**SUPPLEMENTARY INFORMATION:**

**I. Background**

MEDCAC, formerly known as the Medicare Coverage Advisory Committee (MCAC), provides advice and recommendations to CMS regarding clinical issues. (For more information on MCAC, see the December 14, 1998 *Federal Register* (63 FR 68780).) This notice announces the March 24, 2010 public meeting of the Committee. During this meeting, the Committee will examine the currently available evidence on the use of erythropoiesis stimulating agents (ESAs) to manage anemia in patients who have chronic kidney disease. Background information about this topic, including panel materials, is available at <http://www.cms.hhs.gov/coverage>. We encourage the participation of appropriate organizations with expertise in renal insufficiency/kidney disease, anemia, and ESAs.

**II. Meeting Format**

This meeting is open to the public. The Committee will hear oral presentations from the public for approximately 45 minutes. The Committee may limit the number and duration of oral presentations to the time available. Your comments should focus on issues specific to the list of topics that we have proposed to the Committee. The list of research topics to be discussed at the meeting will be available on the following Web site prior to the meeting: [http://www.cms.hhs.gov/mcd/index\\_list.asp?list\\_type=mcac](http://www.cms.hhs.gov/mcd/index_list.asp?list_type=mcac). We require that you declare at the meeting whether you have any financial involvement with manufacturers (or their competitors) of any items or services being discussed.

The Committee will deliberate openly on the topics under consideration. Interested persons may observe the deliberations, but the Committee will not hear further comments during this time except at the request of the chairperson. The Committee will also allow a 15-minute unscheduled open public session for any attendee to

address issues specific to the topics under consideration. At the conclusion of the day, the members will vote and the Committee will make its commendation(s) to CMS.

**III. Registration Instructions**

**IV. Security, Building, and Parking Guidelines**

This meeting will be held in a Federal government building; therefore, Federal security measures are applicable. Security measures include the following:

- Inspection of vehicle's interior and exterior (this includes engine and trunk inspection) at the entrance to the grounds. Parking permits and instructions will be issued after the vehicle inspection.
- Inspection, via metal detector or other applicable means, of all persons entering the building. We note that all items brought into CMS, whether personal or for the purpose of presentation or to support a presentation, are subject to inspection. We cannot assume responsibility for coordinating the receipt, transfer, transport, storage, set-up, safety, or timely arrival of any personal belongings or items used for presentation or to support a presentation.

**Note:** Individuals who are not registered in advance will not be permitted to enter the building and will be unable to attend the meeting. The public may not enter the building earlier than 45 minutes prior to the convening of the meeting.

All visitors must be escorted in areas other than the lower and first floor levels in the Central Building.
