

DEPARTMENT OF COMMERCE**National Oceanic and Atmospheric Administration****Proposed Information Collection; Comment Request; Atlantic Highly Migratory Species Tournament Registration and Reporting**

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before October 5, 2015.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at Jjessup@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Katie Davis, (727) 824-5399 or Katie.Davis@noaa.gov.

SUPPLEMENTARY INFORMATION:**I. Abstract**

This request is for extension of a currently approved information collection. Under the provisions of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 *et seq.*), National Oceanic and Atmospheric Administration's (NOAA) National Marine Fisheries Service (NMFS) is responsible for management of the nation's marine fisheries. Existing regulations require operators of tournaments involving Atlantic highly migratory species (HMS: Atlantic swordfish, sharks, billfish, and tunas) to register four weeks in advance of the Atlantic Highly Migratory Species Tournament. Operators must provide contact information and the tournament's date(s), location(s), and target species. If selected by NMFS, operators are required to submit an HMS tournament summary report within seven days after tournament fishing has ended. Most of the catch data in the summary report is routinely collected in the course of regular tournament operations. NMFS uses the

data to estimate the total annual catch of HMS and the impact of tournament operations in relation to other types of fishing activities. In addition, HMS tournament registration provides a method for tournament operators to request educational and regulatory outreach materials from NMFS.

II. Method of Collection

Operators have a choice of either electronic or paper forms. Methods of submittal include email of electronic forms, and mail and facsimile transmission of paper forms. An online registration site is currently in beta testing.

III. Data

OMB Control Number: 0648-0323.

Form Number(s): None.

Type of Review: Regular submission (extension of a current information collection).

Affected Public: Business or other for-profit organizations; not-for-profit institutions.

Estimated Number of Respondents: 300.

Estimated Time per Response: Tournament registration, 2 minutes; tournament summary reporting, 20 minutes.

Estimated Total Annual Burden Hours: 110.

Estimated Total Annual Cost to Public: \$150 in recordkeeping/reporting costs.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.
