The Exchange does not believe that the proposed rule change, as amended, will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange has neither solicited nor received written comments on the proposed rule change, as amended.

### **III. Date of Effectiveness of the Proposed rule Change and Timing for Commission Action**

The foregoing rule change has become effective upon filing pursuant to section 19(b)(3)(A)(iii) of the Act<sup>10</sup> and Rule 19b-4(f)(6)<sup>11</sup> thereunder because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which the proposed rule change was filed, or such shorter time as the Commission may designate. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

The Commission finds that it is appropriate to accelerate the effective date of the proposed rule change and to permit the proposed rule change to become immediately effective because the proposal simply extends a previously approved pilot program. By extending the pilot program, the Commission will enable the Exchange to continue to offer the System without interruption, and will allow the Exchange to collect and analyze the information necessary to produce the report requested by the Commission. In

addition, the Commission finds that the Exchange provided the required pre-filing written notice of its intent to file this proposed rule change when it filed the original proposed rule change.<sup>12</sup>
