

## Note to Employees

For general questions about the employment eligibility verification process, employees may call the USCIS National Customer Service Center at 1-800-375-5283; calls are accepted in English and Spanish. Employees or applicants may also call the OSC Worker Information Hotline at 1-800-255-7688 (TDD for the hearing impaired is at 1-800-237-2515) for information regarding employment discrimination based upon citizenship or immigration status, or based on national origin, or for information regarding discrimination related to the Employment Eligibility Verification (Form I-9) and E-Verify. The OSC Worker Information Hotline provides language interpretation in numerous languages. In order to comply with the law, employers must accept any document or combination of documents acceptable for Employment Eligibility Verification (Form I-9) completion if the documentation reasonably appears to be genuine and to relate to the employee. Employers may not require extra or additional documentation beyond what is required for Employment Eligibility Verification (Form I-9) completion. Further, employers participating in E-verify who receive an E-verify initial mismatch ("tentative nonconfirmation" or "TNC") on employees must inform employees of the mismatch and give such employees an opportunity to challenge the mismatch. Employers are prohibited from taking adverse action against such employees based on the initial mismatch unless and until E-Verify returns a final nonconfirmation. For example, employers must allow employees challenging their mismatches to continue to work without any delay in start date or training, and without any change in hours or pay, while the final E-Verify determination remains pending. Additional information is available on the OSC Web site at <http://www.justice.gov/crt/about/osc> and the USCIS Web site at <http://www.dhs.gov/E-verify>.

## Note Regarding Federal, State and Local Government Agencies (Such as Departments of Motor Vehicles)

While federal government agencies must follow the guidelines laid out by the federal government, state and local government agencies are permitted to create their own guidelines when granting certain benefits. Each state may have different laws, requirements, and determinations about what documents you need to provide to prove eligibility for certain benefits. Whether you are applying for a federal, state, or local

government benefit, you may need to provide the government agency with documents that show you are a TPS beneficiary and/or show you are authorized to work based on TPS. Examples are:

- (1) Your expired EAD that has been automatically extended, or your EAD that has a valid expiration date;
- (2) A copy of this **Federal Register** notice if your EAD is automatically extended under this notice;
- (3) A copy of your Application for Temporary Protected Status Receipt Notice (Form I-797) for this re-registration;
- (4) A copy of your past or current Application for Temporary Protected Status Approval Notice (Form I-797), if you receive one from USCIS; and/or
- (5) If there is an automatic extension of work authorization, a copy of the fact sheet from the USCIS TPS Web site that provides information on the automatic extension.

Check with the government agency regarding which document(s) the agency will accept. You may also provide the agency with a copy of this notice.

Some benefit-granting agencies use the USCIS Systematic Alien Verification for Entitlements Program (SAVE) to verify the current immigration status of applicants for public benefits. If such an agency has denied your application based solely or in part on a SAVE response, the agency must offer you the opportunity to appeal the decision in accordance with the agency's procedures. If the agency has received and acted upon or will act upon a SAVE verification and you do not believe the response is correct, you may make an InfoPass appointment for an in-person interview at a local USCIS office. Detailed information on how to make corrections, make an appointment, or submit a written request can be found at the SAVE Web site at [www.uscis.gov/save](http://www.uscis.gov/save), then by choosing "How to Correct Your Records" from the menu on the right.

### Federal Emergency Management Agency

[Docket ID FEMA-2012-0003]

### Changes in Flood Hazard Determinations

**AGENCY:** Federal Emergency Management Agency, DHS.

**ACTION:** Final notice.

**SUMMARY:** New or modified Base (1% annual-chance) Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, and/or the regulatory floodway (hereinafter referred to as flood hazard determinations) as shown

on the indicated Letter of Map Revision (LOMR) for each of the communities listed in the table below are finalized. Each LOMR revises the Flood Insurance Rate Maps (FIRMs), and in some cases the Flood Insurance Study (FIS) reports, currently in effect for the listed communities. The flood hazard determinations modified by each LOMR will be used to calculate flood insurance premium rates for new buildings and their contents.

**DATES:** The effective date for each LOMR is indicated in the table below.

**ADDRESSES:** Each LOMR is available for inspection at both the respective Community Map Repository address listed in the table below and online through the FEMA Map Service Center at [www.msfc.fema.gov](http://www.msfc.fema.gov).

**FOR FURTHER INFORMATION CONTACT:** Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, FEMA, 500 C Street SW., Washington, DC 20472, (202) 646-4064, or (email) [Luis.Rodriguez3@fema.dhs.gov](mailto:Luis.Rodriguez3@fema.dhs.gov); or visit the FEMA Map Information eXchange (FMIX) online at [www.floodmaps.fema.gov/fhm/fmx\\_main.html](http://www.floodmaps.fema.gov/fhm/fmx_main.html).

**SUPPLEMENTARY INFORMATION:** The Federal Emergency Management Agency (FEMA) makes the final flood hazard determinations as shown in the LOMRs for each community listed in the table below. Notice of these modified flood hazard determinations has been published in newspapers of local circulation and ninety (90) days have elapsed since that publication. The Deputy Associate Administrator for Mitigation has resolved any appeals resulting from this notification.

The modified flood hazard determinations are made pursuant to section 206 of the Flood Disaster

Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

For rating purposes, the currently effective community number is shown and must be used for all new policies and renewals.

The new or modified flood hazard determinations are the basis for the floodplain management measures that the community is required either to adopt or to show evidence of being already in effect in order to remain qualified for participation in the National Flood Insurance Program (NFIP).

These new or modified flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities.

These new or modified flood hazard determinations are used to meet the floodplain management requirements of the NFIP and also are used to calculate the appropriate flood insurance premium rates for new buildings, and for the contents in those buildings. The changes in flood hazard determinations are in accordance with 44 CFR 65.4.

Interested lessees and owners of real property are encouraged to review the final flood hazard information available at the address cited below for each community or online through the FEMA Map Service Center at [www.msfc.fema.gov](http://www.msfc.fema.gov).
