

specific insurance policy) be utilized to fund or guarantee lease, operating, or regulatory responsibilities?

53. Under what circumstances should bonds or other forms of financial assurance be released?

54. What are typical costs for current forms of financial assurance (e.g., performance bonds, payment bonds, captives, trusts, treasury notes, third party indemnity agreements, insurance) available on the market and identify whether these are for an individual site or overall costs? What variables are associated with these costs? If collateral is required, how much must be posted?

BOEM seeks responses to the above questions, and seeks other relevant input regarding the development of a comprehensive risk management, financial assurance, and loss prevention program. BOEM encourages all interested parties to respond to these questions and to provide comments and information relevant to the development of such a program. BOEM will determine how to proceed after analyzing the comments received as a result of this ANPR.

General Permits and Permits by Rule for the Federal Minor New Source Review Program in Indian Country

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed rulemaking; extension of public comment period.

SUMMARY: The Environmental Protection Agency (EPA) is announcing that the period for providing public comments on the July 17, 2014, notice of proposed rulemaking for “General Permits and Permits by Rule for the Federal Minor New Source Review Program in Indian Country” is being extended by 30 days.

DATES: The public comment period for the notice of proposed rulemaking published July 17, 2014 (79 FR 41846), is being extended by 30 days to September 17, 2014, in order to provide

the public additional time to submit comments.

ADDRESSES: Written comments on the notice of proposed rulemaking may be submitted to the EPA electronically, by mail, by facsimile or through hand delivery/courier. Please refer to the notice of proposed rulemaking (79 FR 41846) for the addresses and detailed instructions. Publicly available documents relevant to this action are available for public inspection either electronically at <http://www.regulations.gov> or in hard copy at the EPA Docket Center, Room 3334, 1301 Constitution Ave. NW., Washington, DC. The Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. A reasonable fee may be charged for copying. The EPA has established the official public docket No. EPA–HQ–OAR–2011–0151.

A copy of this document will be posted in the regulations and standards section of our new source review (NSR) home page located at <http://www.epa.gov/nsr> and on the tribal NSR page at <http://www.epa.gov/air/tribal/tribalnsr.html>.

FOR FURTHER INFORMATION CONTACT: Mr. Christopher Stoneman, Outreach and Information Division, Office of Air Quality Planning and Standards, (C304–01), U.S. EPA, Research Triangle Park, NC 27711; telephone number (919) 541–0823, facsimile number (919) 541–0072; email address: stoneman.chris@epa.gov.

SUPPLEMENTARY INFORMATION: The EPA received two requests to extend the comment period on the July 17, 2014, notice of proposed rulemaking for “General Permits and Permits by Rule for the Federal Minor New Source Review Program in Indian Country.” Based on the evaluation of those requests and the level of interest in the notice of proposed rulemaking, the EPA is extending the public comment period for an additional 30 days. The public comment period will end on September 17, 2014, rather than August 18, 2014. This will ensure that the public has sufficient time to review and comment on all of the information available, including the notice of proposed rulemaking and other materials in the docket.

Revisions to the California State Implementation Plan, Placer County Air Pollution Control District, Negative Declarations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve revisions to the Placer County Air Pollution Control District (PCAPCD) portion of the California State Implementation Plan (SIP). These revisions concern negative declarations for volatile organic compound (VOC) source categories for the PCAPCD. We are proposing to approve these negative declarations under the Clean Air Act as amended in 1990 (CAA or the Act).

DATES: Any comments on this proposal must arrive by September 18, 2014.

ADDRESSES: Submit comments, identified by docket number EPA–R09–OAR–2014–0439, by one of the following methods:

1. *Federal eRulemaking Portal:* www.regulations.gov. Follow the on-line instructions.

2. *Email:* steckel.andrew@epa.gov.

3. *Mail or deliver:* Andrew Steckel (Air-4), U.S. Environmental Protection Agency Region IX, 75 Hawthorne Street, San Francisco, CA 94105–3901.

Instructions: All comments will be included in the public docket without change and may be made available online at www.regulations.gov, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through www.regulations.gov or email. www.regulations.gov is an “anonymous access” system, and EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send email directly to EPA, your email address will

be automatically captured and included as part of the public comment. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: Generally, documents in the docket for this action are available

electronically at www.regulations.gov and in hard copy at EPA Region IX, 75 Hawthorne Street, San Francisco, California 94105-3901. While all documents in the docket are listed at www.regulations.gov, some information may be publicly available only at the hard copy location (e.g., copyrighted material, large maps), and some may not be publicly available in either location (e.g., CBI). To inspect the hard copy materials, please schedule an

appointment during normal business hours with the contact listed in the **FOR FURTHER INFORMATION CONTACT** section.

FOR FURTHER INFORMATION CONTACT: Stanley Tong, EPA Region IX, (415) 947-4122, tong.stanley@epa.gov.

In the Rules and Regulations section of this **Federal Register**, we are approving these negative declarations in a direct final action without prior proposal because we believe these negative declarations are not controversial. If we receive adverse comments, however, we will publish a timely withdrawal of the direct final rule and address the comments in a subsequent action based on this proposed rule. Please note that if we receive adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, we may adopt as final those provisions

of the rule that are not the subject of an adverse comment.

We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.
