

effectively and efficiently transitioning technology and avoiding interruption to their business, which in turn benefits the market place.

The Exchange believes that this proposal is equitable and not unfairly discriminatory because the Exchange is offering the additional ports at no charge to all member organizations that transition technology. These member organizations who would receive the additional ports at no costs are being offered these services because they are in a special circumstance, a transition of technology, and this proposal would prevent additional extraordinary costs related to the transition.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹² At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-65197; File No. SR-EDGX-2011-27]

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend EDGX Rule 1.5(q)

August 25, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that, on August 19, 2011, EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

EDGX Exchange, Inc. ("EDGX" or the "Exchange"), proposes to amend EDGX Rule 1.5(q) to change the starting time of the Pre-Opening Session from 8 a.m. Eastern Time ("ET") to 7 a.m. E.T. The text of the proposed rule change is attached as Exhibit 5 and is available on the Exchange's Web site at <http://www.directedge.com>, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend EDGX Rule 1.5(q) to change the starting

time of the Pre-Opening Session from 8 a.m. ET to 7 a.m. ET. A conforming amendment is also made to Rule 14.1(c)(2) to change the reference for the start time of the Pre-Opening Session from 9 a.m.³ to 7 a.m.

The Exchange is a fully electronic system that accommodates diverse business models and trading preferences. The Exchange utilizes technology to aggregate and display liquidity and make it available for execution of orders. The Exchange is proposing to expand its operational hours to open the System⁴ earlier so that firms can enter orders and execute beginning at 7 a.m. rather than 8 a.m. This change will allow the Exchange to compete with other exchanges that open their markets for entry of orders prior to 8 a.m.⁵

The Exchange will provide notice to members in an information circular when this proposed rule change will be effective, which date will be no later than January 1, 2012.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁶ in general, and with Sections 6(b)(1) and 6(b)(5) of the Act,⁷ in particular, in that the proposal enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Act and to comply with and enforce compliance by members, member organizations, and persons associated with members and member organizations with provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange. The proposal is also consistent with Section 6 of the Act in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in, securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. An earlier opening time will enhance the

national market system by providing market participants increased opportunity to more effectively carry out the execution of orders in the manner addressed by Exchange rules. Such improvements will enhance the protection of investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. EDGX has satisfied this requirement.
