Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. A redacted non-confidential version of the document must also be filed simultaneously with any confidential filing. All non-confidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of sections 201.10 and 210.50 of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.50).

By order of the Commission.

### Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On September 28, 2012, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Colorado in the lawsuit entitled *United States v. Elm Ridge Exploration Company LLC*, Civil Action No. 12–cv–02584.

The Consent Decree resolves alleged violations of the Clean Air Act's hazardous air pollutant control program at 42 U.S.C. 7412, and its Title V federal operating permits program at 42 U.S.C. 7661 at Elm Ridge's Ignacio Gas Treating Plant in La Plata County, Colorado, within the exterior boundaries of the Southern Ute Indian Reservation. The Consent Decree requires: (1) Payment of a civil penalty of \$207,150; (2) performance of a \$150,000 SEP to replace 50 residential wood stoves on the Reservation with cleaner wood or pellet stoves; (3) \$67,850 paid to EPA's Title V fee fund to recover unpaid Title V permit fees; (4) mitigation of past violations by replacing four engines not presently covered by the HAP regulations with newer, cleaner engines at a cost of approximately \$1,050,000; (5) injunctive provisions to ensure forward compliance with the Act's HAP control program on all eight engines at the Facility; (6) replacement of existing instrument gas systems with instrument air systems at a cost of \$125,000; and (7) a requirement that Elm Ridge submit an updated Title V permit application to the Southern Ute Indian Tribe, which has recently obtained delegated Title V authority.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Elm Ridge Exploration Company LLC*, D.J. Ref. No. 90–5–2–1–
