Funding Requirements

Cost sharing: Cost sharing/matching funds are not required in this program. Indirect costs: No grant funds may be allocated to administrative or indirect costs. Indirect costs are those incurred for a common or joint purpose benefiting more than one cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved. For further information, see OMB Circular A–87 –Attachment B.

Personnel: Up to 25 percent of Federal funds may be allocated to full-time equivalent (FTE) positions. However, proposed budgets that exceed 25 percent for FTE personnel may be considered. The term, *full-time equivalent* (FTE), usually refers to fully benefitted positions. For grant purposes, the funding category, *Personnel*, includes FTE and non-FTE positions/costs. Examples of non-FTE personnel costs include stipends for teachers, wages to afterschool tutors, and costs for substitute teachers. FTE and non-FTE positions must be clearly delineated on the detailed budget (Appendix C).

Fringe benefits: Although fringe benefits for grant-funded FTE positions are an allowable cost, no grants funds may be allocated for administrative or indirect costs. Fringe Benefits are defined as costs in the form of employer contributions or expenses for social security; employee life, health, unemployment, and worker’s compensation insurance (except as indicated in OMB Circular A–87 (Attachment B, No. 22)), and other similar benefits for employees expected to work solely on this grant.

Equipment: “Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment defined above.” See DoD 3210.6–Rs 33.3 for additional information.

Evaluation: DoDEA requires that at least three percent of grant funds will be spent on a third-party evaluator. The third-party evaluator may not be a current employee of the LEA.

Grant meeting: In the Year 1 budget, LEAs must include \$3,000 for the project director and the third-party evaluator to attend a two-day meeting, which is expected to occur in

September 2012. Any funds not expended for the meeting may be realigned in the grant for other grant usage. **Note:** An LEA located outside the continental United States may wish to budget additional funds.

Submission Requirements

Applications are due Friday, April 13, 2012, by 11:59 p.m. (Eastern Time). All applications must be submitted electronically through www.grants.gov by the deadline. Applications received after the deadline will not be considered.

The following standards should be followed:

- A page is 8.5” x 11”, one side only, with 1” margins at the top, bottom, and both sides.
- Single space all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.
- Use a 12-point font; titles may be larger; charts may use a 10-point font.
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) may not be accepted.

Proposal Compliance

Failure to adhere to deadlines to be specified in the forthcoming application may result in proposal rejection. Any proposal received after the exact time and date specified for receipt will not be considered. DoDEA, at its sole discretion, may accept a late proposal if it determines that no advantage has been conferred and that the integrity of the grants process will not be compromised.
