

leading and emerging industry clusters in an economic region.

- Advance technology transfer from research institutions to the commercial marketplace.

- Bolster critical infrastructure (e.g., transportation, communications, specialized training) to prepare economic regions to compete in the world-wide marketplace.

- Leverage local partnerships and other federal programs (e.g., Economic Development District Organizations, Trade Adjustment Assistance Centers, University Centers, the U.S. Department of Labor's Workforce Innovation in Regional Economic Development (WIRED) initiative) that increase the project's probability of success, as well as its probability of bringing substantial benefits to the distress community in which it is located.

3. Investments that encourage entrepreneurship:

- Cultivate a favorable entrepreneurial environment consistent with regional strategies.

- Enable economic regions to identify innovative opportunities among growth-oriented small and medium-size enterprises.

- Promote community and faith-based entrepreneurship programs aimed at improving economic performance in an economic region.

- Link the economic benefits of the project to the distressed community in which it is located.

4. Support strategies that link regional economies with the global marketplace:

- Enable businesses and local governments to understand that ninety-five (95) percent of our potential customers do not live in the United States.

- Enable businesses, local governments and key institutions (e.g., institutions of higher education) to understand and take advantage of the numerous free trade agreements.

- Enable economic development professionals to develop and implement strategies that reflect the competitive environment of the 21st Century global marketplace.

The Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements: The administrative and national policy requirements for all Department of Commerce awards, contained in the *Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements*, published in the **Federal Register** on February 11, 2008 (73 FR 7696), are applicable to this solicitation.

Paperwork Reduction Act: This document contains collection-of-

information requirements subject to the Paperwork Reduction Act (PRA). The use of Form ED-900 (*Application for Investment Assistance*) has been approved by the Office of Management and Budget (OMB) under the Control Number 0610-0094. The use of Forms SF-424 (*Application for Financial Assistance*), SF-424A (*Budget Information—Non-Construction Programs*), SF-424B (*Assurances—Non-Construction Programs*), SF-424C (*Budget Information—Construction Programs*), and SF-424D (*Assurances—Construction Programs*) has been approved under OMB Control Numbers 4040-0004, 0348-0041, 4040-0007, and 4040-0009, respectively. The Form CD-346 (*Applicant for Funding Assistance*) is approved under OMB control number 0605-0001, and Form SF-LLL (*Disclosure of Lobbying Activities*) is approved under OMB control number 0348-0046. Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB control number.

Executive Order 12866 (Regulatory Planning and Review): This notice has been determined to be not significant for purposes of Executive Order 12866.

Executive Order 13132 (Federalism): It has been determined that this notice does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

Administrative Procedure Act/Regulatory Flexibility Act: Prior notice and an opportunity for public comments are not required by the Administrative Procedure Act or any other law for rules concerning grants, benefits, and contracts (5 U.S.C. 553(a)(2)). Because notice and opportunity for comment are not required pursuant to 5 U.S.C. 553 or any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are inapplicable. Therefore, a regulatory flexibility analysis has not been prepared.

Dated: January 5, 2009.

Casey Hoffman,

Chief of Staff, Economic Development Administration.

Barium Carbonate from the People's Republic of China: Final Results of the Expedited Sunset Review of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 2, 2008, the Department of Commerce ("Department") initiated a sunset review of the antidumping duty order on barium carbonate from the People's Republic of China ("PRC") pursuant to section 751(c) of the Tariff Act of 1930, as amended ("Act"). See *Initiation of Five-year ("Sunset") Review*, 73 FR 51275 (September 2, 2008) ("Sunset Initiation"); see also *Antidumping Duty Order: Barium Carbonate from the People's Republic of China*, 68 FR 56619 (October 1, 2003) ("Order"). On September 16, 2008, Chemical Products Corporation ("CPC"), the petitioner in the original barium carbonate investigation, notified the Department that it intended to participate in the sunset review. The Department did not receive a substantive response from any respondent party. Based on the notice of intent to participate and adequate response filed by the domestic interested party, and the lack of response from any respondent interested party, the Department conducted an expedited sunset review of the Order pursuant to section 751(c)(3)(B) of the Act and 19 C.F.R. 351.218(e)(1)(ii)(C)(2). As a result of this sunset review, the Department finds that revocation of the Order would likely lead to continuation or recurrence of dumping, at the levels indicated in the "Final Results of Sunset Review" section of this notice, *infra*.

EFFECTIVE DATE: January 9, 2009.

FOR FURTHER INFORMATION CONTACT:

Hallie Noel Zink; AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: 202-482-6907.

SUPPLEMENTARY INFORMATION:

Background

On September 2, 2008, the Department initiated a sunset review of the order on barium carbonate pursuant to section 751(c) of the Act. See *Sunset Initiation*, 73 FR 51275. On September 16, 2008, the Department received a timely notice of intent to participate in

the sunset review from CPC, pursuant to 19 C.F.R. 351.218(d)(1)(i). In accordance with 19 C.F.R. 351.218(d)(1)(ii)(A), CPC claimed interested party status under section 771(9)(C) of the Act as a producer of the domestic like product.

On October 2, 2008, CPC filed a substantive response in the sunset review, within the 30-day deadline as specified in 19 C.F.R. 351.218(d)(3)(i). The Department did not receive a substantive response from any respondent interested party in the sunset review. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 C.F.R. 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited sunset review of the *Order*.

Scope of the Order

The merchandise covered by this order is barium carbonate, regardless of form or grade. The product is currently classifiable under subheading 2836.60.0000 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this proceeding is dispositive.

Analysis of Comments Received

A complete discussion of all issues raised in these sunset reviews is addressed in the accompanying Issues and Decision Memorandum, which is hereby adopted by this notice. See "Issues and Decision Memorandum for the Final Results in the Expedited Sunset Review of the Antidumping Duty Order on Barium Carbonate from the People's Republic of China," from Stephen J. Claeys, Deputy Assistant Secretary, to David M. Spooner, Assistant Secretary for Import Administration, dated December 31, 2008 ("I&D Memo"). The issues discussed in the accompanying I&D Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the dumping margin likely to prevail if the *Order* was revoked. Parties can obtain a public copy of the I&D Memo on file in the Central Records Unit, room 1117, of the main Commerce building. In addition, a complete public version of the I&D Memo can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>. The paper copy and electronic version of the I&D Memo are identical in content.

Final Results of Sunset Review

The Department determines that revocation of the Order on barium carbonate would likely lead to continuation or recurrence of dumping at the rates listed below:

Manufacturers/Exporters/Producers	Weighted-Average Margin (Percent)
Qingdao Red Star Chemical Import & Export Co., Ltd.	34.44
PRC-Wide Entity	81.30

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 C.F.R. 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these results and notice in accordance with sections 751(c), 752, and 777(i)(1) of the Act.

December 31, 2008.

David M. Spooner,

Assistant Secretary for Import Administration.

Carbazole Violet Pigment 23 from the People's Republic of China: Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 8, 2008, the Department of Commerce (the Department) published the preliminary results and partial rescission of the 2006-2007 administrative review of the antidumping duty order on carbazole violet pigment 23 (CVP 23) from the People's Republic of China (PRC). See *Carbazole Violet Pigment 23 from the People's Republic of China: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 73 FR 52007 (September 8, 2008) (*Preliminary Results*). We gave interested parties an opportunity to comment on the *Preliminary Results*. We received no comments. Therefore, the margin for the final results does not differ from the preliminary results. The final dumping margin is listed below in

the section entitled "Final Results of Review."

EFFECTIVE DATE: January 9, 2009.

FOR FURTHER INFORMATION CONTACT: Deborah Scott or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2657 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 8, 2008, the Department published in the **Federal Register** the *Preliminary Results*. We invited parties to comment on the *Preliminary Results*. We did not receive any comments.

Period of Review

The period of review is December 1, 2006 through November 30, 2007.

Scope of the Order

The merchandise covered by the order is carbazole violet pigment 23 identified as Color Index No. 51319 and Chemical Abstract No. 6358-30-1, with the chemical name of diindolo [3,2-b:3',2'-m] triphenodioxazine, 8,18-dichloro-5,15-diethyl-5,15-dihydro-, and molecular formula of C₃₄H₂₂C₁₂N₄O₂.¹ The subject merchandise includes the crude pigment in any form (*e.g.*, dry powder, paste, wet cake) and finished pigment in the form of presscake and dry color. Pigment dispersions in any form (*e.g.*, pigments dispersed in oleoresins, flammable solvents, water) are not included within the scope of this order. The merchandise subject to this order is classifiable under subheading 3204.17.9040 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Separate Rates

In the *Preliminary Results*, the Department noted that none of the 11 companies in this administrative review responded to the Department's separate rate application/certification, including the single mandatory respondent in this review, Goldlink Industries Company, Limited (Goldlink). Goldlink also failed to respond to the Department's antidumping questionnaire. Accordingly, the Department found that

¹ The bracketed section of the product description, [3,2-b:3',2'-m], is not business proprietary information, but is part of the chemical nomenclature.
