

reasonable to not charge the Initial Application Fee so as to avoid double-charging issuers for the listing of their shares of common or preferred stock or common stock equivalents. It is also equitable and not unfairly discriminatory to waive the Initial Application Fee because all such issuers would be eligible for the waiver of the Initial Application Fee. It is also equitable and not unfairly discriminatory because such issuers would be under no obligation to transfer their listing to the Exchange or dually list on the Exchange and would be disincentivized to do so if they were subject to the Initial Application Fee. In this regard, the waiver would contribute to providing issuers with the ability to choose the listing market that best suits their needs and that is the ideal market for listing their shares of common or preferred stock or common stock equivalents.

Overall, the Exchange believes that instances of the Initial Application Fee waiver being granted to issuers that apply to list on the Exchange will be relatively rare. Accordingly, the Exchange does not anticipate that it will experience any meaningful diminution in revenue as a result of the proposed waiver and therefore does not believe that the proposed waiver would in any way negatively affect its ability to continue to adequately fund its regulatory program or the services that the Exchange provides to issuers.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁹ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁰ thereunder, because it establishes a due, fee, or other charge imposed by the NYSE MKT.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions to and an extension of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden

estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers: (OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: *OIRA_Submission@omb.eop.gov*. Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: *OR.Reports.Clearance@ssa.gov*.

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than February 22, 2013. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. *Application for Benefits Under the Italy-U.S. International Social Security Agreement—20 CFR 404.1925—0960-0445*. As per the November 1, 1978 agreement between the United States and Italian Social Security agencies, residents of Italy filing an application

for U.S. Social Security benefits directly with one of the Italian Social Security agencies must complete Form SSA-2528. SSA uses the SSA-2528 to establish age, relationship, citizenship, marriage, death, military service, or to evaluate a family bible or other family record when determining eligibility for benefits. The Italian Social Security agencies assist applicants in completing Form SSA-2528, and then forward the application to SSA for processing. The respondents are individuals living in Italy who wish to file for U.S. Social Security benefits.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of responses	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-2528	300	1	20	100

2. *Internet Direct Deposit Application—31 CFR 210—0960-0634*. SSA requires all applicants and recipients of Social Security Old Age, Survivors, and Disability Insurance (OASDI) benefits, or Supplemental Security Income (SSI) payments to receive these benefits and payments via direct deposit at a financial institution. SSA receives Direct Deposit/Electronic Funds Transfer (DD/EFT) enrollment information from OASDI beneficiaries

and SSI recipients to facilitate DD/EFT of their funds with their chosen financial institution. We also use this information when an enrolled individual wishes to change their DD/EFT information. For the convenience of the respondents, we collect this information through several modalities, including an Internet application, in-office or telephone interviews, and our automated telephone system. In addition to using the direct deposit

information to enable DD/EFT of funds to the recipients' chosen financial institution, we also use the information through our Direct Deposit Fraud Indicator to ensure the correct recipient receives the funds. Respondents are OASDI beneficiaries and SSI recipients requesting that we enroll them in the Direct Deposit program or change their direct deposit banking information.

Type of Request: Extension of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
Internet DD	188,129	1	10	31,355
Non-Electronic Services (FO, 800#-ePath, MSSICS,SPS,MACADE,POS,RP)	6,455,815	1	12	1,291,163

Totals	6,891,009	1,354,460

3. *Certification of Contents of Document(s) or Record(s)—20 CFR 404.715—0960-0689*. SSA established procedures for individuals to provide the evidence necessary to establish their rights to Social Security benefits. Examples of such evidence categories include age, relationship, citizenship, marriage, death, and military service.

Form SSA-704 allows SSA employees, State record custodians, and other custodians of evidentiary documents to certify and record information from original documents and records under their custodial ownership to establish these types of evidence. SSA uses Form SSA-704 in situations where individuals cannot produce the original

evidentiary documentation required to establish benefits eligibility. The respondents are State record custodians and other custodians of evidentiary documents.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of responses	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-704	4,800	1	10	800

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than January 23, 2013. Individuals can obtain copies of the OMB clearance packages by writing to OR.Reports.Clearance@ssa.gov.

1. *Certificate of Support—20 CFR 404.370, 404.750, 404.408a—0960-0001*. A parent of a deceased, fully insured worker may be entitled to Social Security OASDI benefits based on the earnings record of the deceased worker under certain conditions. One of the conditions is the parent must have received at least one-half support from the deceased worker. The one-half support requirement also applies to a spousal applicant in determining

whether OASDI benefits are subject to Government Pension Offset (GPO). SSA uses the information from Form SSA-760-F4 to determine if the parent of a deceased worker or a spouse applicant meets the one-half support requirement. Respondents are (1) parents of deceased workers and (2) spouses who may meet the GPO exception.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-760-F4	18,000	1	15	4,500

2. *Physician's/Medical Officer's Statement of Patient's Capability to Manage Benefits—20 CFR 404.2015 and 416.615—0960-0024*. SSA appoints a representative payee in cases where we determine beneficiaries are not capable of managing their own benefits. In those instances, we require medical evidence

to determine the beneficiaries' capability of managing or directing their benefit payments. SSA collects medical evidence on Form SSA-787 to (1) determine beneficiaries' capability or inability to handle their own benefits, and (2) assist in determining the beneficiaries' need for a representative

payee. The respondents are the beneficiaries' physicians, or medical officers of the institution in which the beneficiaries reside.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-787	120,000	1	10	20,000

3. *Pre-1957 Military Service Federal Benefit Questionnaire—20 CFR 404.1301-404.1371—0960-0120*. SSA may grant gratuitous military wage credits for active military or naval service (under certain conditions) during the period September 16, 1940 through December 31, 1956, if no other Federal agency (other than the Veterans Administration) credited the service for

benefit eligibility or computation purposes. We use Form SSA-2512 to collect specific information about other Federal, military, or civilian benefits the wage earner may receive when the applicant indicates both pre-1957 military service and the receipt of a Federal benefit. SSA uses the data in the claims adjudication process to grant gratuitous military wage credits when

applicable, and to solicit sufficient information to determine eligibility. Respondents are applicants for Social Security benefits on a record where the wage earner claims pre-1957 military service.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-2512	5,000	1	10	833

4. *Authorization for the Social Security Administration to Obtain Account Records from a Financial Institution and Request for Records—20 CFR 416.200, 416.203—0960-0293*. SSA

collects and verifies financial information from individuals applying for SSI to determine if the applicant meets the SSI resource eligibility requirements. SSA contacts claimants'

financial institutions to verify the existence, ownership, and value of the account owned when the claimants provide incomplete, unavailable, or seemingly altered records. Financial

institutions require individuals to sign Form SSA-461-U2 to authorize them to disclose records to SSA. The

respondents are SSI applicants, recipients, and their deemors.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-4641 (paper)	44,100	1	6	4,410
e4641 (electronic)	6,955,900	1	2	231,863
Totals	7,000,000	236,273

5. *Statement of Household Expenses and Contributions—20 CFR 416.1130–416.1148—0960–0456.* SSA bases eligibility for SSI on the needs of the recipient. In part, we assess need by determining the amount of income a recipient receives. This income includes in-kind support and maintenance in the

form of food and shelter provided by others. SSA uses Form SSA-8011-F3 to determine whether the claimant or recipient receives in-kind support and maintenance. This is necessary to determine (1) the claimant or recipient's eligibility for SSI and (2) the SSI payment amount. SSA only uses this

form in cases where SSA needs the householder's (head of household) corroboration of in-kind support and maintenance. Respondents are householders of homes in which an SSI applicant or recipient resides.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-8011-F3	428,100	1	15	107,025

6. *Notification of a Social Security Number (SSN) to An Employer for Wage Reporting—20 CFR 422.103(a)—0960–0778.* Individuals applying for employment must provide an SSN or indicate they have applied for one.

However, when an individual applies for an initial SSN, there is a delay between the assignment of the number and the delivery of the SSN card. At an individual's request, SSA uses Form SSA-132 to send the individual's SSN

to an employer. Mailing this information to the employer (1) ensures the employer has the correct SSN for the individual; (2) allows SSA to receive correct earnings information for wage reporting purposes; and (3) reduces the delay in the initial SSN assignment and delivery of the SSN information directly to the employer. It also enables SSA to verify the employer as a safeguard for the applicant's personally identifiable information. The majority of individuals

who take advantage of this option are in the United States with exchange visitor and student visas; however, we allow any applicant for an SSN to use the SSA-132. The respondents are individuals applying for an initial SSN who ask SSA to mail confirmation of their application or the SSN to their employers.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-132	249,000	1	2	8,300

Dated: December 19, 2012.
