Technical Corrections to the Export Administration Regulations and to the Defense Priorities and Allocations System (DPAS) Regulation

AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Final rule; technical corrections.

SUMMARY: The Bureau of Industry and Security (BIS) is amending the Export Administration Regulations (EAR), in Subchapter C, to remove an outdated reference to another agency's schedule that is no longer used by that other agency; to remove an outdated reference to another department's regulations and replace it with the department name and regulatory reference that is currently in use; to correct two references in the EAR that inadvertently directed the public to the wrong sections of the EAR for further information; and to correct contact information listed in the EAR for one (1) telephone number; one (1) fax number; one (1) e-mail address; and two (2) addresses to this rule adds an e-mail address, fax number, and address to clarify for the public where *de minimis* reports should be sent, when required by the EAR.

BIS is also correcting a typographical error in a final rule published in the **Federal Register** on July 13, 2006 (71 FR 39526) that made administrative and technical corrections to the Defense Priorities and Allocations System (DPAS) Regulation (15 CFR part 700).

DATES: *Effective Date:* This rule is effective: January 29, 2007.

ADDRESSES: Although this is a final rule, comments are welcome and should be sent to publiccomments@bis.doc.gov, fax (202) 482-3355, or to Regulatory Policy Division, Bureau of Industry and Security, Room H2705, U.S. Department of Commerce, Washington, DC 20230. Please refer to regulatory identification number (RIN) 0694-AD88 in all comments, and in the subject line of email comments. Comments on the collection of information should be sent to David Rostker, Office of Management and Budget (OMB), by e-mail to David_Rostker@omb.eop.gov, or by fax to (202) 395-7285.

FOR FURTHER INFORMATION CONTACT: For Export Administration Regulation

related questions contact Timothy Mooney, Office of Exporter Services, Bureau of Industry and Security, Telephone: (202) 482-2440. For Defense Priorities and Allocations System (DPAS) Regulation related questions contact Liam McMenemy, Office of Strategic Industries and Economic Security, Bureau of Industry and Security, U.S. Department of Commerce, Telephone: (202) 482-2233.

SUPPLEMENTARY INFORMATION: This rule makes the following technical corrections to the Export Administration Regulations (EAR):

In § 734.2 (Important EAR terms and principles), this rule removes an outdated reference to schedule "E" issued by the Bureau of Census in paragraph (b)(8), because schedule "E" has not existed since 1989. Schedule "C" remains in existence and will continue to be listed in paragraph (b)(8) to provide a reference for the public for the Classification of Country and Territory Designations for U.S. Export Statistics, issued by the Bureau of the Census.

In Supplement No. 2 to Part 734 (Calculation of Values for *De minimis* Rules), this rule revises paragraph (b)(5) and adds new paragraphs (b)(5)(i), (b)(5)(ii) and (b)(5)(iii) to add an e-mail address, fax number, and address, respectively, to clarify for the public where *de minimis* reports should be sent when required by the EAR and the methods of delivery available.

In § 740.12 (Gift Parcels and Humanitarian Donations (GFT)), this rule corrects an outdated EAR reference in the "note to paragraph (a)", that directed the public to § 748.9(e) of the EAR for licensing of multiple gift parcels. The correct EAR reference, which this rule adds to the note to paragraph (a), is § 748.8(d). To further assist the public, this rule also adds to the note to paragraph (a) a reference, to Supplement No. 2 to Part 748 paragraph (d), for additional information regarding gift parcels.

In § 740.14 (Baggage (BAG)), this rule removes an outdated reference in paragraph (e)(2) to the "Department of Treasury Regulations (27 CFR 178.115(d))," because these regulations were renumbered from Part 178 to Part 478 when the law enforcement functions of Alcohol, Tobacco and Firearms (ATF) under the Department of the Treasury were transferred to the Department of Justice, effective January 24, 2003. To conform with these changes, this rule removes the reference to "the Department of Treasury's Regulations (27 CFR 178.115(d))", and adds the updated reference to

“Department of Justice Regulations (27 CFR 478.115(d))”.

In § 748.2 (Obtaining Forms; Mailing Addresses), this rule corrects the contact information listed, in the unassigned paragraph of paragraph (a), for the Bureau of Industry and Security in San Jose, California. The updated contact information for this office is “Bureau of Industry and Security, U.S. Department of Commerce, 96 North 3rd Street, Suite 250, San Jose, CA 95112 ; Tel: (408) 291-4212; Fax: (408) 291-4320”. To conform with this change made in § 748.2(a), this rule also corrects § 730.8 (How to proceed and where to get help), in paragraph (c), by correcting that same reference to the Bureau of Industry and Security in San Jose, California. Also in § 748.2, this rule corrects the zip code listed for the Bureau of Industry and Security in the second sentence of paragraph (c) by removing the zip code “20044” and adding the correct zip code “20230”.

In § 758.5 (Conformity of Documents and Unloading of Items), this rule corrects the e-mail address listed in paragraph (e)(2)(ii) for the Regulatory Policy Division. The correct e-mail address, which this rule adds to that paragraph, is “*rp2@bis.doc.gov*”.

In § 762.6 (Period of Retention), this rule corrects an outdated EAR reference in paragraph (b) that, prior to publication of this rule, had directed the public to § 765.5(c)(4)(ii) for records pertaining to voluntary disclosures. The correct EAR reference, which this rule adds to that sentence, is § 764.5(c)(4)(ii).

This rule also makes the following correction to the Defense Priorities and Allocations System (DPAS) Regulation:

In Schedule I to Part 700—Approved Programs and Delegate Agencies, there is a typographical error in the form of the word “and” in the N5 Approved Program description. This rule corrects the N5 Approved Program description to read “Domestic counter-terrorism, including law enforcement.”

Although the Export Administration Act expired on August 20, 2001, the President, through Executive Order 13222 of August 17, 2001, 3 CFR, 2001 Comp., p. 783 (2002), as extended by the Notice of August 3, 2006, (71 FR 44551 (August 7, 2006)), has continued the Export Administration Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. 1701-1706 (2000)) (IEEPA).

Rulemaking Requirements

This final rule has been determined to be not significant for purposes of E.O. 12866.

2. Notwithstanding any other provision of law, no person is required

to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information, subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid Office of Management and Budget Control Number. This rule contains a collection of information subject to the Paperwork Reduction Act of 1980 (44 U.S.C. 3501 *et seq.*). This collection has been approved by the Office of Management and Budget under control number 0694-0088, “Multi-Purpose Application,” which carries a burden hour estimate of 58 minutes for a manual or electronic submission. Send comments regarding these burden estimates or any other aspect of these collections of information, including suggestions for reducing the burden, to David Rostker, OMB Desk Officer, by e-mail at *david_rostker@omb.eop.gov* or by fax to (202) 395-7285; and to the Regulatory Policy Division, Bureau of Industry and Security, Department of Commerce, P.O. Box 273, Washington, DC 20044.

3. This rule does not contain policies with Federalism implications as that term is defined under E.O. 13132.

4. The Department finds that there is good cause under 5 U.S.C. 553 (b)(B) to waive the provisions of the Administrative Procedure Act requiring prior notice and the opportunity for public comment because it is unnecessary. The revisions made by this rule are administrative in nature and do not affect the rights and obligations of the public. Because these revisions are not substantive changes to the EAR and to the DPAS, it is unnecessary to provide notice and opportunity for public comment. In addition, the 30-day delay in effectiveness required by U.S.C. 553(d) is not applicable because this rule is not a substantive rule. No other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this rule.

Because notice of proposed rulemaking and opportunity for public comment are not required to be given for this rule under the Administrative Procedure Act or by any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are not applicable. Therefore, this regulation is issued in final form. Although there is no formal comment period, public comments on this regulation are welcome on a continuing basis. Comments should be submitted to Timothy Mooney, Office of Exporter Services, Bureau of Industry and Security, Department of Commerce, P.O. Box 273, Washington, DC 20044.

BILLING CODE 3510-33-P

LEGAL SERVICES CORPORATION

45 CFR Part 1621

Client Grievance Procedures

AGENCY: Legal Services Corporation.

ACTION: Final rule.

SUMMARY: This final rule amends the Legal Services Corporation's regulation on client grievance procedures. These changes are intended to improve the utility of the regulation for grantees and their clients and applicants for service in the current operating environment. In particular, the changes clarify what procedures are available to clients and applicants, emphasize the importance of

the grievance procedure for clients and applicants and add clarity and flexibility in the application of the requirements for hotline and other programs serving large and widely dispersed geographic areas.

DATES: This final rule becomes effective on February 28, 2007.

FOR FURTHER INFORMATION CONTACT:

Mattie Cohan, Senior Assistant General Counsel, Office of Legal Affairs, Legal Services Corporation, 3333 K Street, NW., Washington DC 20007; 202-295-1624 (ph); 202-337-6519 (fax); *mcohan@lsc.gov.*

SUPPLEMENTARY INFORMATION:

Background

The Legal Services Corporation's (LSC) regulation on client grievance procedures, 45 CFR Part 1621, adopted in 1977 and not amended since that time, requires that LSC grant recipients establish grievance procedures pursuant to which clients and applicants for service can pursue complaints with recipients related to the denial of legal assistance or dissatisfaction with the legal assistance provided. The regulation is intended to help "insure that legal services programs are accountable to those whom they are expected to serve." 42 FR 37551 (July 22, 1977).

As noted above, Part 1621 has not been amended since its original adoption nearly 30 years ago. A Notice of Proposed Rulemaking (NPRM) was published in 1994 which would have instituted some more specific requirements for the grievance process and clarified the situations in which access to the grievance process is appropriate. However, due to significant legislative activity in 1995 and 1996, no final action was ever taken on the 1994 NPRM and the original regulation has remained in effect.

As part of a staff effort in 2001 and 2002 to conduct a general review of LSC's regulations, the Regulations Review Task Force found that a number of the issues identified in the 1994 NPRM remained extant. The Task Force recommended in its Final Report (January 2002) that Part 1621 be considered a higher priority item for rulemaking. Representatives of the grantee community agreed at that time that rulemaking to revise and update Part 1621 was appropriate. The Board of Directors accepted the report and placed Part 1621 on its priority rulemaking list. No action was taken on this item prior to the appointment of the current Board of Directors.

After the appointment of the current Board of Directors, LSC Management

recommended to the Board that a rulemaking to consider revision of Part 1621 was still appropriate. The Board of Directors agreed and on October 29, 2005, the Board of Directors directed that LSC initiate a rulemaking to consider revisions to LSC's regulation on client grievance procedures, 45 CFR Part 1621. The Board further directed that LSC convene a Rulemaking Workshop and report back to the Operations & Regulations Committee prior to the development of any Notice of Proposed Rulemaking (NPRM). LSC convened a Rulemaking Workshop on January 18, 2006, and provided a report to the Committee at its meeting on January 27, 2006. As a result of that Workshop and report, the Board directed that LSC convene a second Rulemaking Workshop and report back to the Operations & Regulations Committee prior to the development of any NPRM. LSC convened a second Rulemaking Workshop on March 23, 2006 and provided a report to the Committee at its meeting on April 28, 2006. As a result of the second Workshop and report, the Board directed that a Draft NPRM be prepared. The Committee considered the Draft NPRM at its meeting of July 28, 2006 and the Board approved this NPRM for publication and comment at its meeting of July 29, 2006. LSC published the NPRM on August 21, 2006 (71 FR 48501). LSC received five timely comments on the NPRM.

A draft final rule was prepared by Management for presentation to the Committee at its October 27, 2006, meeting. Prior to that meeting, however, LSC received a request from the National Legal Aid and Defender Association (NLADA) that LSC postpone consideration of the draft final rule and reopen the comment period to allow the client community additional time to respond to the proposed changes in the rule. In response to that request, action on the draft final rule was deferred and the NPRM was republished for comment on November 7, 2006 (71 FR 65064). LSC received three timely additional comments, one from the client caucus of an LSC grantee, one from the client committee of a non-LSC grantee legal services provider, and one from the Center for Law and Social Policy on behalf of NLADA, replacing CLASP/NLADA's previously submitted comments. LSC also received two late filed comments, one from an individual past client of a recipient and one from the Chairperson of the NLADA Client Policy Group.¹ After consideration of
