Therefore, the Deputy Administrator finds that Respondent is not currently authorized to handle controlled substances in the District of Columbia, where he is registered with DEA.

The DEA does not have the statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without state authority to handle controlled substances in the state in which he conducts his business. See 21 U.S.C. 802(21), 823(f), and 824(a)(3). This prerequisite has been consistently upheld. See *Romeo J. Perez, M.D.*, 62 FR 16,193 (1997); *Demetris A. Green, M.D.*, 61 FR 60,728 (1996); *Dominick A. Ricci, M.D.*, 58 FR 51,104 (1993).

Here it is clear that Respondent is not licensed to handle controlled substances in the District of Columbia. Since Respondent lacks this authority, he is not entitled to a DEA registration there.

In light of the above, Judge Bittner properly granted the Government's Motion for Summary Disposition. The parties did not dispute the fact that Respondent is currently unauthorized to handle controlled substances in the District of Columbia. Therefore, it is well-settled that when no question of material fact is involved, a plenary, adversary administrative proceeding involving evidence and cross-examination of witnesses is not obligatory. See *Philip E. Kirk, M.D.*, 48 FR 32,887 (1983), *aff'd sub nom Kirk v. Mullen*, 749 F.2d 297 (6th Cir. 1984); See also *NLRB v. International Association of Bridge, Structural and Ornamental Ironworkers AFL-CIO*, 549 F.2d 634 (9th Cir. 1977); *United States v. Consolidated Mines & Smelting Co.*, 44 F.2d 432 (9th Cir. 1971).

According to the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificates of Registration BB3603114, previously issued to Mark L. Beck, D.D.S., be, and it hereby is, revoked. The Deputy Administrator further orders that any

pending applications for renewal of such registration be, and they hereby are, denied. This order is effective August 27, 1999.

Dated: June 23, 1999.

Donnie R. Marshall,

Deputy Administrator.
