

Message Set used for importation of TTB-regulated commodities will be consistent with the TTB regulations established for those commodities.

To apply to participate in the pilot program, please contact John Kyranos, Regulations and Rulings Division, Alcohol and Tobacco Tax and Trade Bureau, 1310 G Street NW., Box 12, Washington, DC 20005; telephone (202) 453-2265, extension 001; or email regulations@ttb.gov. In addition, participants may have different start dates.

Draft Filing Instructions Available for Comment

To facilitate implementation of ITDS and ACE for importers of alcohol and tobacco products, TTB is making available for review and comment a draft document containing instructions for importers of TTB-regulated articles on how to use the new system.

The draft ACE Filing Instructions for TTB-Regulated Commodities document made available via this notice is intended to provide a framework for discussion, review, and comment, in order to aid the system development. The draft Filing Instructions document also reflects requirements that TTB may propose through the future publication in the **Federal Register** of a notice of proposed rulemaking, with a solicitation for public comment. The comments TTB receives on that notice of proposed rulemaking, as well as the comments received on the draft Filing Instructions themselves through this notice, may result in changes to the Filing Instructions.

The draft Filing Instructions are available on Regulations.gov as part of Docket No. TTB-2015-0012 on Regulations.gov. You can also obtain a copy by contacting John Kyranos as described above.
