

6(b)(5),⁹ in particular, because it is designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, to remove impediments to and to perfect the mechanism for a free and open market and a national market system and, in general, to protect investors and the public interest. Specifically, the Exchange believes that investors would benefit from the availability of mini-options contracts by making options on high priced securities more readily available as an investing tool and at more affordable and realistic prices, most notably for the average retail investor. As described above, the proposal contains a number of features designed to protect investors by reducing investor confusion, such as the mini-options contracts being designated by different trading symbols from their related standard contracts.¹⁰ Moreover, the proposal is designed to protect investors and the public interest by providing investors with an enhanced tool to reduce risk in high priced securities. In particular, the proposed contracts will provide retail customers who invest in high priced issues in lots of less than 100 shares with a means of protecting their investments that is presently only available to those who have positions of 100 shares or more. Further, the proposal currently is limited to five high priced securities for which there is already significant options liquidity, and therefore significant customer demand and trading volume.

April 3, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 29, 2012, NASDAQ OMX BX, Inc. ("Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Fee Schedule of the Boston Options Exchange Group, LLC ("BOX"). The text of the proposed rule change is attached as Exhibit 5.³ The text of the proposed rule change is available from the principal office of the Exchange, at the Commission's Public Reference Room, on the Commission's Web site at www.sec.gov, and also on the Exchange's Internet Web site at <http://nasdaqomxbx.cchwallstreet.com/NASDAQOMXB/Filings/>.

statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the BOX Fee Schedule lists fingerprint processing fees that are imposed on BOX Participants by the Financial Industry Regulatory Authority, Inc., ("FINRA") in connection with participation in FINRA's Web CRD registration system. The Exchange was recently notified by FINRA that, effective March 19, 2012, FINRA decreased the per card Initial Submission and Third Submission fees from \$30.25 to \$27.50. As such, the Exchange proposes to amend the BOX Fee Schedule to reflect this change.

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,⁴ in general, and Section 6(b)(4) of the Act,⁵ in particular, in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes the proposed change is reasonable because the fees for fingerprint processing will now be lower than they previously were. The proposed change is equitable and not unfairly discriminatory because the new, lower fingerprint processing fees will apply to all eligible parties. Further, this fee is not being assessed or set by BOX or the Exchange, but by FINRA.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is filed for immediate effectiveness pursuant to Section 19(b)(3)(A)(ii) of the Exchange Act⁶ and Rule 19b-4(f)(2) thereunder,⁷ because it establishes or changes a due, fee, or other charge applicable only to a member. As such, the proposed rule change is effective upon filing with the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

To help the Commission process and review your comments more efficiently, please use only one method.
