

The entire meeting will be open to public attendance, with the exception of a portion that may be closed pursuant to 5 U.S.C. 552b(c)(2) and (6) to discuss organizational and personnel matters that relate solely to the internal personnel rules and practices of the ACRS, and information the release of which would constitute a clearly unwarranted invasion of personal privacy.

The agenda for the subject meeting shall be as follows:

Wednesday, March 7, 2012—12 p.m. Until 1 p.m.

The Subcommittee will discuss proposed ACRS activities and related matters. The Subcommittee will gather information, analyze relevant issues and facts, and formulate proposed positions and actions, as appropriate, for deliberation by the Full Committee.

Members of the public desiring to provide oral statements and/or written comments should notify the Designated Federal Official (DFO), Antonio Dias (Telephone 301-415-6805 or Email: Antonio.Dias@nrc.gov) five days prior to the meeting, if possible, so that arrangements can be made. Thirty-five hard copies of each presentation or handout should be provided to the DFO thirty minutes before the meeting. In addition, one electronic copy of each presentation should be emailed to the DFO one day before the meeting. If an electronic copy cannot be provided within this timeframe, presenters should provide the DFO with a CD containing each presentation at least thirty minutes before the meeting. Electronic recordings will be permitted only during those portions of the meeting that are open to the public. Detailed procedures for the conduct of and participation in ACRS meetings were published in the **Federal Register** on October 17, 2011, (76 FR 64126-64127).

Information regarding changes to the agenda, whether the meeting has been canceled or rescheduled, and the time allotted to present oral statements can be obtained by contacting the identified DFO. Moreover, in view of the possibility that the schedule for ACRS meetings may be adjusted by the Chairman as necessary to facilitate the conduct of the meeting, persons planning to attend should check with the DFO if such rescheduling would result in a major inconvenience.

If attending this meeting, please enter through the One White Flint North building, 11555 Rockville Pike, Rockville, MD. After registering with security, please contact Mr. Theron

Brown (240-888-9835) to be escorted to the meeting room.

SUPPLEMENTARY INFORMATION: On November 23, 2009, PBGC published (at 74 FR 61248) a proposed rule to amend the reportable events regulation to accommodate changes to the variable-rate premium rules made pursuant to the Pension Protection Act of 2006 (PPA 2006). The rule also proposed to eliminate most automatic waivers and filing extensions, create two new reportable events based on provisions in PPA 2006, and make other changes to the reportable events regulation as well as conforming changes. Public comment on the proposed rule was directed primarily at the proposed elimination of the waivers and extensions and was generally negative. In response to the comments and in the spirit of Executive Order 13563 on Improving Regulation and Regulatory Review, PBGC plans to issue a new proposal that will more effectively target troubled plans and sponsors while reducing burden for those that are financially sound. PBGC is requesting OMB to extend approval of the existing information collections since current approval will expire in March 2012.

Section 4043 of the Employee Retirement Income Security Act of 1974 (ERISA) requires plan administrators and plan sponsors to report certain plan and employer events to PBGC. The reporting requirements give PBGC notice of events that indicate plan or employer financial problems. PBGC uses the information provided in determining what, if any, action it needs to take. For example, PBGC might need to institute proceedings to terminate a plan (placing it in trusteeship) under section 4042 of ERISA to ensure the continued payment of benefits to plan participants and their beneficiaries or to prevent unreasonable increases in PBGC's losses.

Section 303(k) of ERISA and section 430(k) of the Internal Revenue Code of 1986 (Code) impose a lien in favor of an underfunded single-employer plan that is covered by the termination insurance

program under title IV of ERISA if (1) any person fails to make a contribution payment when due, and (2) the unpaid balance of that payment (including interest), when added to the aggregate unpaid balance of all preceding payments for which payment was not made when due (including interest), exceeds \$1 million. (For this purpose, a plan is underfunded if its funding target attainment percentage is less than 100 percent.) The lien is upon all property and rights to property belonging to the person or persons that are liable for required contributions (i.e., a contributing sponsor and each member of the controlled group of which that contributing sponsor is a member).

Only PBGC (or, at its direction, the plan's contributing sponsor or a member of the same controlled group) may perfect and enforce this lien. ERISA and the Code require persons committing payment failures to notify PBGC within 10 days of the due date whenever there is a failure to make a required payment and the total of the unpaid balances (including interest) exceeds \$1 million.

The provisions of section 4043 of ERISA and of sections 303(k) of ERISA and 430(k) of the Code have been implemented in PBGC's regulation on Reportable Events and Certain Other Notification Requirements (29 CFR part 4043). Subparts B and C of the regulation deal with reportable events, and subpart D deals with failures to make required contributions.

PBGC has issued Forms 10 and 10-Advance and related instructions under subparts B and C (approved under OMB control number 1212-0013) and Form 200 and related instructions under subpart D (approved under OMB control number 1212-0041). OMB approval of both of these collections of information expires March 31, 2012. PBGC is requesting that OMB extend its approval for three years, with minor changes. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that it will receive 1,030 reportable event notices per year under subparts B and C of the reportable events regulation using Forms 10 and 10-Advance and that the average annual burden of this collection of information is 5,400 hours and \$822,000. PBGC estimates that it will receive 110 notices of failure to make required contributions per year under subpart D of the reportable events regulation using Form 200 and that the average annual burden of this collection of information is 670 hours and \$102,000.

PBGC is soliciting public comments to—

- Evaluate whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collections of information, including the validity of the methodologies and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collections of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Issued in Washington, DC, this 7th day of February, 2012.

John H. Hanley,

Director, Legislative and Regulatory Department, Pension Benefit Guaranty Corporation.
