

Preliminary Results of Review

We preliminarily determine that a margin of 0.00 percent exists for Hyosung for the period July 1, 1998 through December 31, 1998. We will disclose calculations performed in connection with these preliminary results of review within 10 days after the date of any public announcement, or, if there is no public announcement, within 5 days of publication of this notice. Interested parties may submit case briefs and/or written comments no later than 30 days after the date of publication. Rebuttal briefs and rebuttals to written comments, limited to issues raised in such briefs or comments, may be filed no later than 5 days after the deadline for filing case briefs. Any interested party may request a hearing within 30 days of publication. Any hearing, if requested, will be held 2 days after the deadline for filing rebuttal briefs unless the Secretary alters the date. The Department will issue the final results of this new shipper review, which will include the results of its analysis of issues raised in any such written comments, within 90 days after the date of these preliminary results.

Upon completion of this new shipper review, the Department shall determine, and Customs shall assess, antidumping duties on all appropriate entries. We have calculated importer-specific *ad valorem* duty assessment rates based on the total amount of antidumping duties calculated for the examined sales as a percentage of the total value of those sales. These rates will be assessed uniformly on all entries made during the POR. The Department will issue appraisal instructions directly to Customs. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the determination and for future deposits of estimated duties.

Upon completion of this review, the posting of a bond, or security in lieu of cash deposit, pursuant to section 751(a)(2)(B)(iii) of the Act and § 351.214(e) of the Department's regulations, will no longer be permitted and, should the final results yield a margin of dumping, a cash deposit will be required for each entry of the merchandise.

Furthermore, the following deposit requirements will be effective upon completion of the final results of this new shipper review for all shipments of PET film from the Republic of Korea entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this new shipper review, as provided by

section 751(a)(1) of the Act: (1) The cash deposit rate for Hyosung will be the rate established in the final results of this new shipper review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in the less-than-fair-value (LTFV) investigation or a previous review, the cash deposit will continue to be the most recent rate published in the final determination or final results for which the manufacturer or exporter received a company-specific rate; (3) if the exporter is not a firm covered in this review or the original investigation, but the manufacturer is, the cash deposit rate will be that established for the manufacturer of the merchandise in the final results of this review or the LTFV investigation; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous reviews, the cash deposit rate will be 21.5%, the "all others" rate established in the LTFV investigation.

This notice also services as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d).

Dated: July 23, 1999.

Bernard T. Carreau,

Acting Assistant Secretary for Import Administration.
