

providers of broadband Internet access service to publicly disclose accurate information regarding the network management practices, performance, and commercial terms of their broadband Internet access services sufficient for consumers to make informed choices regarding use of such services and for content, application, service, and device providers to develop, market, and maintain Internet offerings. The rules ensure transparency and continued Internet openness, while making clear that broadband providers can manage their networks effectively. The Commission anticipates that due to the extent and nature of their services small entities may have less of a burden and larger entities may have more of a burden than the average compliance burden.

**AGENCY:** Office of the Assistant Secretary for Planning and Evaluation, HHS.

**ACTION:** Notice of meeting.

**SUMMARY:** This notice announces public meetings of the Technical Advisory Panel on Medicare Trustee Reports (Panel). Notice of these meetings is given under the Federal Advisory Committee Act (5 U.S.C. App. 2, section 10(a)(1) and (a)(2)). The Panel will discuss the long range (75 year) projection methods and assumptions in projecting Medicare health expenditures and projecting National Health Expenditures and may make recommendations to the Medicare Trustees on how the Trustees might more accurately estimate health spending in the long run. The Panel's discussion is expected to be very technical in nature and will focus on the actuarial and economic assumptions and methods by which Trustees might more accurately project health spending. Although panelists are not limited in the topics they may discuss, the Panel is not expected to discuss or recommend changes in current or future Medicare provider payment rates or coverage policy.

**DATES:** September 26, 2011, 9:15 a.m. to 5 p.m.

**ADDRESSES:** The meeting will be held at HHS headquarters at 200 Independence Ave., SW., Washington, DC, 20201, Room 425A.

*Comments:* The meeting will allocate time on the agenda to hear public

Those wishing to attend the meeting must call or e-mail Dr. Oellerich by Friday September 23, 2011, so that their name may be put on a list of expected attendees and forwarded to the security officers at HHS Headquarters.

**SUPPLEMENTARY INFORMATION:** Topics of the Meeting: The Panel is specifically charged with discussing and possibly making recommendations to the Medicare Trustees on how the Trustees might more accurately project health spending in the United States. The discussion is expected to focus on highly technical aspects of estimation involving economics and actuarial science. Panelists are not restricted, however, in the topics that they choose to discuss.

*Procedure and Agenda:* This meeting is open to the public. The Panel will likely hear presentations by panel members and HHS staff regarding long range projection methods and assumptions. After any presentations, the Panel will deliberate openly on the topic. Interested persons may observe the deliberations, but the Panel will not hear public comments during this time. The Panel will also allow an open public session for any attendee to address issues specific to the topic.
