Federal Aviation Administration

Notice of Extension of Public Scoping Comment Period for the Air Tour Management Plan Program at Golden Gate National Recreation Area, San Francisco Maritime National Historical Park and Point Reyes National Seashore

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of extension of public scoping comment period for the Air Tour Management Plan Program at Golden Gate National Recreation Area, San Francisco Maritime National Historical Park and Point Reyes National Seashore.

This notice extends the public scoping comment period for the Air Tour Management Plan (ATMP) for Golden Gate National Recreation Area (GGNRA) and Point Reyes National Seashore (the Seashore) that was published in the **Federal Register** on July 28, 2011 (76 FR 45312). The original date that the comment period would end was September 28, 2011. During that time the National Park Service (NPS) Planning, Environment and Public Comment Web site (PEPC) experienced some technical complications that made it difficult for everyone's comments to be captured on the system. That public scoping comment period date will now be extended until October 21, 2011.

The FAA, with NPS as a cooperating agency, has initiated development of ATMPs for GGNRA and the Seashore. The ATMP for GGNRA will include Muir Woods National Monument and Fort Point National Historic Site, both directly managed by GGNRA, and the San Francisco Maritime National Historical Park (SF Maritime NHP), an independently managed national park unit adjacent to GGNRA.

The ATMPs are being developed pursuant to the National Parks Air Tour Management Act (NPATMA) of 2000 (Pub. L. 106-181) and it's implementing

regulations (14 Code of Federal Regulation [CFR] part 136, Subpart B, *National Parks Air Tour Management*). Per section 40128(b)(1)(B) of NPATMA, the objective of an ATMP shall be to develop acceptable and effective measures to mitigate or prevent significant adverse impacts, if any, of commercial air tour operations upon the natural and cultural resources, visitor experiences and tribal lands within or abutting GGNRA and the Seashore. It should be noted that an ATMP has no authorization over other non-air-tour operations such as military and general aviation. In compliance with the National Environmental Policy Act of 1969 (NEPA) and FAA Order 1050.1E, an Environmental Assessment (EA) is being prepared.

The FAA has granted Interim Operating Authority (IOA) to two commercial air tour operators to conduct air tours over GGNRA, SF Maritime NHP, and the Seashore.

The FAA and NPS are now inviting the public, agencies, tribes, and other interested parties to provide comments, suggestions, and input on the scope of issues and range of alternatives to be addressed in the environmental process.

DATES: By this notice, the FAA is extending the public scoping comment period for the EA for the individual ATMPs at GGNRA and SF Maritime NHP, and the Seashore. The original date that the comment period would end was September 28, 2011. That date will now be extended until October 21, 2011.
