DEPARTMENT OF JUSTICE

[AAG/A Order No. 283-2002]

Privacy Act of 1974; System of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), notice is given that the Office of Justice Programs (OJP), Department of Justice proposes to establish a new system of records for maintaining general information on individuals who are killed or injured in acts of international terrorism. The system of records is entitled "Victims of International Terrorism Compensation and Assistance Program (OJP-014)." The primary purpose for establishing the system of records is to provide compensation and assistance to victims of international terrorism and to enable the Department to track other forms of information and assistance provided to international terrorism victims by the Office for

Victims of Crime (OVC). OVC is directed to pay compensation to international terrorism victims by provisions contained in the Victims of Trafficking and Violence Protection Act of 2000 (Pub. L. 106-386, Div C, § 2003(c)(1), 114 Stat. 1464,1544), which amended the Victims of Crime Act ("VOCA") (42 U.S.C. 10601 *et seq.*). The term "victim" means "a person who— (i) suffered direct physical or emotional injury or death as a result of international terrorism occurring on or about December 21, 1988 with respect to which an investigation or prosecution was ongoing after April 24, 1996; and (ii) as of the date on which the international terrorism occurred, was a national of the United States or an officer or employee of the United States government." [42 U.S.C. 10603c(3)(A) (i) and (ii)].

The Department proposes to establish the system to reflect the broad scope of compensation and assistance provided to victims of terrorism, including but not limited to assistance with emergency travel, shipment of victim remains and belongings, medical expenses, mental health counseling, travel for criminal justice proceedings, and notification of important case events and available resources.

Title 5 U.S.C. 552a(e) (4) and (11) provide that the public be given 30 days in which to comment on any proposed routine uses of information collected and maintained in the system of records. Any comments may be submitted in writing to Mary Cahill, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 by October 4, 2002.

As required by 5 U.S.C. 552a(r) and Office of Management and Budget implementing regulations, the Department of Justice has provided a report on the establishment of this system of records to the Office of Management and Budget and the Congress.
