**Drug Enforcement Administration**

**Ace Wholesale & Trading Co.;  
Revocation of Registration**

On March 16, 2001, the Administrator of the Drug Enforcement Administration (DEA), issued an Order to Show Cause (OTSC) to Ace Wholesale & Trading Company (Ace), located in Lakewood, Washington, notifying it of a preliminary finding that, pursuant to evidence set forth therein, it was responsible for *inter alia* the diversion of large quantities of List I chemicals into other than legitimate channels. Based on these preliminary findings, and pursuant to 21 U.S.C. 824(d) and 28 CFR 0.100 and 0.104, the OTSC suspended Ace's DEA Certificate of Registration, effective immediately, with such suspension to remain in effect until a final determination is reached in these proceedings. The OTSC informed Ace and is owner, Sung Won Hwang (Hwang) of an opportunity to request a hearing to show cause as to why the DEA should not revoke its DEA Certificate of Registration, 004652ALY, and deny any pending applications for renewal or modification of such registration, for reason that such registration is inconsistent with the public interest, as determined by 21 U.S.C. 823(h). The OTSC also notified Ace that, should no request for hearing

be filed within 30 days, its right to a hearing would be considered waived.

On March 23, 2001, a copy of the OTSC was served upon Hwang as he was being processed for arrest for Federal offenses relating to the unlawful distribution of pseudoephedrine and conspiracy to manufacture methamphetamine. Since that time, no request for a hearing or any other response was received by DEA from Ace or Hwang nor anyone purporting to represent the registrant in this matter. Therefore, the Administrator of the DEA, finding that (1) thirty days have passed since receipt of the Order to Show Cause, and (2) no request for a hearing having been received, concludes Ace is deemed to have waived its right to a hearing. After considering relevant material from the investigative file in this matter, the Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.43 (d) and (e) and 1301.46.

The Administrator finds as follows: List I chemicals are chemicals that may be used in the manufacture of a controlled substance in violation of the Controlled Substances Act. 21 U.S.C. 802(34); 21 CFR 1310.02(a). Pseudoephedrine and ephedrine are List I chemicals that are commonly used to illegally manufacture methamphetamine, a Schedule II controlled substance.

Methamphetamine is an extremely potent central nervous system stimulant, and its abuse is a growing problem in the United States.

A "regulated person" is a person who manufactures, distributes, imports, or exports *inter alia* a listed chemical. 21 U.S.C. 802(38). A "regulated transaction" is *inter alia* a distribution, receipt, sale, importation, or exportation of a threshold amount of a listed chemical. 21 U.S.C. 802(39). The Administrator finds all parties mentioned herein to be regulated persons, and all transactions mentioned herein to be regulated transactions, unless otherwise noted.

The DEA investigation shows that at the time ACE became registered with the DEA on December 20, 1999, as a distributor of the List I chemicals pseudoephedrine and phenylpropanolamine, Hwang was personally served with the DEA notices informing him that pseudoephedrine and other List I chemicals are diverted for use in clandestine methamphetamine laboratories, and served as well with the notice informing him that possession or distribution of a listed chemical knowing or having reasonable cause to believe that the listed chemical will be used to
