SUMMARY: The Environmental Protection Agency (EPA), Region 2, announces the deletion of the Consolidated Iron and Metal Superfund Site (Site) located in the City of Newburgh, Orange County, New York, from the National Priorities List (NPL). The NPL, promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, as amended, is an appendix of the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). The EPA and the State of New York, through the New York State Department of Environmental Conservation (NYSDEC), have determined that all appropriate response actions under CERCLA, other than operation, maintenance, and five-year reviews, have been completed. However, this deletion does not preclude future actions under Superfund.

DATES: This action is effective on December 3, 2014.

SUPPLEMENTARY INFORMATION: The site to be deleted from the NPL is: Consolidated Iron and Metal Superfund Site, City of Newburgh, Orange County, New York. A Notice of Intent to Delete for this Site was published in the **Federal Register** FRL-9917-27-Region-2 on October 1, 2014, (79 FR 59182).

The closing date for comments on the Notice of Intent to Delete was October 30, 2014. No adverse public comments were received and therefore no response to comments was required. The deletion action is appropriate.

EPA maintains the NPL as the list of sites that appear to present a significant risk to public health, welfare, or the environment. Deletion from the NPL does not preclude further remedial action. Whenever there is a significant release from a site deleted from the NPL, the deleted site may be restored to the NPL without application of the hazard ranking system. Deletion of a site from the NPL does not affect responsible party liability in the unlikely event that future conditions warrant further actions.

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Centers for Medicare & Medicaid Services****42 CFR Part 447****CMS-2315-FJ****RIN 0938-AQ37****Medicaid Program; Disproportionate Share Hospital Payments—Uninsured Definition**

AGENCY: Centers for Medicare & Medicaid Services (CMS), HHS.

ACTION: Final rule.

SUMMARY: This final rule addresses the hospital-specific limitation on Medicaid disproportionate share hospital (DSH) payments under the Social Security Act (the Act). Under this limitation, DSH payments to a hospital cannot exceed the uncompensated costs of furnishing hospital services by the hospital to individuals who are Medicaid-eligible or “have no health insurance (or other source of third party coverage) for the services furnished during the year.” This rule provides that, in auditing DSH payments, the quoted test will be applied on a service-specific basis; so that the calculation of uncompensated care for purposes of the hospital-specific DSH limit will include the cost of each service furnished to an individual by that hospital for which the individual had no health insurance or other source of third party coverage.

DATES: Effective December 31, 2014.
