

(i) Pay, in accordance with paragraph (b) of this section, whatever fees may be charged for processing the request; or

(ii) Pay such fees up to a specified amount, whereby the processing of the request would cease once the specified amount has been reached.

(2) Each request that contains an application for a fee waiver shall specifically indicate whether the requester, in the case that the fee waiver is not granted, will:

(i) Pay, in accordance with paragraph (b) of this section, whatever fees may be charged for processing the request;

(ii) Pay fees up to a specified amount, whereby the processing of the request would cease once the specified amount has been reached; or

(iii) Not pay fees, whereby the processing of the request will cease at the point fees are to be incurred in accordance with paragraph (b) of this section.

(3) If the agreement required by this section is absent, and if the estimated fees exceed \$25.00, the requester will be advised of the estimated fees and the request will not be processed until the requester agrees to pay such fees. If the requester does not respond to the notification that the estimated fees exceed \$25.00 within 10 calendar days from the date of the notification, the request will be closed.

(e) *Public interest fee waivers.* (1) *Procedures.* A requester may apply for a waiver of fees. The requester shall explain why a waiver is appropriate under the standards set forth in this paragraph. The application shall also include a statement, as provided by paragraph (d) of this section, of whether the requester agrees to pay costs if the waiver is denied. The deciding official (as designated by the General Counsel) will rule on applications for fee waivers. To appeal the deciding official's determination of the fee waiver, a requester must follow the procedures set forth in § 4.11(a)(3).

(2) *Standards.* (i) The first requirement for a fee waiver is that disclosure will likely contribute significantly to public understanding of the operations or activities of the government. This requirement shall be met if the requester establishes that:

(A) The subject matter of the requested information concerns the operations or activities of the Federal government;

(B) The disclosure is likely to contribute to an understanding of these operations or activities;

(C) The understanding to which disclosure is likely to contribute is the understanding of the public at large, as opposed to the understanding of the

individual requester or a narrow segment of interested persons; (e.g., by providing specific information about the requester's expertise in the subject area of the request and about the ability and intention to disseminate the information to the public); and

(D) The likely contribution to public understanding will be significant.

(ii) The second requirement for a fee waiver is that the request not be primarily in the commercial interest of the requester. This requirement shall be met if the requester shows either:

(A) That the requester does not have a commercial interest that would be furthered by the requested disclosure; or

(B) If the requester does have a commercial interest that would be furthered by the requested disclosure, that the public interest in disclosure outweighs the identified commercial interest of the requester that the disclosure is not primarily in the requester's commercial interest.

(f) *Searches that do not yield responsive records.* Charges may be assessed for search time even if the agency fails to locate any responsive records or if it locates only records that are determined to be exempt from disclosure.

(k) *Effect of the Debt Collection Act of 1982 (Pub. L. 97-365), as amended by the Debt Collection Improvement Act of 1996 (Pub. L. 104-134).* The Commission will pursue repayment, where appropriate, by employing the provisions of the Debt Collection Act of 1982, as amended by the Debt Collection Improvement Act of 1996, the Federal Claims Collection Standards (FCSS), 31 CFR 900-904, and any other applicable authorities in collecting unpaid fees assessed under this section, including disclosure to consumer reporting agencies and use of collection agencies. The FCSS does not limit the agency's ability to pursue other authorized remedies such as alternative dispute resolution and arbitration.

■ 3. In § 4.11, add paragraph (a)(3)(i)(A)(3) to read as follows:

(3) If an initial request for a fee waiver or reduction is denied, the requester may, within 30 days of the date of the letter notifying the requester of that decision, appeal such denial to the General Counsel. In unusual circumstances, the time to appeal may

#### Special Local Regulations and Safety Zones; Recurring Marine Events and Fireworks Displays Within the Fifth Coast Guard District

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** The Coast Guard proposes to revise the list of special local regulations and safety zones established for recurring marine events and fireworks displays at various locations within the geographic boundary of the Fifth Coast Guard District. This rulemaking proposes to revise Coast Guard regulations by adding 15 new annual recurring marine events, fireworks displays and revising event date(s) and coordinates for 31 previously established locations within the geographic boundary of the Fifth Coast Guard District. This proposed rule would also delete 21 previously listed marine events, fireworks displays and corresponding regulated areas that no longer occur. These regulations would apply to all events listed in the table attached to the regulation, and include events such as regattas, power boat races, marine parades, swimming races and fireworks displays. Special local regulations and safety zones are being proposed to provide for the safety of life on navigable waters during these events, reduce the Coast Guard’s administrative workload and expedite public notification of events. Entry into or movement within these proposed regulated areas during the enforcement periods is prohibited without approval of the appropriate Captain of the Port.
