#### SUPPLEMENTARY INFORMATION

##### I. Background

HUD is committed to meeting the goals of Executive Order 12898, “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations,” which states that each federal agency, with the law as its guide, should make environmental justice part of its mission. In this regard, HUD has developed its draft Environmental Justice Strategy (EJ Strategy). HUD’s EJ Strategy is a four-year plan to address environmental justice concerns and increase access to environmental benefits through HUD policies, programs, and activities. HUD’s EJ strategy can be found at [http://portal.hud.gov/hudportal/HUD?src=/program\\_offices/sustainable\\_housing\\_communities/HUD\\_Draft\\_Environmental\\_Justice\\_Strategy](http://portal.hud.gov/hudportal/HUD?src=/program_offices/sustainable_housing_communities/HUD_Draft_Environmental_Justice_Strategy).

The release of the draft is the latest step in a larger Administration-wide effort to ensure strong protection from environmental and health hazards for all Americans. In August, federal agencies signed the “Memorandum of Understanding on Environmental Justice and Executive Order 12898” (EJ MOU), which committed each agency to, among other things, finalizing an EJ strategy and releasing annual implementation reports. Links to the other federal EJ Strategies can be found on the Environmental Justice Interagency Workgroup Web page at <http://www.epa.gov/environmentaljustice/interagency/index.html>. Links will be available by Friday, October 7th.

HUD’s draft EJ Strategy will be open for public until November 14, 2011. Comments can be submitted by e-mailing [EJStrategy@hud.gov](mailto:EJStrategy@hud.gov). HUD will review the comments submitted, and is

targeting finalization of the strategy by February 2012. After the strategy is issued in final, HUD and its federal partners will continue to engage stakeholders through outreach, education and stakeholder events and respond to public comments through annual implementation reports.

[Docket No. FR–5477–N–40]

#### Federal Property Suitable as Facilities To Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:** Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW, Room 7266, Washington, DC 20410; telephone (202) 708–1234; TTY number for the hearing- and speech-impaired (202) 708–2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800–927–7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88–2503–OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the

three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the

landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *COE*: Mr. Scott Whiteford, Army Corps of Engineers, Real Estate, CEMP-CR, 441 G Street, NW., Washington, DC 20314; (202) 761-5542; *GSA*: Mr. John E.B. Smith, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street, NW., Room 7040, Washington, DC 20405; (202) 501-0084; *Interior*: Mr. Michael Wright, Acquisition & Property Management, Department of the Interior, 1801 Pennsylvania Ave., NW., 4th Floor, Washington, DC 20006; (202) 254-5522; *Navy*: Mr. Albert Johnson, Department of the Navy, Asset Management Division, Naval Facilities Engineering Command, Washington Navy Yard, 1330 Patterson Ave., SW., Suite 1000, Washington, DC 20374; (202) 685-9305 (These are not toll-free numbers).
