Rule 12d2-2; SEC File No. 270-86; OMB Control No. 3235-0080 Form 25.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a requests for approval of extension of the existing collection of information provided for the following rule: Rule 12d2-2 (17 CFR 240.12d2-2) and Form 25 (17 CFR 249.25).

On February 12, 1935, the Commission adopted Rule 12d2-2,<sup>1</sup> and Form 25 under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Act"), which sets forth the conditions and procedures under which a security may be delisted from an exchange and withdrawn from registration under Section 12(b) of the Act.<sup>2</sup> The Commission adopted amendments to Rule 12d2-2 and Form 25 in 2005.<sup>3</sup> Under the adopted Rule 12d2-2, all issuers and national securities exchanges seeking to delist and deregister a security in accordance with the rules of an exchange must file the adopted version of Form 25 with the Commission. The Commission also adopted amendments to Rule 19d-1 under the Act to require exchanges to file the adopted version of Form 25 as notice to the Commission under Section 19(d) of the Act. Finally, the Commission adopted amendments to exempt options and security futures from Section 12(d) of the Act. These amendments are intended to simplify the paperwork and procedure associated with a delisting and to unify general rules and procedures relating to the delisting process.

The Form 25 is useful because it informs the Commission that a security previously traded on an exchange is no longer traded. In addition, the Form 25 enables the Commission to verify that the delisting and/or deregistration has occurred in accordance with the rules of

the exchange. Further, the Form 25 helps to focus the attention of delisting issuers to make sure that they abide by the proper procedural and notice requirements associated with a delisting and/or deregistration. Without Rule 12d2-2 and the Form 25, as applicable, the Commission would be unable to fulfill its statutory responsibilities.

There are 15 national securities exchanges that trade equity securities that will be respondents subject to Rule 12d2-2 and Form 25.<sup>4</sup> The burden of complying with Rule 12d2-2 and Form 25 is not evenly distributed among the exchanges, however, since there are many more securities listed on the New York Stock Exchange, the NASDAQ Stock Market, and NYSE Amex than on the other exchanges. However, for purposes of this filing, the Commission staff has assumed that the number of responses is evenly divided among the exchanges. Since approximately 630 responses under Rule 12d2-2 and Form 25 for the purpose of delisting and/or deregistration of equity securities are received annually by the Commission from the national securities exchanges, the resultant aggregate annual reporting hour burden would be, assuming on average one hour per response, 630 annual burden hours for all exchanges (15 exchanges × an average of 42 responses per exchange × 1 hour per response). In addition, since approximately 118 responses are received by the Commission annually from issuers wishing to remove their securities from listing and registration on exchanges, the Commission staff estimates that the aggregate annual reporting hour burden on issuers would be, assuming on average one reporting hour per response, 118 annual burden hours for all issuers (118 issuers × 1 response per issuer × 1 hour per response). Accordingly, the total annual hour burden for all respondents to comply with Rule 12d2-2 is 748 hours (630 hours for exchanges + 118 hours for issuers). The related internal labor costs associated with these burden hours are \$40,784.50 total (\$33,232.50 for exchanges (\$52.75 per response × 630 responses) and \$7,552 for issuers (\$64 per response × 118 responses)).

The collection of information obligations imposed by Rule 12d2-2 and Form 25 are mandatory. The response will be available to the public and will not be kept confidential. The Commission may not conduct or sponsor a collection of information unless it displays a currently valid

control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Form 2-E and Rule 609; SEC File No. 270-222; OMB Control No. 3235-0233.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 609 (17 CFR 230.609) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) requires small business investment companies and business development companies that have engaged in offerings of securities that are exempt from registration pursuant to Regulation E under the Securities Act of 1933 (17 CFR 230.601 to 610a) to report semi-

annually on Form 2-E (17 CFR 239.201) the progress of the offering. The form solicits information such as the dates an offering commenced and was completed (if completed), the number of shares sold and still being offered, amounts received in the offering, and expenses and underwriting discounts incurred in the offering. The information provided on Form 2-E assists the staff in monitoring the progress of the offering and in determining whether the offering has stayed within the limits set for an offering exempt under Regulation E.

During the calendar year 2010, there was one filing of Form 2-E by one respondent. The Commission has previously estimated that the total annual burden associated with information collection and Form 2-E preparation and submission is four hours per filing. Based on the Commission's experience with disclosure documents generally, the Commission continues to believe that this estimate is appropriate.

Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. The collection of information under rule 609 and Form 2-E is mandatory. The information provided under rule 609 and Form 2-E will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
