DEPARTMENT OF THE TREASURY

Internal Revenue Service

26 CFR Part 1

[TD 9729]

RIN 1545-BJ42

Basis in Interests in Tax-Exempt Trusts

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Final regulations.

SUMMARY: This document contains final regulations that provide rules for determining a taxable beneficiary's basis in a term interest in a charitable remainder trust (CRT) upon a sale or other disposition of all interests in the trust to the extent that basis consists of a share of adjusted uniform basis. The final regulations affect taxable beneficiaries of CRTs.

DATES: *Effective date:* These final regulations are effective on August 13, 2015.

Applicability date: These final regulations apply to sales and other dispositions of interests in CRTs occurring on or after January 16, 2014, except for sales or dispositions occurring pursuant to a binding

commitment entered into before January 16, 2014.

FOR FURTHER INFORMATION CONTACT:

Allison R. Carmody at (202) 317-5279 (not a toll-free number).

SUPPLEMENTARY INFORMATION:**Background**

This document contains amendments to 26 CFR part 1. On October 31, 2008, the Treasury Department and the IRS published Notice 2008-99 (2008-47 IRB 1194) to designate a transaction and substantially similar transactions as Transactions of Interest under § 1.6011-4(b)(6) of the Income Tax Regulations and to ask for public comments on how the transactions might be addressed in published guidance. After studying the transaction and comments received from the public in response to Notice 2008-99, the Treasury Department and the IRS filed a notice of proposed rulemaking (REG-154890-03) relating to basis in interests in tax-exempt trusts in the **Federal Register** on January 16, 2014. No comments were received from the public in response to the notice of proposed rulemaking. No public hearing was requested or held. The proposed regulations are adopted without change by this Treasury decision.

Explanation of Provisions

These final regulations provide a special rule for determining the basis in certain CRT term interests in transactions to which section 1001(e)(3) applies. Such transactions are those in which the sale or other disposition of the CRT term interest is part of a transaction in which all interests in the

CRT are transferred. In these cases, these final regulations provide that the basis of a term interest of a taxable beneficiary is the portion of the adjusted uniform basis assignable to that interest reduced by the portion of the sum of the following amounts assignable to that interest: (1) The amount of undistributed net ordinary income described in section 664(b)(1); and (2) the amount of undistributed net capital gain described in section 664(b)(2). These final regulations do not affect the CRT's basis in its assets but rather are for the purpose of determining a taxable beneficiary's gain arising from a transaction described in section 1001(e)(3). The rules in these final regulations are limited in application to charitable remainder annuity trusts and charitable remainder unitrusts as defined in section 664.

Effect on Other Documents

Notice 2008-99 provides that, when the Treasury Department and the IRS have gathered enough information to make an informed decision as to whether this transaction is a tax avoidance type of transaction, the Treasury Department and the IRS may take one or more actions, including removing the transaction from the transactions of interest category in published guidance, designating the transaction as a listed transaction, or providing a new category of reportable transaction. Because the Treasury Department and the IRS believe that these final regulations address the proper tax treatment of the transaction described in Notice 2008-99,

transactions that are the same as, or substantially similar to, transactions described in Notice 2008–99 are no longer considered “transactions of interest,” effective for transactions entered into on or after January 16, 2014. However, the “transaction of interest” identification for transactions that are the same as, or substantially similar to, the transaction described in Notice 2008–99 continues to apply for transactions entered into before January 16, 2014, and to transactions entered into on or after January 16, 2014, pursuant to a binding commitment entered into before January 16, 2014. For example, disclosure and other obligations under sections 6011, 6111, and 6112 continue to apply for these transactions entered into before January 16, 2014, and to transactions entered into on or after January 16, 2014, pursuant to a binding commitment entered into before January 16, 2014.

Effective/Applicability Date

These final regulations apply to sales and other dispositions of interests in CRTs occurring on or after January 16, 2014, except for sales or dispositions occurring pursuant to a binding commitment entered into before January 16, 2014. However, the fact that a sale or disposition occurred, or a binding commitment to complete a sale or disposition was entered into, before January 16, 2014, does not preclude the IRS from applying legal arguments available to the IRS before issuance of these final regulations in order to contest the claimed tax treatment of such a transaction.

Availability of IRS Documents

The IRS notice cited in this preamble is published in the Internal Revenue Bulletin and is available at the IRS Web site at <http://www.irs.gov> or the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402.

Special Analyses

Certain IRS regulations, including this one, are exempt from the requirements of Executive Order 12866, as supplemented and reaffirmed by Executive Order 13563. Therefore, a regulatory impact assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these final regulations, and the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply to these final regulations because the final regulations do not impose a collection of information on small entities. Therefore, a Regulatory Flexibility Analysis is not

required. Pursuant to section 7805(f) of the Internal Revenue Code, the notice of proposed rulemaking preceding this regulation was submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Drafting Information

The principal author of these final regulations is Allison R. Carmody of the Office of Associate Chief Counsel (Passthroughs and Special Industries). Other personnel from the Treasury Department and the IRS participated in their development.

List of Subjects in 26 CFR Part 1

Income taxes, Reporting and recordkeeping requirements.

Adoption of Amendments to the Regulations

■ Accordingly, 26 CFR part 1 is amended as follows:

PART 1—INCOME TAXES

■ **Paragraph 1.** The authority citation for part 1 continues to read in part as follows:

Authority: 26 U.S.C. 7805 * * *

§ 1.1001–1 [Amended]

■ **Par. 2.** Section 1.1001–1, paragraph (f)(4), is amended by removing the language “paragraph (c)” and adding “paragraph (d)” in its place.

■ **Par. 3.** Section 1.1014–5 is amended by:

■ 1. In paragraph (a)(1), first sentence, removing the language “paragraph (b)” and adding “paragraph (b) or (c)” in its place.

■ 2. Redesignating paragraph (c) as paragraph (d) and adding paragraph (c).

■ 3. In newly redesignated paragraph (d), adding *Example 7* and *Example 8*.

The additions read as follows:

§ 1.1014–5 Gain or loss.

* * * * *

(c) *Sale or other disposition of a term interest in a tax-exempt trust—(1) In general.* In the case of any sale or other disposition by a taxable beneficiary of a term interest (as defined in § 1.1001–1(f)(2)) in a tax-exempt trust (as defined in paragraph (c)(2) of this section) to which section 1001(e)(3) applies, the taxable beneficiary’s share of adjusted uniform basis, determined as of (and immediately before) the sale or disposition of that interest, is—

(i) That part of the adjusted uniform basis assignable to the term interest of the taxable beneficiary under the rules of paragraph (a) of this section reduced, but not below zero, by

(ii) An amount determined by applying the same actuarial share applied in paragraph (c)(1)(i) of this section to the sum of—

(A) The trust’s undistributed net ordinary income within the meaning of section 664(b)(1) and § 1.664–1(d)(1)(ii)(a)(1) for the current and prior taxable years of the trust, if any; and

(B) The trust’s undistributed net capital gains within the meaning of section 664(b)(2) and § 1.664–1(d)(1)(ii)(a)(2) for the current and prior taxable years of the trust, if any.

(2) *Tax-exempt trust defined.* For purposes of this section, the term *tax-exempt trust* means a charitable remainder annuity trust or a charitable remainder unitrust as defined in section 664.

(3) *Taxable beneficiary defined.* For purposes of this section, the term *taxable beneficiary* means any person other than an organization described in section 170(c) or exempt from taxation under section 501(a).

(4) *Effective/applicability date.* This paragraph (c) and paragraph (d) *Example 7* and *Example 8* of this section apply to sales and other dispositions of interests in tax-exempt trusts occurring on or after January 16, 2014, except for sales or dispositions occurring pursuant to a binding commitment entered into before January 16, 2014.

(d) * * *

Example 7. (a) Grantor creates a charitable remainder unitrust (CRUT) on Date 1 in which Grantor retains a unitrust interest and irrevocably transfers the remainder interest to Charity. Grantor is an individual taxpayer subject to income tax. CRUT meets the requirements of section 664 and is exempt from income tax.

(b) Grantor’s basis in the shares of X stock used to fund CRUT is \$100x. On Date 2, CRUT sells the X stock for \$100x. The \$90x of gain is exempt from income tax under section 664(c)(1). On Date 3, CRUT uses the \$100x proceeds from its sale of the X stock to purchase Y stock. On Date 4, CRUT sells the Y stock for \$110x. The \$10x of gain on the sale of the Y stock is exempt from income tax under section 664(c)(1). On Date 5, CRUT uses the \$110x proceeds from its sale of Y stock to buy Z stock. On Date 5, CRUT’s basis in its assets is \$110x and CRUT’s total undistributed net capital gains are \$100x.

(c) Later, when the fair market value of CRUT’s assets is \$150x and CRUT has no undistributed net ordinary income, Grantor and Charity sell all of their interests in CRUT to a third person. Grantor receives \$100x for the retained unitrust interest, and Charity receives \$50x for its interest. Because the entire interest in CRUT is transferred to the third person, section 1001(e)(3) prevents section 1001(e)(1) from applying to the transaction. Therefore, Grantor’s gain on the sale of the retained unitrust interest in CRUT is determined under section 1001(a), which

provides that Grantor's gain on the sale of that interest is the excess of the amount realized, \$100x, over Grantor's adjusted basis in the interest.

(d) Grantor's adjusted basis in the unitrust interest in CRUT is that portion of CRUT's adjusted uniform basis that is assignable to Grantor's interest under § 1.1014-5, which is Grantor's actuarial share of the adjusted uniform basis. In this case, CRUT's adjusted uniform basis in its sole asset, the Z stock, is \$110x. However, paragraph (c) of this section applies to the transaction. Therefore, Grantor's actuarial share of CRUT's adjusted uniform basis (determined by applying the factors set forth in the tables contained in § 20.2031-7 of this chapter) is reduced by an amount determined by applying the same factors to the sum of CRUT's \$0 of undistributed net ordinary income and its \$100x of undistributed net capital gains.

(e) In determining Charity's share of the adjusted uniform basis, Charity applies the factors set forth in the tables contained in § 20.2031-7 of this chapter to the full \$110x of basis.

Example 8. (a) Grantor creates a charitable remainder annuity trust (CRAT) on Date 1 in which Grantor retains an annuity interest and irrevocably transfers the remainder interest to Charity. Grantor is an individual taxpayer subject to income tax. CRAT meets the requirements of section 664 and is exempt from income tax.

(b) Grantor funds CRAT with shares of X stock having a basis of \$50x. On Date 2, CRAT sells the X stock for \$150x. The \$100x of gain is exempt from income tax under section 664(c)(1). On Date 3, CRAT distributes \$10x to Grantor, and uses the remaining \$140x of net proceeds from its sale of the X stock to purchase Y stock. Grantor treats the \$10x distribution as capital gain, so that CRAT's remaining undistributed net capital gains amount described in section 664(b)(2) and § 1.664-1(d) is \$90x.

(c) On Date 4, when the fair market value of CRAT's assets, which consist entirely of the Y stock, is still \$140x, Grantor and Charity sell all of their interests in CRAT to a third person. Grantor receives \$126x for the retained annuity interest, and Charity receives \$14x for its remainder interest. Because the entire interest in CRAT is transferred to the third person, section 1001(e)(3) prevents section 1001(e)(1) from applying to the transaction. Therefore, Grantor's gain on the sale of the retained annuity interest in CRAT is determined under section 1001(a), which provides that Grantor's gain on the sale of that interest is the excess of the amount realized, \$126x, over Grantor's adjusted basis in that interest.

(d) Grantor's adjusted basis in the annuity interest in CRAT is that portion of CRAT's adjusted uniform basis that is assignable to Grantor's interest under § 1.1014-5, which is Grantor's actuarial share of the adjusted uniform basis. In this case, CRAT's adjusted uniform basis in its sole asset, the Y stock, is \$140x. However, paragraph (c) of this section applies to the transaction. Therefore, Grantor's actuarial share of CRAT's adjusted uniform basis (determined by applying the factors set forth in the tables contained in § 20.2031-7 of this chapter) is reduced by an

amount determined by applying the same factors to the sum of CRAT's \$0 of undistributed net ordinary income and its \$90x of undistributed net capital gains.

(e) In determining Charity's share of the adjusted uniform basis, Charity applies the factors set forth in the tables contained in § 20.2031-7 of this chapter to determine its actuarial share of the full \$140x of basis.

John Dalrymple,

Deputy Commissioner for Services and Enforcement.

Approved: July 13, 2015.

Mark J. Mazur,

Assistant Secretary of the Treasury (Tax Policy).

BILLING CODE 4830-01-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2015-0740]

Drawbridge Operation Regulation; Trent River, New Bern, NC

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the US 70/Alfred C. Cunningham Bridge across the Trent River, mile 0.0, at New Bern, NC. The deviation is necessary to allow the participants of the annual Neuse River Historic New Bern Bike Ride (a two day event) to safely complete their ride without interruptions from bridge openings. This deviation allows the bridge draw span to remain in the closed-to-navigation position for one and a half hours each day to accommodate the race.

DATES: This deviation is effective from 8 a.m. September 12, 2015 to 9:30 a.m. on September 13, 2015.

ADDRESSES: The docket for this deviation, [USCG-2015-0740] is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Mr. Jim Rousseau, Coast Guard; telephone (757) 398-6557, email james.l.rousseau2@uscg.mil. If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION: The event coordinator for the annual Neuse River Historic New Bern Bike Ride, with approval from the North Carolina Department of Transportation, owner of the drawbridge, has requested a temporary deviation from the operating schedule to accommodate the Neuse River Bridge Historic New Bern Bike Ride.

The US 70/Alfred C. Cunningham Bridge operating regulations are set out in 33 CFR 117.843(a). The US 70/Alfred C. Cunningham Bridge across the Trent River, mile 0.0, a double bascule lift Bridge, in New Bern, NC, has a vertical clearance in the closed position of 14 feet above mean high water.

Under this temporary deviation, the drawbridge will be allowed to remain in the closed-to-navigation position from 8 a.m. to 9:30 a.m. each day on Saturday and Sunday, September 12 and 13, 2015 while cyclists are participating in the annual Neuse River Bridge Historic New Bern Bike Ride.

Under the regular operating schedule the bridge opens on signal several times a day for recreational vessels transiting to and from the local marinas upstream. During the timeframe for the race the morning hours have shown the fewest recorded vessel transits.

Vessels able to pass through the bridge in the closed position may do so at any time and are advised to proceed with caution. The bridge will be able to open for emergencies and there is no alternate route for vessels to pass. The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessels can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: August 6, 2015.

Hal R. Pitts,

Bridge Program Manager, Fifth Coast Guard District.
