#### Notice of Inventory Completion: Minnesota Indian Affairs Council, Bemidji, MN

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** The Minnesota Indian Affairs Council has completed an inventory of human remains in consultation with the appropriate Indian tribes, and has determined that there is no cultural affiliation between the remains and any present-day Indian tribe.

Representatives of any Indian tribe that believes itself to be culturally affiliated with the human remains may contact the Minnesota Indian Affairs Council.

Disposition of the human remains to the Indian tribes stated below may occur if no additional requestors come forward.

**DATES:** Representatives of any Indian tribe that believes it has a cultural affiliation with the human remains should contact the Minnesota Indian Affairs Council at the address below by January 4, 2012.

**ADDRESSES:** James L. (Jim) Jones, Cultural Resource Director, Minnesota Indian Affairs Council, 3801 Bemidji Avenue NW., Suite 5, Bemidji, MN 56601, telephone (218) 755-3223.

**SUPPLEMENTARY INFORMATION:** Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains in the possession of the Minnesota Indian Affairs Council (MIAC). The human remains were removed from Marshall County, MN.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3) and 43 CFR 10.11(d). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

#### Consultation

A detailed assessment of the human remains was made by the MIAC professional staff in consultation with representatives of the Lower Sioux Indian Community in the State of Minnesota; Prairie Island Indian Community in the State of Minnesota; Red Lake Band of Chippewa Indians, Minnesota; Sisseton-Wahpeton Oyate of the Lake Traverse Reservation, South Dakota; Turtle Mountain Band of Chippewa Indians of North Dakota (hereinafter referred to as "The Tribes").

#### History and Description of the Remains

In 1998, human remains representing, at minimum, three individuals were recovered from site 21-MA-70, Wright Quarry, in Marshall County during gravel quarrying operations by the Marshall County Highway Department. In 1999, the human remains were transferred to the Minnesota Office of the State Archaeologist. In 2002, the human remains were transferred to the MIAC (H375). No known individuals were identified. No associated funerary objects are present.

Examination of the site context by professional staff of the Minnesota Office of the State Archaeologist suggests a pre-contact burial site.

Additionally, a number of pre-historic sites are recorded in the immediate vicinity. Cranial, dental and femora morphology identify the human remains as American Indian. These human remains have no archeological classification and cannot be associated with any present-day Indian tribe.

In 2009, human remains representing, at minimum, one individual were unearthed from an unknown site in Warren, MN, during new home construction. The human remains were transferred to the Marshall County Sheriff's Department, to the Minnesota Bureau of Criminal Apprehension Laboratory, and then to the Human Identification Laboratory at the University of North Dakota for identification. The human remains were then transferred to the MIAC (H443). No known individuals were identified. No associated funerary objects are present.

The burial context and morphology of the human remains suggest identification as pre-contact American Indian. These human remains have no archeological classification and cannot be associated with any present-day Indian tribe.

#### Determinations Made by the Minnesota Indian Affairs Council

Officials of the MIAC have determined that:

- Based on non-destructive physical analysis and catalogue records, the human remains are Native American.
- Pursuant to 25 U.S.C. 3001(2), a relationship of shared group identity cannot be reasonably traced between the Native American human remains and any present-day Indian tribe.
- According to final judgments of the Indian Claims Commission, the land from which the Native American human remains were removed is the aboriginal land of The Tribes.

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of four individuals of Native American ancestry.

- Pursuant to 43 CFR 10.11(c)(1), the disposition of the human remains is to The Tribes.

#### Additional Requestors and Disposition

Representatives of any Indian tribe that believes itself to be culturally affiliated with the human remains or any other Indian tribe that believes it satisfies the criteria in 43 CFR 10.11(c)(1) should contact James L. (Jim) Jones, Cultural Resource Director, Minnesota Indian Affairs Council, 3801 Bemidji Avenue NW., Suite 5, Bemidji, MN 56601, telephone (218) 755-3223, before January 4, 2012. Disposition of

the human remains to The Tribes may proceed after that date if no additional requestors come forward.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-730]

### Certain Inkjet Ink Supplies and Components Thereof; Final Determination of Violation; Termination of Investigation; Issuance of General Exclusion Order

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has found a violation of section 337 in the above-captioned investigation and has issued a general exclusion order. The investigation is terminated.

**FOR FURTHER INFORMATION CONTACT:** Michael Liberman, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-3106. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on August 3, 2010, based on a complaint filed by Hewlett-Packard Company of Palo Alto, California and Hewlett-Packard Development Company, L.P. of Houston, Texas (collectively, "HP") alleging a violation of section 337 in the

importation, sale for importation, and sale within the United States after importation of certain inkjet ink supplies and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 6,959,985 and 7,104,630. 75 FR 45663 (Aug. 3, 2010).

Complainant named Mipo International, Ltd. of Atlanta, Georgia ("Mipo"); Mextec Group Inc. of Miami, Florida ("Mextec"); Shanghai Angel Printer Supplies Co., Ltd. of Shanghai, China ("Shanghai Angel"); Shenzhen Print Media Co., Ltd. of Guangdong, China ("Shenzhen"); Zhuhai National Resources & Jingjie Imaging Products Co., Ltd. of Guangdong, China ("Zhuhai National"); Tatrix International of Guangdong, China ("Tatrix"); and Ourway Image Co. Ltd. of Guangdong, China ("Ourway") as respondents. Subsequently, Mipo, Mextec, and Shenzhen were terminated from the investigation based on either a settlement agreement with HP or because HP withdrew its allegations against them. The remaining respondents, *i.e.*, Shanghai Angel, Zhuhai National, Tatrix, and Ourway (collectively, "Defaulting Respondents"), failed to answer the Complaint and Notice of Investigation and default judgments were granted against all the Defaulting Respondents.

On March 7, 2011, complainant HP filed a paper entitled "Motion for Summary Determination That a Domestic Industry Exists and That There Have Been Violations of Section 337 of the Tariff Act of 1930 (Amended) By the Defaulting Respondents and Complainants' Request for a General Exclusion Order." Complainant sought a determination that a domestic industry exists and that there has been a violation of Section 337 and requested a recommendation for a general exclusion order ("GEO"). On August 3, 2011, the ALJ issued an initial determination ("ID") (Order No. 14) granting complainant's motion for summary determination. The ID contained the ALJ's recommended determination on remedy and bonding including a recommendation for issuance of a GEO against the Defaulting Respondents. The ALJ also recommended that the Commission set a bond of 100 percent during the period of Presidential review.

On September 1, 2011, the Commission determined not to review the ID and requested briefing on remedy, the public interest, and bonding. Only HP and the Commission investigative attorney timely filed their respective submissions, containing proposed GEOs.

The Commission has determined that the appropriate form of relief is a GEO under 19 U.S.C. 1337(d)(2), prohibiting the unlicensed entry of inkjet cartridges and components thereof covered by one or more of claims 1-5, 7, 22-25, 27 and 28 of the '985 patent and claims 1-7, 11-12, 14, 26-30, 32, 34 and 35 of the '630 patent.

The Commission has further determined that the public interest factors enumerated in Section 337(d) (19 U.S.C. 1337(d)) do not preclude issuance of the GEO. The Commission has determined that the bond for temporary importation during the period of Presidential review (19 U.S.C. 1337(j)) shall be in the amount of 100 percent of the value of the imported articles that are subject to the order. The Commission's order was delivered to the President and the United States Trade Representative on the day of its issuance.

The authority for the Commission's determination is contained in Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.42-50 of the Commission's Rules of Practice and Procedure (19 CFR 210.42-50).

By order of the Commission.

Issued: November 29, 2011.
