Final Rule**

DEPARTMENT OF AGRICULTURE**Office of the Secretary****7 CFR Part 2**

RIN 0503-AA41

Revision of Delegations of Authority**AGENCY:** Office of the Secretary, USDA.**ACTION:** Final rule.

SUMMARY: This document revises the delegations of authority from the Secretary of Agriculture and general officers of the Department of Agriculture (USDA) principally to reflect changes to the delegations required by the reorganization of Departmental Staff Offices, Departmental Administration, and the Assistant Secretary for Civil Rights under the newly named "Departmental Management," led by the Assistant Secretary for Administration. Other additions, deletions, and changes are made as summarized below.

DATES: *Effective Date:* Effective July 23, 2010.

SUPPLEMENTARY INFORMATION:**Departmental Management Reorganization**

Effective October 1, 2009, the Secretary of Agriculture ("Secretary") implemented within USDA a reorganization of Departmental Staff Offices, Departmental Administration, and the Assistant Secretary for Civil Rights ("ASCR") under the newly named "Departmental Management," led by the Assistant Secretary for Administration ("ASA"). For further information, see Secretary's Memorandum 1060-001, "Reorganization of Departmental Staff Offices, Departmental Administration, and Assistant Secretary for Civil Rights," available at <http://www.ocio.usda.gov/directives/doc/SM1060-001.pdf>. This rulemaking amends USDA's delegations of authority at 7 CFR part 2 principally to reflect this reorganization.

Under the reorganized Departmental Management organization, the following officials within USDA report directly to the ASA: Assistant Secretary for Civil Rights ("ASCR"); Chief Information Officer ("CIO");¹ Chief Financial Officer

("CFO");² Director, Office of Human Resources Management ("OHRM"); Director, Office of Small and Disadvantaged Business Utilization ("OSDBU"); Director, Office of Procurement and Property Management ("OPPM"); Director, Office of Advocacy and Outreach ("OAO"); Director, Office of Homeland Security and Emergency Coordination ("OHSEC");³ Director, Office of Operations ("OO"); Director, Office of the Executive Secretariat ("OES"); and Director, Management Services. The ASA continues to provide administrative supervision of the Office of Administrative Law Judges ("OALJ"). Pursuant to this new reporting structure, the Secretary has delegated to the ASA responsibilities in the following areas: civil rights; information technology and information resources; financial systems and budget formulation and execution; human resources management; small and disadvantaged business utilization; procurement and property management; advocacy and outreach; homeland security, personnel and document security, and emergency coordination; operations support; Secretarial correspondence; and shared management services. The ASA continues to provide administrative supervision of the OALJ and has delegated the authority to assign certain proceedings to the OALJ and maintain overall responsibility and control over the OALJ Hearing Clerk's activities. Delegations from the Secretary to the ASA are reflected in 7 CFR part 2, subpart C, § 2.24.

Delegations by the ASA to other officials are reflected in 7 CFR part 2, subpart P, as follows:

- Civil rights, to the ASCR (§ 2.88).
- Information technology and information resources, to the CIO (§ 2.89).
- Financial systems and budget formulation and execution, to the CFO (§ 2.90).
- Human resources management, to the Director, OHRM (§ 2.91).
- Small and disadvantaged business utilization, to the Director, OSDBU (§ 2.92).

information technology matters as required by the Clinger-Cohen Act of 1996, 44 U.S.C. 3506. See 7 CFR 2.89(a)(1).

² The Chief Financial Officer continues to report directly to the Secretary regarding certain financial management matters as required by the Chief Financial Officers Act of 1990, 31 U.S.C. 902. See 7 CFR 2.90(a)(1).

³ The Director, OHSEC, reports directly to the Secretary with respect to certain functions delegated by the Secretary to the Director, OHSEC, regarding management of the personnel security functions of USDA and the safeguarding of certain national security information. See 7 CFR 2.95.

- Procurement and property management, to the Director, OPPM (§ 2.93).

- Advocacy and outreach, to the Director, OAO (§ 2.94).

- Homeland security, personnel and document security, and emergency coordination, to the Director, OHSEC (§ 2.95).

- Operations support, to the Director, OO (§ 2.96).

- Secretarial correspondence, to the Director, OES (§ 2.97).

- Shared management services, to the Director, Management Services (§ 2.98).

Additionally, the ASA is delegating to the Deputy Assistant Secretaries of Administration the authority to perform the duties of the ASA during the absence or unavailability of the ASA (§ 2.87).

This rulemaking reflects the establishment of two new organizations within Departmental Management. First, the Office of Advocacy and Outreach ("OAO") has been established pursuant to section 226B of the Department of Agriculture Reorganization Act of 1994 (7 U.S.C. 6934), as added by section 14013 of the Food, Conservation, and Energy Act of 2008, Public Law 110-246. The OAO was established to improve access to USDA programs and services by small farms and ranches, beginning farmers and ranchers, and socially disadvantaged farmers and ranchers. Delegations from the ASA to the Director, OAO are reflected in 7 CFR 2.94 and include certain advocacy and outreach functions previously carried out by other elements within USDA.

Second, Management Services has been established to service the human resources, information technology, budget, and procurement operational needs of the various offices that comprise Departmental Management. Delegations from the ASA to the Director, Management Services are reflected in 7 CFR 2.98.

This rulemaking also reflects the renaming of the Office of Homeland Security as the Office of Homeland Security and Emergency Coordination ("OHSEC"). The OHSEC provides Departmental executive leadership in Government-wide initiatives pertaining to physical security, emergency programs, personnel and document security, continuity of operations/continuity of government, homeland security, and operations center support to USDA emergency response and program operations nationwide. Delegations from the ASA to the Director, OHSEC are reflected in 7 CFR 2.95 and include certain physical and document security, emergency preparedness, and radiation safety

¹ The Chief Information Officer continues to report directly to the Secretary regarding certain

functions previously carried out by other elements within USDA.

This rulemaking also reflects the abolishment of the Office of Planning and Coordination (delegations formerly at 7 CFR 2.94). Additionally, delegations from the ASCR to the Director, Office of Civil Rights (formerly at 7 CFR 2.300) are removed because the ASCR is now within the Departmental Management organization under the ASA (see § 2.88). A new delegation is added from the ASCR to the Deputy ASCR to perform the duties of the ASCR during his or her absence or unavailability (see § 2.300).

The rulemaking also reflects the reorganization of several functions within the Department. These include budget formulation and program analysis duties carried out by the Director, Office of Budget and Program Analysis ("OBPA"), which is now within the Office of the Chief Financial Officer (see § 2.501). The ethics function of the Department (formerly at 7 CFR 2.95), for purposes of administrative supervision only, is now within the Office of Human Resources Management (see § 2.91). Additionally, USDA special emphasis programs have moved from the ASCR to OHRM.

To implement the changes described above, the following section in 7 CFR part 2, subpart C ("Delegations of Authority to the Deputy Secretary, the Under Secretaries, and the Assistant Secretaries for Congressional Relations and Administration"), is being removed: § 2.25 ("Assistant Secretary for Civil Rights"). (Delegations of authority by the ASA to the ASCR are now reflected in 7 CFR part 2, subpart P, § 2.88.)

The following sections in 7 CFR part 2, subpart D ("Delegations of Authority to Other General Officers and Agency Heads"), are being removed: § 2.26 ("Director, Office of the Executive Secretariat"); § 2.28 ("Chief Financial Officer"); § 2.30 ("Director, Office of Budget and Program Analysis"); § 2.32 ("Director, Office of Homeland Security"); and § 2.37 ("Chief Information Officer"). (Delegations from the ASA to the Director, OES, are now reflected in 7 CFR part 2, subpart P, § 2.97; delegations from the ASA to the CFO are now reflected in 7 CFR part 2, subpart P, § 2.90; delegations from the CFO to the Director, OBPA, are now reflected in 7 CFR part 2, subpart T, § 2.501; delegations from the ASA to the Director, OHSEC, are now reflected in 7 CFR part 2, subpart P, § 2.95; and delegations from the ASA to the CIO are now reflected in 7 CFR part 2, subpart P, § 2.89.)

Subpart M ("Delegations of Authority by the Chief Financial Officer") and § 2.75 ("Deputy Chief Financial Officer")

are being removed. (Delegations to the Deputy CFO are now reflected in a new subpart T, § 2.500.)

Subpart P ("Delegations of Authority by the Assistant Secretary for Administration") is re-ordered to reflect the delegations to the officials within Departmental Management, as described above.

Subpart Q ("Delegations of Authority by the Chief Information Officer") and § 2.200 ("Deputy Chief Information Officer") are amended, respectively, to read "Delegations of Authority by the General Counsel" and "Deputy General Counsel." (Delegations to the Deputy CIO are now reflected in a new subpart S, § 2.400.)

Subpart R ("Delegations of Authority by the Assistant Secretary for Civil Rights") contains the new delegation from the ASCR to the Deputy ASCR to perform the duties of the ASCR during his or her absence or unavailability (see § 2.300).

Finally, to implement the reorganized Departmental Management organization, several conforming amendments are made to subpart C (§§ 2.16, 2.17, 2.20, and 2.21), subpart D (§ 2.27), subpart F (§ 2.42), subpart G (§§ 2.47, 2.48, and 2.49), subpart J (§ 2.61), and subpart K (§§ 2.65 and 2.66).

Other Delegations

This rulemaking also makes several other changes to 7 CFR part 2. The Secretarial order of succession in 7 CFR 2.5 is revised to reflect the current order of succession as established by Executive Order 13542, "Providing an Order of Succession Within the Department of Agriculture" (75 FR 27921, May 18, 2010). Amendments are made to §§ 2.4, 2.45, and 2.51 to correct obsolete or erroneous references. The delegations of authority from the Secretary to the Judicial Officer (§ 2.35) are updated to reflect the adjudicatory proceedings in which the Judicial Officer acts as the final deciding officer. Finally, a new delegation is added from the General Counsel to the Deputy General Counsel to perform the duties of the General Counsel during his or her absence or unavailability (§ 2.200).

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Orders 12866 and 12988. This action is not a rule as defined by the Regulatory

Flexibility Act, Public Law 96-354, and the Small Business Regulatory Fairness Enforcement Act, 5 U.S.C. 801 *et seq.*, and thus is exempt from the provisions of those Acts. This rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

§ 2.24 Assistant Secretary for Administration.

(a) The following delegations of authority are made by the Secretary of Agriculture to the Assistant Secretary for Administration:

- (1) *Related to civil rights.*
 - (i) Provide overall leadership, coordination, and direction for the Department's programs of civil rights, including program delivery, compliance, and equal employment opportunity, with emphasis on the following:
 - (A) Actions to enforce Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, prohibiting discrimination in federally assisted programs.
 - (B) Actions to enforce Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e, prohibiting discrimination in Federal employment.
 - (C) Actions to enforce Title IX of the Education Amendments of 1972, 20 U.S.C. 1681, *et seq.*, prohibiting discrimination on the basis of sex in USDA education programs and activities funded by the Department.
 - (D) Actions to enforce the Age Discrimination Act of 1975, 42 U.S.C. 6102, prohibiting discrimination on the basis of age in USDA programs and activities funded by the Department.
 - (E) Actions to enforce section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, prohibiting discrimination against individuals with

disabilities in USDA programs and activities funded or conducted by the Department.

(F) Actions to enforce related Executive Orders, Congressional mandates, and other laws, rules, and regulations, as appropriate.

(ii) Evaluate Departmental agency programs, activities, and impact statements for civil rights concerns.

(iii) Analyze and evaluate program participation data and equal employment opportunity data.

(iv) Provide leadership and coordinate Departmentwide programs of public notification regarding the availability of USDA programs on a nondiscriminatory basis.

(v) Coordinate with the Department of Justice on matters relating to title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), title IX of the Education Amendments of 1972 (20 U.S.C. 1681, *et seq.*), and section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), except those matters in litigation, including administrative enforcement actions, which shall be coordinated by the Office of the General Counsel.

(vi) Coordinate with the Department of Health and Human Services on matters relating to the Age Discrimination Act of 1975, 42 U.S.C. 6102, except those matters in litigation, including administrative enforcement actions, which shall be coordinated by the Office of the General Counsel.

(vii) Order proceedings and hearings in the Department pursuant to §§ 15.9(e) and 15.86 of this title which concern consolidated or joint hearings within the Department or with other Federal departments and agencies.

(viii) Order proceedings and hearings in the Department pursuant to § 15.8 of this title after the program agency has advised the applicant or recipient of his or her failure to comply and has determined that compliance cannot be secured by voluntary means.

(ix) Issue orders to give a notice of hearing or the opportunity to request a hearing pursuant to part 15 of this title; arrange for the designation of an Administrative Law Judge to preside over any such hearing; and determine whether the Administrative Law Judge so designated will make an initial decision or certify the record to the Secretary of Agriculture with his or her recommended findings and proposed action.

(x) Authorize the taking of action pursuant to § 15.8(a) of this title relating to compliance by "other means authorized by law."

(xi) Make determinations required by § 15.8(d) of this title that compliance

cannot be secured by voluntary means, and then take action, as appropriate.

(xii) Make determinations that program complaint investigations performed under § 15.6 of this title establish a proper basis for findings of discrimination, and that actions taken to correct such findings are adequate.

(xiii) Investigate (or make determinations that program complaint investigations establish a proper basis for final determinations), make final determinations on both the merits and required corrective action, and, where applicable, make recommendations to the Secretary that relief be granted under 7 U.S.C. 6998(d) notwithstanding the finality of National Appeals Division decisions, as to complaints filed under parts 15a, 15b, and 15d of this title.

(xiv) Conduct civil rights investigations and compliance reviews Departmentwide.

(xv) Develop regulations, plans, and procedures necessary to carry out the Department's civil rights programs, including the development, implementation, and coordination of Action Plans.

(xvi) *Related to Equal Employment Opportunity (EEO)*. Designate the Department's Director of Equal Employment Opportunity with authority:

(A) To perform the functions and responsibilities of that position under 29 CFR part 1614, including the authority:

(1) To make changes in programs and procedures designed to eliminate discriminatory practices and improve the Department's EEO program.

(2) To provide EEO services for managers and employees.

(3) To make final agency decisions on EEO complaints by Department employees or applicants for employment and order such corrective measures in such complaints as may be considered necessary, including the recommendation for such disciplinary action as is warranted when an employee has been found to have engaged in a discriminatory practice.

(B) Administer the Department's EEO program.

(C) Oversee and manage the EEO counseling function for the Department.

(D) Process formal EEO complaints by employees or applicants for employment.

(E) Investigate Department EEO complaints and make final decisions on EEO complaints, except in those cases where the Assistant Secretary for Administration (or a person in the immediate office of the Assistant Secretary for Administration) or the Assistant Secretary for Civil Rights (or a

person directly supervised by the Assistant Secretary for Civil Rights) has participated in the events that gave rise to the matter.

(F) Order such corrective measures in EEO complaints as may be considered necessary, including the recommendation for such disciplinary action as is warranted when an employee has been found to have engaged in a discriminatory practice.

(G) Provide liaison on EEO matters concerning complaints and appeals with the Department agencies and Department employees.

(H) Conduct EEO evaluations and develop policy regarding EEO programs.

(I) Provide liaison on EEO programs and activities with the Equal Employment Opportunity Commission and the Office of Personnel Management.

(xvii) Administer the discrimination appeals and complaints program for the Department, including all formal individual or group appeals, where the system provides for an avenue of redress to the Department level, Equal Employment Opportunity Commission, or other outside authority.

(xviii) Make final determinations, or enter into settlement agreements, on discrimination complaints in federally conducted programs subject to the Equal Credit Opportunity Act. This delegation includes the authority to make compensatory damage awards whether pursuant to a final determination or in a settlement agreement under the authority of the Equal Credit Opportunity Act and the authority to obligate agency funds, including Commodity Credit Corporation and Federal Crop Insurance Corporation funds to satisfy such an award.

(xix) Make final determinations in proceedings under part 15f of this title where review of an administrative law judge decision is undertaken.

(xx) Provide civil rights and equal employment opportunity support services, with authority to take actions required by law or regulation to perform such services for:

(A) The Secretary of Agriculture.

(B) The general officers of the Department.

(C) The offices and agencies reporting to the Assistant Secretary for Administration.

(D) Any other offices or agencies of the Department as may be agreed.

(xxi) Redelegate, as appropriate, any authority delegated under paragraph (a)(1) to general officers of the Department and heads of Departmental agencies.

(2) *Related to information technology and information resources.*

(i) [Reserved]
 (ii) Oversee all information technology and information resource management activities relating to the programs and operations of the Department and component agencies. This oversight includes approving information technology investments, monitoring and evaluating the performance of those investments and information resource management activities, approval of all architectures and components thereto and determining whether to continue, modify, or terminate an information technology program or project.

(iii) Provide advice and other assistance to the Secretary and other senior management personnel to ensure that information technology is acquired and managed for the Department consistent with chapter 35 of title 44, United States Code (Coordination of Federal Information Policy).

(iv) Develop, implement, and maintain a sound and integrated Department-wide information technology architecture.

(v) Promote the effective and efficient design and operation of all major information resources management processes for the Department, including improvements to work processes of the Department.

(vi) Approve the acquisition or procurement of information technology resources by, or on behalf of, any Department agency or office.

(vii) Collaborate with Department procurement personnel with respect to information technology acquisition strategy and policy.

(viii) Designate the Major Information Technology Systems Executive in USDA to integrate and unify the management process for the Department's major information technology system acquisitions and to monitor implementation of the policies and practices set forth in Office of Management and Budget (OMB) Circular No. A-109, Major Systems Acquisitions, for information technology. This includes the authority to:

(A) Ensure that OMB Circular No. A-109 is effectively implemented for information technology systems in the Department and that the management objectives of the Circular are realized.

(B) Review the program management of each major information technology system acquisition.

(C) Approve the appointment of the program manager for each major information technology systems acquisition.

(D) Designate any Departmental information technology acquisition as a

major system acquisition under OMB Circular No. A-109.

(ix) On an annual basis:

(A) Assess Department-wide personnel requirements regarding knowledge and skill in information resources management, and the adequacy of such requirements, to achieve the performance goals established for information resources management.

(B) Develop strategies and specific plans for hiring, training, and professional development at the executive and management level to meet personnel information technology personnel requirements.

(C) Report to the Secretary on progress made in improving information resources management capability.

(x) Designate the senior official to carry out the responsibilities of the Department under chapter 35 of title 44, United States Code (Coordination of Federal Information Policy), including:

(A) Ensure that the information policies, principles, standards, guidelines, rules and regulations prescribed by OMB are appropriately implemented within the Department.

(B) Review proposed Department reporting and record keeping requirements, including those contained in rules and regulations, to ensure that they impose the minimum burden upon the public and have practical utility for the Department.

(C) Develop and implement procedures for assessing the burden to the public and costs to the Department of information requirements contained in proposed legislation affecting Department programs.

(D) Assist OMB in the performance of its functions assigned under the E-Government Act of 2002 (Pub. L. 107-347), including review of Department and Agency activities for compliance.

(E) Assist OMB in the performance of its functions assigned under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), including review of Department and Agency activities for compliance.

(xi) The Assistant Secretary for Administration is also responsible for the following:

(A) Provide Department-wide guidance and direction in planning, developing, documenting, and managing applications software projects in accordance with Federal and Department information processing standards, procedures, and guidelines.

(B) Provide Department-wide guidance and direction in all aspects of information technology, including: Feasibility studies; economic analyses; systems design; acquisition of

equipment, software, services, and timesharing arrangements; systems installation; systems performance and capacity evaluation; information technology investment governance; cybersecurity; and privacy. Monitor these activities for agencies' major systems development efforts to assure effective and economic use of resources and compatibility among systems of various agencies when required.

(C) Manage the Enterprise Data Centers, including setting rates to recover the cost of goods and services within approved policy and funding levels; and oversee the delivery of Enterprise Data Center goods and services, with authority to take actions required by law or regulation to perform such services for:

(1) The Secretary of Agriculture.

(2) The general officers of the Department.

(3) The offices and agencies reporting to the Assistant Secretary for Administration.

(4) Any other offices or agencies of the Department as may be agreed.

(D) Manage a comprehensive set of end user office automation services, including setting rates to recover the cost of goods and services within approved policy and funding levels; and oversee the delivery of goods and services associated with end user office automation services, with authority to take actions required by law or regulation to perform such services for any offices or agencies of the Department as may be agreed (except for the Office of the Secretary, the general officers of the Department, and the agencies and offices reporting to the Assistant Secretary for Administration, as specified in § 2.24(a)(11)(i)).

(E) Manage the Agricultural Security Operations Center to enable the Department to effectively monitor, detect, analyze, protect, report, and respond against known cyber vulnerabilities, attacks, and exploitations.

(F) Manage the Department's Certification and Accreditation process to ensure the Department and agencies have successfully conducted periodic risk assessments of its systems; grant the authority to operate for systems that have successfully completed the Certification and Accreditation process; and rescind or suspend the authority to operate for systems subject to repeated and/or significant security issues.

(G) Ensure that OMB Circular No. A-16, Coordination of Geographic Information and Related Spatial Data Activities, is effectively implemented in the Department and that the management objectives of the Circular

are realized; and provide Department-wide guidance and direction in governing, developing, implementing, and maintaining a sound and integrated geospatial architecture.

(H) Review and evaluate information technology activities related to delegated functions to assure that they conform to all applicable Federal and Department information technology management policies, plans, standards, procedures, and guidelines.

(I) Design, develop, implement, and revise systems, processes, work methods, and techniques to improve the management and operational effectiveness of information resources.

(J) Administer the Departmental records, forms, reports and Directives Management Programs.

(K) Manage all aspects of the USDA Telecommunications Program including planning, development, acquisition, and use of equipment and systems for voice, data, and communications, excluding the actual procurement of data transmission equipment, software, maintenance, and related supplies.

(L) Manage Departmental telecommunications contracts.

(M) Provide technical advice throughout the Department.

(b) [Reserved]

§ 2.89 Chief Information Officer.

(a) *Delegations*. The Chief Information Officer, under the supervision of the Assistant Secretary for Administration pursuant to § 2.24(a)(2), and with due deference for delegations to other Departmental Management officials, is responsible for executing the duties enumerated in Public Law 104-106 for agency Chief Information Officers, and additional specified duties, as follows:

(1) Report directly to the Secretary of Agriculture regarding information technology matters.

(2) Oversee all information technology and information resource management activities relating to the programs and operations of the Department and component agencies. This oversight includes approving information technology investments, monitoring and evaluating the performance of those investments and information resource management activities, approval of all architectures and components thereto and determining whether to continue, modify, or terminate an information technology program or project.

(3) Provide advice and other assistance to the Secretary and other senior management personnel to ensure that information technology acquired and managed for the Department consistent with chapter 35 of title 44, United States Code (Coordination of Federal Information Policy).

(4) Develop, implement, and maintain a sound and integrated Departmentwide information technology architecture.

(5) Promote the effective and efficient design and operation of all major information resources management processes for the Department, including improvements to work processes of the Department.

(6) Approve the acquisition or procurement of information technology resources by, or on behalf of, any Department agency or office.

(7) Collaborate with Department procurement personnel with respect to information technology acquisition strategy and policy.

(8) Function as the Major Information Technology Systems Executive in USDA

to integrate and unify the management process for the Department's major information technology system acquisitions and to monitor implementation of the policies and practices set forth in Office of Management and Budget (OMB) Circular No. A-109, Major Systems Acquisitions, for information technology. This includes the authority to:

(i) Ensure that OMB Circular No. A-109 is effectively implemented for information technology systems in the Department and that the management objectives of the Circular are realized.

(ii) Review the program management of each major information technology system acquisition.

(iii) Approve the appointment of the program manager for each major information technology systems acquisition.

(iv) Designate any Departmental information technology acquisition as a major system acquisition under OMB Circular No. A-109.

(9) On an annual basis:

(i) Assess Departmentwide personnel requirements regarding knowledge and skill in information resources management, and the adequacy of such requirements, to achieve the performance goals established for information resources management.

(ii) Develop strategies and specific plans for hiring, training, and professional development at the executive and management level to meet personnel information technology personnel requirements.

(iii) Report to the Assistant Secretary for Administration on progress made in improving information resources management capability.

(10) Function as the senior official to carry out the responsibilities of the Department under chapter 35 of title 44, United States Code (Coordination of Federal Information Policy), including:

(i) Ensure that the information policies, principles, standards, guidelines, rules and regulations prescribed by OMB are appropriately implemented within the Department.

(ii) Review proposed Department reporting and record keeping requirements, including those contained in rules and regulations, to ensure that they impose the minimum burden upon the public and have practical utility for the Department.

(iii) Develop and implement procedures for assessing the burden to the public and costs to the Department of information requirements contained in proposed legislation affecting Department programs.

(iv) Assist OMB in the performance of its functions assigned under the E-Government Act of 2002 (Pub. L. 107-347), including review of Department and Agency activities for compliance.

(v) Assist OMB in the performance of its functions assigned under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), including review of Department and Agency activities for compliance.

(11) The Chief Information Officer is also responsible for the following:

(i) Provide Departmentwide guidance and direction in planning, developing, documenting, and managing applications software projects in accordance with Federal and Department information processing standards, procedures, and guidelines.

(ii) Provide Departmentwide guidance and direction in all aspects of information technology, including: Feasibility studies; economic analyses; systems design; acquisition of equipment, software, services, and timesharing arrangements; systems installation; systems performance and capacity evaluation; information technology investment governance; cybersecurity; and privacy. Monitor these activities for agencies' major systems development efforts to assure effective and economic use of resources and compatibility among systems of various agencies when required.

(iii) Manage the Enterprise Data Centers, with the exception of the National Finance Center; and oversee the delivery of Enterprise Data Center goods and services, with authority to take actions required by law or regulation to perform such services for:

(A) The Secretary of Agriculture.

(B) The general officers of the Department.

(C) The offices and agencies reporting to the Assistant Secretary for Administration.

(D) Any other offices or agencies of the Department as may be agreed.

(iv) Manage a comprehensive set of end user office automation services and oversee the delivery of goods and services associated with end user office automation services, with authority to take actions required by law or regulation to perform such services for any offices or agencies of the Department as may be agreed (except for the Office of the Secretary, the general officers of the Department, and the agencies and offices reporting to the Assistant Secretary for Administration, as specified in § 2.98(a)(1)).

(v) Manage the Agricultural Security Operations Center to enable the Department to effectively monitor, detect, analyze, protect, report, and

respond against known cyber vulnerabilities, attacks, and exploitations.

(vi) Manage the Department's Certification and Accreditation process to ensure the Department and agencies have successfully conducted periodic risk assessments of its systems; grant the authority to operate for systems that have successfully completed the Certification and Accreditation process; and rescind or suspend the authority to operate for systems subject to repeated and/or significant security issues.

(vii) Ensure that OMB Circular No. A-16, Coordination of Geographic Information and Related Spatial Data Activities, is effectively implemented in the Department and that the management objectives of the Circular are realized; and providing Departmentwide guidance and direction in governing, developing, implementing, and maintaining a sound and integrated geospatial architecture.

(viii) Review and evaluate information technology activities related to delegated functions to assure that they conform to all applicable Federal and Department information technology management policies, plans, standards, procedures, and guidelines.

(ix) Design, develop, implement, and revise systems, processes, work methods, and techniques to improve the management and operational effectiveness of information resources.

(x) Administer the Departmental records, forms, reports and Directives Management Programs.

(xi) Manage all aspects of the USDA Telecommunications Program including planning, development, acquisition, and use of equipment and systems for voice, data, and communications, excluding the actual procurement of data transmission equipment, software, maintenance, and related supplies.

(xii) Manage Departmental telecommunications contracts.

(xiii) Provide technical advice throughout the Department.

(xiv) Implement a program for applying information resources management technology to improve productivity in the Department.

(xv) Plan, develop, install, and operate computer-based systems for message exchange, scheduling, computer conferencing, televideo technologies, and other applications of office automation technology which can be commonly used by multiple Department agencies and offices.

(xvi) Represent the Department in contacts with the Government Accountability Office, the General Services Administration, OMB, the National Institute of Standards and

Technology, and other organizations or agencies on matters related to delegated responsibilities.

(12) Implement policies established pursuant to paragraphs (a)(1) through (a)(11) of this section by:

(i) Disposing of information technology that is acquired by a Department agency in violation of procedures or standards for the Department Information Systems Technology Architecture.

(ii) Establishing information technology and information resources management performance standards for agency Chief Information Officers, information resources managers, and project managers to be used in the performance appraisal process.

(iii) Approving the selection of agency Chief Information Officers and agency major information technology system project managers in accordance with OMB policies.

(iv) Providing recommendations to Agency Heads for the removal or replacement of information technology project managers, when, in the opinion of the Chief Information Officer, applicable laws and policies are being violated, or, when the cost, schedule, or performance of an information technology project would indicate management deficiencies.

(v) Withdrawing agencies' authority to obligate funds on Information Technology programs or projects if the agency violates the Chief Information Officer policies, standards, or Department Information Systems Technology Architecture.

(vi) Requiring agencies to validate and verify major information technology systems through the use of an existing contract for such purpose designated by the Chief Information Officer.

(vii) Requiring approval by the Chief Information Officer of any proposed acquisition of information technology (whether through the award or modification of a procurement contract, a cooperative or other agreement with a non-Federal party, or an interagency agreement) to ensure technical conformance to the Department technical architecture.

(viii) Providing guidance to USDA regarding implementation of Section 508 of the Rehabilitation Act, as well as on-going consultative assistance regarding information technology accessibility, and reviewing progress made toward achieving information technology accessibility for USDA employees and individuals with disabilities.

(13) *Related to the Privacy Act.* Appoint a Department Privacy Act Officer; oversee general officers and

agency heads in the development and implementation of policies issued pursuant to the provisions of the Privacy Act, 5 U.S.C. 552a; and provide consultation and guidance regarding those policies.

(14) *Related to the Freedom of Information Act.* Serve as the Chief Freedom of Information Act Officer for the Department; oversee general officers and agency heads in efficient and appropriate compliance with the provisions of the Freedom of Information Act (5 U.S.C. 552); monitor implementation of 5 U.S.C. 552 throughout the agency and keep the Secretary, the General Counsel, and the Attorney General informed regarding agency performance in its implementation; recommend to the Secretary necessary adjustments to agency practices, policies, personnel, and funding to improve implementation of 5 U.S.C. 552; review and report to the Attorney General, through the Secretary, as the Attorney General may direct; and, facilitate public understanding of the purposes of the statutory exemptions contained in 5 U.S.C. 552.

(b) [Reserved]

§ 2.90 Chief Financial Officer.

(a) The Chief Financial Officer, under the supervision of the Assistant Secretary for Administration pursuant to §§ 2.24(a)(3) and 2.24(a)(13), with due deference for delegations to other Departmental Management officials, and subject to the reservations in § 2.24(b), is responsible for executing the duties enumerated for agency Chief Financial Officers in the Chief Financial Officers Act of 1990, Public Law 101-576, 31 U.S.C. 902, and additional specified duties, including:
