

Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial and direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions

Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that Order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We have considered the environmental impact of this rule and concluded that, under figure 2–1, paragraphs (34)(h) and (35)(a) of Commandant Instruction M16475.1D, this rule is categorically excluded from further environmental documentation. Special local regulations issued in conjunction with a regatta or marine parade permit are specifically excluded from further analysis and documentation under those sections. A “Categorical Exclusion Determination” is available in the docket where indicated under ADDRESSES.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233; 49 CFR 1.46.

2. From 9:45 a.m. to 1:15 p.m. on September 22, 2002, add temporary section, § 100.35–T05–064 to read as follows:

§ 100.35–T05–064 James River, Jamestown to Scotland, Virginia

(a) **Definitions.** (1) *Coast Guard Patrol Commander* means a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Group Hampton Roads.

(2) *Official Patrol* means any vessel assigned or approved by Commander, Coast Guard Group Hampton Roads with a commissioned, warrant, or petty officer of the Coast Guard on board and displaying a Coast Guard ensign.

(b) *Regulated area.* Includes all waters of the James River enclosed by a line

drawn southerly from a point on the shoreline at latitude 37°12'33" N, longitude 076°46'52" W, thence to latitude 37°10'58" N, longitude 076°47'06" W, thence easterly along the shoreline to latitude 37°10'35" N, longitude 076°46'42" W, thence northerly to latitude 37°12'22" N, longitude 076°46'27" W, thence returning westerly along the shoreline to latitude 37°12'33" N, longitude 076°46'52" W. All coordinates reference Datum NAD 1983.

(c) *Special local regulations.* (1) Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

(2) The operator of any vessel in the regulated area shall:

(i) Stop the vessel immediately when directed to do so by any official patrol, including any commissioned, warrant, or petty officer on board a vessel displaying a Coast Guard ensign.

(ii) Proceed as directed by any official patrol, including any commissioned, warrant, or petty officer on board a vessel displaying a Coast Guard ensign.

(d) *Enforcement period.* This section will be enforced from 9:45 a.m. to 1:15 p.m. on September 22, 2002.

Dated: August 21, 2002.

James D. Hull,

Vice Admiral, U.S. Coast Guard, Commander, Fifth Coast Guard District.

BILLING CODE 4910–15–P

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 165

[COTP San Juan 02–101]

RIN 2115-AA97

Security Zone; St. Croix, United States Virgin Islands

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule; request for comments.

SUMMARY: The Coast Guard is establishing a temporary security zone in the vicinity of the HOVENSA refinery facility on St. Croix, U.S. Virgin Islands. This security zone extends 3 miles seaward from the HOVENSA facility waterfront area along the south coast of the island of St. Croix, U.S. Virgin Islands. All vessels making scheduled arrivals to the HOVENSA facility and those desiring to pass expeditiously through this zone while transiting to another destination may do so without

permission. All other vessels must receive permission from the U.S. Coast Guard Captain of the Port San Juan prior to entering this temporary security zone. This security zone is needed for national security reasons to protect the public and the port of HOVENSA from potential subversive acts.

DATES: This regulation is effective at 6 p.m. on August 30, 2002 until 11:59 p.m. on December 15, 2002. Comments and related material must reach the Coast Guard on or before November 12, 2002.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of [COTP San Juan 02-101] and are available for inspection or copying at Marine Safety Office San Juan, RODVAL Bldg, San Martin St. #90 Ste 400, Guaynabo, PR 00968, between 7 a.m. and 3:30 p.m. Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LCDR Michael Roldan, Marine Safety Office San Juan, Puerto Rico at (787) 706-2440.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a NPRM. Publishing a NPRM and delaying the rule's effective date would be contrary to the public interest since immediate action is needed to protect the public, ports and waterways of the United States. The Coast Guard will issue a broadcast notice to mariners to advise mariners of the restriction.

For the same reasons, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

A similar regulation was established on December 19, 2001 and published in the **Federal Register** (67 FR 2332, Jan. 17, 2002). However, this regulation expired on June 15, 2002. The Captain of the Port San Juan has determined that the need to continue to have this regulation in place exists. The Coast Guard intends to publish a notice of proposed rulemaking to propose making this temporary rule a final rule.

Request for Comments

Although the Coast Guard has good cause to implement this regulation without a notice of proposed rulemaking, we want to afford the public the opportunity to participate in

this rulemaking by submitting comments and related material regarding the size and boundaries of these security zones in order to minimize unnecessary burdens. If you do so, please include your name and address, identify the docket number for this rulemaking [COTP San Juan 02-101] indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this temporary final rule in view of them.

Background and Purpose

Based on the September 11, 2001, terrorist attacks on the World Trade Center buildings in New York and the Pentagon in Arlington, Virginia, there is an increased risk that subversive activity could be launched by vessels or persons in close proximity to the HOVENSA refinery on St. Croix, USVI against tank vessels and the waterfront facility. Given the highly volatile nature of the substances stored at the HOVENSA facility, this security zone is necessary to decrease the risk that subversive activity could be launched against the HOVENSA facility. The Captain of the Port San Juan is reducing this risk by prohibiting all vessels without a scheduled arrival from coming within 3 miles of the Hovensa facility unless specifically permitted by the Captain of the Port San Juan. The Captain of the Port San Juan can be reached on VHF Marine Band Radio, Channel 16 (156.8 MHz) or by calling (787) 289-2040, 24 hours a day, seven days a week. The HOVENSA Facility Port Captain can be reached on VHF Marine Band Radio channel 11 (156.6 MHz) or by calling (340) 692-3488, 24 hours a day, seven days a week. The temporary security zone around the HOVENSA facility is outlined by the following coordinates: 64°45'09" West, 17°41'32" North, 64°43'36" West, 17°38'30" North, 64°43'36" West, 17°38'30" North and 64°43'06" West, 17°38'42" North.

Regulatory Evaluation

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that

Order. The Office of Management and Budget has not reviewed it under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979) because this zone covers an area that is not typically used by commercial vessel traffic, including fishermen, and vessels may be allowed to enter the zone on a case by case basis with the permission of the Captain of the Port San Juan or the HOVENSA Port Captain.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), the Coast Guard considered whether this rule would have a significant economic effect upon a substantial number of small entities. "Small entities" include small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

This rule may affect the following entities, some of which may be small entities: owners of small charter fishing or diving operations that operate near the HOVENSA facility. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities because this zone covers an area that is not typically used by commercial fishermen and vessels may be allowed to enter the zone on a case by case basis with the permission of the Captain of the Port San Juan or the HOVENSA Port Captain.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we offer to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking process. If the rule will affect your small business, organization, or government jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** for assistance in understanding this rule.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501–3520).

Federalism

A rule has implication for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Although this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Environmental

The Coast Guard has considered the environmental impact of this rule and concluded that under figure 2–1, paragraph 34(g), of Commandant Instruction M14475.1D that this rule is categorically excluded from further environmental documentation. A “Categorical Exclusion Determination” is available in the docket for inspection or copying where indicated under ADDRESSES.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to

health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationships between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or use. We have determined that it is not a “significant energy action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reports and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165, as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; 49 CFR 1.46.

2. A new temporary section 165.T07–101 is added to read as follows:

§ 165.T07–101 Security Zone; HOVENSA Refinery, St. Croix, U.S. Virgin Islands.

(a) **Regulated area.** All waters 3 miles seaward of the HOVENSA facility waterfront outlined by the following coordinates: 64°45'09" West, 17°41'32" North, 64°43'36" West, 17°38'30" North, 64°43'36" West, 17°38'30" North and 64°43'06" West, 17°38'42" North.

(b) **Regulations.** In accordance with the general regulations in § 165.33 of this part, with the exception of vessels with scheduled arrivals or those desiring to expeditiously pass through the security zone while transiting to

another destination, no vessel may enter the regulated area unless specifically authorized by the Captain of the Port San Juan or a Coast Guard commissioned, warrant, or petty officer designated by him. The Captain of the Port will notify the public of any changes in the status of this zone by Marine Safety Radio Broadcast on VHF Marine Band Radio, Channel 16 (156.8 MHz).

(c) **Effective dates.** This section is effective from 6 p.m. on August 30, 2002 until 11:59 p.m. on December 15, 2002.

Dated: August 29, 2002.

D.A. Greene,

*Lieutenant Commander, U.S. Coast Guard,
Acting Captain of the Port.*

[CA 0264–0365; FRL–7266–2]

Revisions to the California State Implementation Plan, South Coast Air Quality Management District

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: EPA is finalizing approval of a revision to the South Coast Air Quality Management District (SCAQMD) portion of the California State Implementation Plan (SIP). This action was proposed in the **Federal Register** on June 5, 2002 and concerns the federal recognition of variances from certain rule requirements. Under authority of the Clean Air Act as amended in 1990 (CAA or the Act), this action will approve SCAQMD Rule 518.2.

EFFECTIVE DATE: This rule is effective on October 15, 2002.

ADDRESSES: You can inspect copies of the administrative record for this action at EPA's Region IX office during normal business hours. You can inspect copies of the submitted SIP revisions at the following locations:

Environmental Protection Agency,
Region IX, 75 Hawthorne Street, San Francisco, CA 94105–3901.

Environmental Protection Agency, Air Docket (6102), Ariel Rios Building, 1200 Pennsylvania Avenue, NW., Washington DC 20460.

California Air Resources Board,
Stationary Source Division, Rule Evaluation Section, 1001 "I" Street, Sacramento, CA 95814.
