7 CFR Part 2

Revision of Delegations of Authority

AGENCY: Office of the Secretary, USDA.

ACTION: Final rule.

SUMMARY: This document amends the delegation of authority from the Secretary of Agriculture to the Director of the Office of Communications to serve as the central information authority for emergency public information activities. The Secretary further delegates to the Director of the Office of Communications the authority to serve as the central authority for the Department and agency strategic communications plans.

DATES: This rule is effective October 27, 2011.

FOR FURTHER INFORMATION CONTACT: Ronald N. DeMunbrun, Office of Communications Budget Officer, (202) 400-0827, ron.demunbrun@oc.usda.gov.

SUPPLEMENTARY INFORMATION: Effective June 6, 2010, the Secretary of Agriculture (Secretary) implemented within USDA a reorganization of the Office of Communications (OC), led by the Director of OC. This rulemaking amends USDA's delegations of authority at 7 CFR 2.36 principally to reflect this reorganization. Under the reorganized structure, the Director of OC assumes responsibility for USDA's strategic communications planning process. The Director of OC provides Departmental executive leadership in developing and implementing USDA's communications strategies for the Secretary and the agencies, including oversight of creative elements, production, and communications products.

This rule also amends the delegations of authority at 7 CFR 2.36 to reflect that the Director of OC is delegated

authority, when required under the National Incident Management System (NIMS), to establish and administer a Joint Information Center (JIC) to provide a structure for developing and delivering incident-related coordinated messages.

This rule relates to internal agency management. Therefore, pursuant to 5 U.S.C. 553(a)(2), notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. Further, because this rule relates to internal agency management, it is exempt from the provisions of Executive Order 12866. Finally, this action is not a rule as defined by the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, and is, therefore, exempt from the provisions of the Act. Accordingly, as authorized by 5 U.S.C. 808, this rule may be made effective upon publication. This rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).
