

maintain internal controls that reduce the risk of fraud, waste, and error in Government charge card programs. As provided in Appendix B of OMB Circular A-123, agencies must have reasonable, effective internal controls so that this property can be accounted for and to ensure property is limited to use for official purposes.

The Office of Management and Budget (OMB) Open Government Directive instructs agencies to take specific actions to implement the principles of transparency, participation and collaboration. Agencies are accountable for the quality and objectivity of internal controls over the spending information. Agencies must make certain that information conforms to OMB guidance on information quality.

Agency Information Collection Request; 60-Day Public Comment Request

AGENCY: Office of the Secretary, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is publishing the following summary of a proposed information collection request for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden. To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, e-mail your request, including your

address, phone number, OMB number, and OS document identifier, to Sherette.funncoleman@hhs.gov, or call the Reports Clearance Office on (202) 690-6162. Written comments and recommendations for the proposed information collections must be directed to the OS Paperwork Clearance Officer at the above e-mail address within 60 days.

Proposed Project: The Effect of Reducing Falls on Acute and Long-Term Care Expenses OMB No. 0990-0308—Extension—Assistant Secretary Planning Evaluation (ASPE).

Abstract: ASPE is conducting a demonstration and evaluation of a multi-factorial fall prevention program to measure its impact on health outcomes for the elderly as well as acute and long-term care use and cost. The study is being conducted among a sample of individuals with private long-term care insurance who are age 75 and over using a multi-tiered random experimental research design to evaluate the effectiveness of the proposed fall prevention intervention program. The project will provide information to advance Departmental goals of reducing injury and improving the use of preventive services to positively impact Medicare use and spending. The project began in Spring 2008 and is expected to be completed in Spring 2013.
