AGENCY: Office of the Comptroller of the Currency (OCC), Treasury.

Under the Paperwork Reduction Act of 1995 (PRA), Federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information and to allow 60 days for public comment in response to the notice.

In accordance with the requirements of the PRA, the OCC may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number.

The OCC is soliciting comment concerning renewal of its information collection titled, "Disclosure of Financial and Other Information by National Banks."

DATES: Comments must be submitted on or before April 29, 2013.

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information,

including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document.

Title: Disclosure of Financial and Other Information by National Banks (12 CFR 18).

OMB Control No.: 1557-0182.

Type of Review: Extension, without revision, of a currently approved collection.

Description: The collections of information are found in 12 CFR 18.3, 18.4, and 18.8. Section 18.3 requires the preparation of an annual disclosure statement and specifies how it must be made available to shareholders. Section 18.4 outlines what information the disclosure statement must contain, and provides that a bank may supplement its annual disclosure statement with an optional narrative. Lastly, § 18.8 requires that a national bank promptly furnish its annual disclosure statement upon request.

This program of periodic financial disclosure is needed not only to facilitate informed decision making by existing and potential customers and investors, but also to improve public understanding of, and confidence in, the financial condition of individual national banks and the national banking system. Further, financial disclosure reduces the likelihood that the market will overreact to incomplete information.
