Background

On November 12, 2014, a petition was filed with the Commission and Commerce by Cornerstone Chemical Company, Waggaman, Louisiana, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of melamine from China and Trinidad and Tobago. Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International

Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of November 18, 2014 (79 FR 68699). The conference was held in Washington, DC, on December 3, 2014, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on December 30, 2014. The views of the Commission are contained in USITC Publication 4514 (January 2015), entitled *Melamine from China and Trinidad and Tobago: Investigation Nos. 701-TA-526-527 and 731-TA-1262-1263 (Preliminary)*.
