

certificate used to document that a motor vehicle driver or operator meets the minimum DOT physical requirements that the DOL has adopted. This information collection is currently approved for use through September 30, 2013. **Note:** The Paperwork Reduction Act package for the WH-514, WH-514A and WH-515 formerly approved under the Information Collection 1235-0017 are being rolled into this information collection.

II. *Review Focus:* The DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* The DOL seeks to extend the information collection requests for the Application for a Farm Labor Contractor or Farm Labor Contractor Employee Certificate of Registration; Motor Vehicle Safety for Transportation of Migrant and Seasonal Agricultural Workers and the Doctor's Certification (minimum physical requirements to drive a vehicle). Additionally, DOL seeks the approval of the revisions of the subject information collection requirements in the Farm Labor Contractor/Farm Labor Contractor Employee Application (WH-530) in order to verify that FLCs, AGERs, and AGASs have complied with all applicable safety standards. Transportation Authorization (T/A) and/or Driving Authorization (D/A) on the Farm Labor Contractor/Farm Labor Contractor Employee License may only be obtained once vehicle inspection (WH-514, -514a) and the Doctor's Certification (WH-515) have been provided.

NATIONAL SCIENCE FOUNDATION

Committee Management; Notice of Establishment

The Director of the National Science Foundation has determined that the establishment of the Advisory Committee for Innovation Corps is necessary and in the public interest in connection with the performance of duties imposed upon the National Science Foundation (NSF), by 42 U.S.C. 1861 *et seq.* This determination follows consultation with the Committee Management Secretariat, General Services Administration.

Name of Committee: Advisory Committee for Innovation Corps (#80463).

Purpose: The Committee will provide advice to the National Science Foundation (NSF) on the direction, development, and enhancement of the Innovation Corps (I-Corps) program. The I-Corps program creates an opportunity to assess the readiness of emerging technology concepts and research results that show the immediate potential for broader applicability and impact. These results

may be translated into valuable new technologies and products with near-term benefits to business, the economy and society. Specialized guidance may be addressed through the use of subcommittees, task groups or committees of visitors (COVs) within the structure of the Committee.

Responsible NSF Official: Dedric A. Carter, Senior Advisor for Strategic Initiatives, National Science Foundation, 4201 Wilson Boulevard, Arlington, VA 22230. Telephone: 703/292-8002.

Dated: February 23, 2012.

Susanne Bolton,

Committee Management Officer.
