

351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Disclosure

We will disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

We are issuing and publishing the final results and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 7, 2011.

Paul Piquado,

Assistant Secretary for Import Administration.

Appendix I

Pure Magnesium From the People's Republic of China: Second Extension of Time for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

DATES: *Effective Date:* November 15, 2011.

FOR FURTHER INFORMATION CONTACT: Eve Wang, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6231.

Background

On June 8, 2011, the Department of Commerce ("the Department") published the preliminary results of this administrative review for the period May 1, 2009, to April 30, 2010. *See Pure Magnesium From the People's Republic of China: Preliminary Results of the 2009-2010 Antidumping Duty Administrative Review*, 76 FR 33194 (June 8, 2011). On September 16, 2011, the Department extended the deadline to issue the final results.¹ The final results of review are currently due on November 21, 2011.

Extension of Time Limits for the Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue final results within 120 days after the date on

which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. The Department determines that completion of the final results of the administrative review by the current deadline is not practicable. After interested parties submitted case and rebuttal briefs, the Department placed new information on the record² and allowed parties to submit comments thereon,³ and received additional comments and information. The Department requires additional time to consider this information and argument.

Because it is not practicable to complete this review within the time specified under the Act, we are again extending the time period for issuing the final results of the administrative review by additional 15 days, or until December 5, 2011, in accordance with section 751(a)(3)(A) of the Act.

We are publishing this notice pursuant to sections 751(a) and 777(i) of the Act.

Dated: November 7, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
