

(HTS) heading 9902.51.11); and (2) for worsted wool fabric with average fiber diameters of 18.5 microns or less (HTS heading 9902.51.12). On August 6, 2002, President Bush signed into law the Trade Act of 2002, which includes several amendments to Title V of the Act. On December 3, 2004, the Act was further amended pursuant to the Miscellaneous Trade Act of 2004, Public Law 108–429. The 2004 amendment included authority for the Department to allocate a TRQ for new HTS category, HTS 9902.51.16. This HTS category refers to worsted wool fabric with average fiber diameter of 18.5 microns or less. The amendment provided that HTS 9902.51.16 is for the benefit of persons (including firms, corporations, or other legal entities) who weave such worsted wool fabric in the United States that is suitable for making men's and boys' suits. The TRQ for HTS 9902.51.16 provided for temporary reductions in the import duties on 2,000,000 square meters annually for 2005 and 2006. The amendment requires that the TRQ be allocated to persons who weave worsted wool fabric with average fiber diameter of 18.5 microns or less, which is suitable for use in making men's and boys' suits, in the United States. On August 17, 2006, the Act was further amended pursuant to the Pension Protection Act of 2006, Public Law 109–280, which extended the TRQ for HTS 9902.51.16 through 2009. The Senate-passed Emergency Economic Stabilization Act of 2008 extending the TRQ for HTS 9902.51.16 through 2014.

On October 24, 2005, the Department adopted final regulations establishing procedures for allocating the TRQ. See 70 FR 61363; 19 CFR 335. In order to be eligible for an allocation, an applicant must submit an application on the form provided at http://otexa.ita.doc.gov/wooltrq/wool_fabric.htm to the address listed above by 5 p.m. on October 21, 2011 in compliance with the requirements of 15 CFR 335. Any business confidential information that is marked business confidential will be kept confidential and protected from disclosure to the full extent permitted by law.

Dated: September 14, 2011.

Kim Glas,

Deputy Assistant Secretary for Textiles and Apparel.

Request for Comments on World Health Organization Pandemic Influenza Preparedness Framework

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice and request for comments.

SUMMARY: The International Trade Administration invites submission of comments from the public and relevant industries on influenza surveillance and response, including implementation of the World Health Organization Pandemic Influenza Preparedness Framework (http://apps.who.int/gb/ebwha/pdf_files/WHA64/A64_8-en.pdf) and additional planning for future possible pandemic influenza.

DATES: Written comments must be submitted on or before October 21, 2011. Comments should be no more than 15 pages. Business-confidential information should be clearly identified as such.

ADDRESSES: You may submit comments by any of the following methods:

E-mail: Vaccines@trade.gov.

Fax: (202) 482–0975 (*Attn.:* Jane Earley).

Mail or Hand Delivery/Courier: Jane Earley, U.S. Department of Commerce, Office of Health and Consumer Goods, Room 1015, 1401 Constitution Avenue, NW., Washington, DC 20230.

FOR FURTHER INFORMATION CONTACT: For questions on the submission of comments, please contact Jane Earley by phone at (202) 482–6241 or Andrea Cornwell at (202) 482–0998.

SUPPLEMENTARY INFORMATION: Written comments are sought in light of the approval of the World Health Organization (WHO) Pandemic Influenza Preparedness Framework by WHO Member States at the World Health Assembly and the need for the U.S. Government to participate in discussions and activities to plan for future pandemics. The facts and information obtained from written submissions will be used to inform the participation of the United States Department of Commerce in the interagency process to prepare for United States participation in international pandemic preparedness discussions and activities, following the May 2011 approval of the WHO Pandemic Influenza Preparedness Framework. The written submissions will be shared with other interested U.S.

Government agencies, as needed, during the interagency process.

This agency previously requested comments on international pandemic influenza preparedness via the **Federal Register** on September 14, 2010; 75 FR 55776–55777.

The Department of Commerce invites comments from civil society organizations as well as pharmaceutical and medical technology industries and other interested members of the public on a number of issues regarding pandemic influenza preparedness and response.

The Department of Commerce invites written submissions on the following topics:

1. *Implementation of the WHO Pandemic Influenza Preparedness Framework.*

2. *Operations of the Global Influenza Surveillance and Response System.*

3. *Other matters related to prevention, planning and response whose resolution will be integral for the effective operation of a global influenza pandemic response.*

4. *Other matters that are related to the substance contained in 1–3, above.*

Upon receipt of the written submission, representatives from the Department of Commerce will consider them and share them, as needed, with other interested U.S. Government agencies and departments. Entities making submissions may be contacted for further information or explanation and, in some cases, meetings with individual submitters may be requested.

Dated: September 15, 2011.

James Rice,

Acting Director, Office of Health and Consumer Goods, International Trade Administration.
