

or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Special Conditions:* Under 34 CFR 74.14 and 80.12, the Secretary may impose special conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 34 CFR parts 74 or 80, as applicable; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we will notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The success of the TS Program will be measured by secondary school persistence and

graduation rates of TS Program participants, as well as postsecondary enrollment and completion rates. All TS Program grantees will be required to submit an annual performance report documenting secondary school persistence, secondary school graduation, and postsecondary enrollment of their participants. Because students may take different lengths of time to complete their postsecondary education, multiple years of performance report data are needed to determine the postsecondary completion rates of TS Program participants. The Department will aggregate the data provided in the annual performance reports from all grantees to determine the performance level of the overall TS Program.

5. *Continuation Awards:* In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." This consideration includes the review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

SUPPLEMENTARY INFORMATION:

The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994, as amended.

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress (NAEP). The Board's responsibilities include the following: Selecting subject areas to be assessed, developing assessment frameworks and specifications, developing appropriate student achievement levels for each grade and subject tested, developing standards and procedures for interstate and national comparisons, developing guidelines for reporting and disseminating results, and releasing initial NAEP results to the public.

On November 18, from 1:00 p.m. to 4:15 p.m., the Assessment Development Committee will meet in closed session to review secure task outlines for test items for the new NAEP Technology and Engineering Literacy (TEL) Assessment. These task outlines are for the computer-based 8th grade 2013 pilot test in preparation for the 2014 operational assessment. The Board will be provided with secure test materials for review that cannot be discussed in an open meeting. Premature disclosure of these secure materials would significantly impede implementation of the NAEP assessments, and is therefore

protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On November 18, from 4:30 p.m. to 5:15 p.m., the Executive Committee will meet in open session and thereafter in closed session from 5:15 p.m. to 6:00 p.m. During the closed session on November 18, the Executive Committee will receive a briefing from the National Center for Education Statistics (NCES) on options for NAEP contracts covering assessment years beyond 2011 and discuss budget implications for the NAEP assessment schedule and for international linking studies. The discussion of contract options and costs will address the Congressionally mandated goals and Board policies on NAEP assessments. This part of the meeting must be conducted in closed session because public discussion of this information would disclose independent government cost estimates and contracting options, adversely impacting the confidentiality of the contracting process. Public disclosure of information discussed would significantly impede implementation of the NAEP contracts, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On November 19, the full Board will meet in open session from 8:15 a.m. to 9:45 a.m. The Board will review and approve the meeting agenda and meeting minutes from the August 2010 Board meeting, followed by the Chairman's remarks. Secretary Arne Duncan is scheduled to administer the oath of office for new Board members at 8:30 a.m. followed by remarks from new Board members. The Executive Director of the Governing Board will then provide a report to the Board followed by an update from the Acting Commissioner of the National Center for Education Statistics. The Board will recess for Committee meetings on November 19 from 10:00 a.m. to 12:30 p.m.

The Reporting and Dissemination Committee and the Committee on Standards, Design and methodology will meet in open session on November 19 from 10:00 a.m. to 12:00 p.m. The Assessment Development Committee will meet in open session from 10:00 a.m. to 12:00 p.m. and thereafter in closed session from 12:00 p.m. to 12:30 p.m. During the closed session, the Assessment Development Committee will receive an embargoed briefing on preliminary results from the writing computer-based 2010 pilot test at grades 8 and 12 in preparation for the 2011 operational assessment. This secure data cannot be discussed in an open meeting prior to official release. Premature disclosure of data would significantly

impede implementation of the NAEP assessment, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On November 19, from 12:45 p.m. to 1:45 p.m. the full Board will meet in closed session to receive a briefing on the 2009 National Assessment of Educational Progress (NAEP) Science Report Card. The Board will be provided with embargoed results that cannot be discussed in an open meeting prior to their official release. Premature disclosure of data would significantly impede implementation of the NAEP assessment, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

From 1:45 p.m. to 2:30 p.m. the Board will meet in open session to receive a report from the Governing Board/Council of Chief State School Officers Policy Task Force. Following this session, from 2:30 p.m. to 3:30 p.m., the Board will receive presentations by the two State assessment consortia working on the Common Core State Standards and Assessments. From 3:45 p.m. to 4:15 p.m., the Board will receive an update on 12th Grade Preparedness Research. At 4:15 p.m., Board members will receive their annual ethics briefing from the Office of General Counsel. The November 19, 2010 Board meeting is scheduled to conclude at 4:45 p.m.

On November 20, the Nominations Committee will meet in closed session from 7:30 a.m. to 8:15 a.m. to review and discuss specific names for Board vacancies, and their qualifications for Board membership for Board terms beginning October 1, 2011. These discussions pertain solely to internal personnel rules and practices of an agency and will disclose information of a personal nature where disclosure would constitute an unwarranted invasion of personal privacy. As such, the discussions are protected by exemptions 2 and 6 of section 552b(c) of Title 5 U.S.C.

The full Board will meet in closed session on November 20 from 8:30 a.m. to 9:45 a.m. to receive a briefing on the 2011 NAEP Computer-Based Writing Assessment, which will contain secure test information. Premature disclosure of the assessment items and the pilot test results would significantly impede implementation of the NAEP assessment, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

Thereafter, the Board will meet in open session to discuss the Future of the Governing Board and NAEP. At 11:00 a.m. the Board will receive Committee reports and take action on Committee recommendations. The November 20,

2010 session of the Board meeting is scheduled to adjourn at 12 noon.

Detailed minutes of the meeting, including summaries of the activities of the closed sessions and related matters that are informative to the public and consistent with the policy of section 5 U.S.C. 552b(c) will be available to the public within 14 days of the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite #825, 800 North Capitol Street, NW., Washington, DC, from 9:00 a.m. to 5:00 p.m. Eastern Time, Monday through Friday.
