

consumption on or after December 1, 2008. The Department will order the suspension of liquidation ended for all such entries and will instruct U.S. Customs and Border Protection (CBP) to release any cash deposits or bonds. The Department also will instruct CBP to refund with interest any cash deposits on entries made on or after December 1, 2008.

Final Results of Review

We determine that the following dumping margin exists for the period December 1, 2007, through November 30, 2008:

| Exporter | Weighted-Average Margin (percentage) |
|---|--------------------------------------|
| Asociacion de Cooperativas Argentinas | 0.00 |

Assessment Rates

The Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries, in accordance with 19 CFR 351.212(b). Since the importer-specific assessment rate calculated in the final results of this review is 0.00 percent, we will instruct CBP to liquidate without regard to antidumping duties for these entries. See 19 CFR 351.106(c)(2). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of these final results of review.

The Department clarified its automatic assessment regulation on May 6, 2003 (68 FR 23954). This clarification will apply to entries of subject merchandise during the POR produced by the company(ies) included in these final results of review for which the reviewed company(ies) did not know their merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate un-reviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results, consistent

with section 751(a)(1) of the Act: (1) for ACA, which is revoked from the order, no cash deposit will be required; (2) if the exporter is not a firm covered in this review, but was covered in a previous review or the original less than fair value (LTFV) investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rate will continue to be 30.24 percent, which is the all-others rate established in the LTFV investigation. See *Notice of Antidumping Duty Order; Honey From Argentina*, 66 FR 63672 (December 10, 2001). These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notifications to Interested Parties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: April 22, 2010.

Ronald K. Lorentzen,
Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION: The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a three-step process including: (1) Data Workshop, (2) Assessment Process

utilizing webinars and (3) Review Workshop. The product of the Data Workshop is a data report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The product of the Assessment Process is a stock assessment report which describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The assessment is independently peer reviewed at the Review Workshop. The product of the Review Workshop is a Summary documenting Panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and federal agencies.

Solicitation of Applications for the i6 Challenge Under EDA's Economic Adjustment Assistance Program

AGENCY: Economic Development Administration (EDA), Department of Commerce.

ACTION: Notice and request for applications.

SUMMARY: The i6 Challenge is a new, multi-agency innovation competition led by the U.S. Department of Commerce (DOC) and its Economic Development Administration (EDA). EDA intends to fund implementation grants for technical assistance through its Economic Adjustment Assistance Program under the i6 Challenge. The DOC and EDA will coordinate this funding opportunity with the National Institutes of Health (NIH), the National Science Foundation (NSF), and the U.S. Patent and Trademark Office (USPTO) to leverage federal resources and maximize available funding to i6 Challenge winners. The i6 Challenge is designed to encourage and reward innovative, ground-breaking ideas that will accelerate technology commercialization and new venture formation across the United States, for the ultimate purpose of helping to drive economic growth and job creation. To accomplish this, the i6 Challenge targets sections of the research-to-deployment continuum that are in need of additional support, in order to strengthen regional innovation ecosystems. Applicants to the i6 Challenge are expected to propose mechanisms to fill in existing gaps in the continuum or leverage existing infrastructure and institutions, such as economic development organizations, academic institutions, or other non-profit organizations, in new and
