The changes are as follows:

Section M.20, Functions is amended as follows:

The functional statements for the Office of Policy, Planning and Innovation (MD) and the Office of the Director (MD1) are replaced with the following:

Office of Policy, Planning, and Innovation (MD)

The mission of the Office of Policy, Planning, and Innovation (OPPI) is to develop, coordinate, and communicate SAMHSA policy to improve behavioral health in America's communities.

The Office represents SAMHSA at meetings, both internal and external, while promoting SAMHSA's profile in health services research by collaborating with other Departments and Agencies. These include, but are not limited to other operational divisions within the U.S. Department of Health and Human Services (such as the National Institutes of Health, the Centers for Disease Control and Prevention, and the Centers for Medicare and Medicaid Services). The primary intent is to facilitate the adoption of data-driven policies and practices by those working in the field to improve behavioral health outcomes. While SAMHSA's primary mission is to serve those with behavioral health needs and foster health improvements, many partners and allies exist within

other fields that also play a crucial role in supporting and improving behavioral health. OPPI will seek to influence these partners and allies to encourage inclusion of behavioral health within their policy initiatives. These objectives are accomplished, in part, by the following OPPI functions and associated directives. OPPI:

1. Facilitates the exchange of information and coordinates activity between SAMHSA and State, Regional, Tribal, Federal, National, and International partners.

2. Works with SAMHSA's Office of the Administrator (OA), and SAMHSA's Offices and Centers to foster a unified understanding and operationalization of policy and budget directions for SAMHSA.

3. Partners with SAMHSA's Centers and Offices to achieve policy alignment in communications, evaluation, operations, and programs.

4. Provides policy advice to the Administrator.

5. Provides policy leadership in cross-cutting issue areas (*e.g.*, Disparities, Tribal Issues, Health Reform, Trauma & Justice, Women's Services, *etc.*).

6. Provides staff support, portfolio tracking, and coordination services for the Strategic Initiatives leaders and/or teams.

Office of the Director (MD1)

As the chief policy advisor to the Administrator, SAMHSA, the OPPI Director leads the review and development of policy in close coordination with the Administrator, SAMHSA Centers and Offices, DHHS and other Federal Agencies, Tribal, State and local governments, Congress and private constituents and groups.

The Office of the Director serves in other duties designed to promote the organizational mission. These are detailed below:

1. Provides leadership and coordination of strategic planning and provides an integrated and structured approach to program policy analysis, coordination, development, and communication.

2. Coordinates and collaborates with the Office of Financial Resources (OFR) to assure consistency and integration of Agency program policy in budget formulation, and coordinates and collaborates with Centers and programs to assure consistency and integration of Agency policy across programs.

3. Coordinates and collaborates with the OFR on appropriations presentations, analyses, implementation plans and reporting, and with Center and Office leadership on SAMHSA and program authority.

4. Manages and directs the staff and all programmatic activity in the Office of Policy, Planning and Innovation.

Delegation of Authority

All delegations and re-delegations of authority to officers and employees of SAMHSA which were in effect immediately prior to the effective date of this reorganization shall continue to be in effect pending further re-delegations, provided they are consistent with this reorganization.

These organizational changes are effective: October 21, 2011.

Rose Shannon,

Director, Division of Executive Correspondence.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the

property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice.
