

the final results of this review is not zero or *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review where applicable.

In accordance with the Department's "automatic assessment" practice, for entries of subject merchandise during the POR produced by each respondent for which they did not know that their merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for respondents noted above will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 15.45 percent, the all-others rate established in the antidumping investigation as modified by the section 129

Thus, we are initiating a new shipper review.

DATES: *Effective date:* August 7, 2015.

SUPPLEMENTARY INFORMATION:

Background

The antidumping duty order on cased pencils from the PRC published in the *Federal Register* on December 28, 1994.⁴ Pursuant to section 751(a)(2)(B)(i) of the Act, we received a timely request for a new shipper review of the *Order* from Wah Yuen.⁵ Wah Yuen certified that it is both the producer and exporter of the subject merchandise upon which its request was based.⁶

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), Wah Yuen certified that it did not export subject merchandise to the United States during the period of investigation (POI).⁷ In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Wah Yuen certified that, since the initiation of the investigation, it has

never been affiliated with any exporter or producer who exported subject merchandise to the United States during the POI, including those respondents not individually examined during the POI.⁸ As required by 19 CFR 351.214(b)(2)(iii)(B), Wah Yuen also certified that its export activities are not controlled by the government of the PRC.⁹

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2), Wah Yuen submitted documentation establishing the following: (1) The date on which it first shipped subject merchandise for export to the United States; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.¹⁰

Period of Review

In accordance with 19 CFR 351.214(g)(1)(B), the period of review (POR) for new shipper reviews initiated in the month immediately following the semiannual anniversary month will be the six-month period immediately preceding the semiannual anniversary month. Therefore, based on the *Order*, the POR for this NSR is December 1, 2014, through May 31, 2015.

Initiation of New Shipper Reviews

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), the Department finds that the request from Wah Yuen meets threshold requirements for the initiation of a new shipper review of shipments of cased pencils from the PRC produced and exported by Wah Yuen.¹¹

The Department intends to issue the preliminary results of this new shipper review no later than 180 days from the date of initiation and the final results of the review no later than 90 days after the date the preliminary results are issued.¹² It is the Department's usual practice, in cases involving non-market economy countries, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the

company's export activities.¹³ Accordingly, we will issue a questionnaire to Wah Yuen that will include a section requesting information concerning its eligibility for a separate rate. The new shipper review of Wah Yuen will be rescinded if the Department determines that the new shipper applicant has not demonstrated that it is eligible for a separate rate.

We will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for the entry of the subject merchandise from Wah Yuen, in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Specifically, the bonding privilege will apply only to entries of subject merchandise exported and produced by Wah Yuen, the sales of which are the basis for this NSR request.
