

Executive Order 12898, entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations” (59 FR 7629, February 16, 1994).

Since tolerances and exemptions that are established on the basis of a petition under FFDCA section 408(d), such as the tolerance in this final rule, do not require the issuance of a proposed rule, the requirements of the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 *et seq.*), do not apply.

This action directly regulates growers, food processors, food handlers, and food retailers, not States or tribes, nor does this action alter the relationships or distribution of power and responsibilities established by Congress in the preemption provisions of FFDCA section 408(n)(4). As such, the Agency has determined that this action will not have a substantial direct effect on States or tribal governments, on the relationship between the national government and the States or tribal governments, or on the distribution of power and responsibilities among the various levels of government or between the Federal Government and Indian tribes. Thus, the Agency has determined that Executive Order 13132, entitled “Federalism” (64 FR 43255, August 10, 1999) and Executive Order 13175, entitled “Consultation and Coordination with Indian Tribal Governments” (65 FR 67249, November 9, 2000) do not apply to this action. In addition, this action does not impose any enforceable duty or contain any unfunded mandate as described under Title II of the Unfunded Mandates Reform Act (UMRA) (2 U.S.C. 1501 *et seq.*).

This action does not involve any technical standards that would require Agency consideration of voluntary consensus standards pursuant to section 12(d) of the National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note).

VII. Congressional Review Act

Pursuant to the Congressional Review Act (5 U.S.C. 801 *et seq.*), EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. This action is not a “major rule” as defined by 5 U.S.C. 804(2).

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 73

[**MB Docket No. 15-88; RM-11747; DA 15-584**]

Television Broadcasting Services; Bend, Oregon

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: The Commission has before it a Notice of Proposed Rulemaking issued in response to a petition for rulemaking filed by TDS Broadcasting LLC (“TDS”), the licensee of KOHD, channel 51, Bend, Oregon, requesting the substitution of channel 18 for channel 51 at Bend. TDS filed comments reaffirming its interest in the proposed channel substitution and stated that if the proposal is granted, it will promptly

file an application for the facilities specified in its rulemaking petition and construct the station. TDS also reiterates that the grant of the petition would serve the public interest because its operation on channel 18 would eliminate potential interference to and from wireless operations in the Lower 700 MHz A Block located adjacent to channel 51 in Portland, Oregon market, permitting the wireless licensee to expand service to additional consumers sooner than would otherwise be possible.

DATES: This rule is effective May 20, 2015.

General Services Administration Acquisition Regulation (GSAR); Unique Item Identification (UID)

AGENCIES: Office of Acquisition Policy, General Services Administration (GSA).

ACTION: Final rule.

SUMMARY: The General Services Administration (GSA) is issuing a final rule amending the General Services Administration Acquisition Regulation (GSAR) to remove the GSAR clause Unique Item Identification.

DATES: *Effective:* May 20, 2015.

FOR FURTHER INFORMATION CONTACT: Mr. James Tsujimoto, Program Analyst, at 202-208-3585, or via email at james.tsujimoto@gsa.gov for

clarification of content. For information pertaining to status or publication schedules, contact the Regulatory Secretariat at 202-501-4755. Please cite GSAR case 2014-G504.

SUPPLEMENTARY INFORMATION:

I. Background

GSA published a proposed rule with a request for public comments in the **Federal Register** at 80 FR 6037 on February 4, 2015, to amend the GSAR to delete GSAR clause 552.211-93, Unique Item Identification (UID), and provide other conforming changes. No public comments were received on the proposed rule.

II. Discussion and Analysis

There were no comments received in response to the proposed rule by its closing date of April 6, 2015. Therefore, there are no changes made in the proposed rule.

III. Executive Orders 12866 and 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

IV. Regulatory Flexibility Act

The General Services Administration certifies that this final rule will not have

a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the deletion of the clause will not substantively change the reporting, recordkeeping, or compliance requirements for contractors.

V. Paperwork Reduction Act

The final rule does not contain any information collection requirements that require the approval of the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. chapter 35).
