

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to revise NSCC's fee schedule (as set forth in Addendum A of NSCC's Rules and Procedures) to adjust the trade recording fee for bonds to align the fee with the cost of providing the service. NSCC is adjusting the trade recording fee for each side of a bond item entered for settlement but not compared by NSCC from \$0.65 per side to \$0.85 per side.

In addition, NSCC is making technical changes to: (1) Clarify that trade recording fees for equities are incorporated into the Clearance Activity Fee set forth in Section II.A. of the fee schedule and (2) adjust the lettering and numbering of the Clearance Activity Fee as set forth in the fee schedule to provide greater clarity as to how the various components of that fee are summed.

The above fee change took effect on March 1, 2011. The textual changes to NSCC's rules can be found online at http://www.dtcc.com/downloads/legal/rule_filings/2011/nscc/2011-01.pdf.

NSCC states that the proposed rule change is consistent with the requirements of Section 17A of the Act⁴ and the rules and regulations thereunder because it updates NSCC's fee schedule to align the trade recording fee for bonds with the costs of providing the service and makes other technical changes that clarify how fees are calculated. NSCC asserts that the proposed rule change provides for the equitable allocation of fees among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

NSCC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

NSCC has not solicited or received written comments relating to the proposed rule change. NSCC will notify the Commission of any written comments it receives.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Sections

19(b)(3)(A)(ii) and 19(b)(3)(A)(iii) of the Act⁵ and Rules 19b-4(f)(2) and 19b-4(f)(4)⁶ thereunder because it (a) effects a change in an existing service of a registered clearing agency that does not adversely affect the safeguarding of securities and funds in the custody or control of the clearing agency or for which it is responsible and does not significantly affect the respective rights or obligations of the clearing agency or persons using the service and (b) establishes or changes a due, fee, or other charge applicable only to a member. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
