SUPPLEMENTARY INFORMATION: The National Childhood Vaccine Injury Act of 1986 (Pub. L. 99-660), as amended by section 708 of Public Law 103-183, added section 2126 to the Public Health Service Act. Section 2126, codified at 42 U.S.C. 300aa-26, requires the Secretary of Health and Human Services to develop and disseminate vaccine information materials for distribution by all health care providers in the United States to any patient (or to the parent or legal representative in the case of a child) receiving vaccines covered under the National Vaccine Injury Compensation Program (VICP).

Development and revision of the vaccine information materials, also known as Vaccine Information Statements (VIS), have been delegated by the Secretary to the Centers for Disease Control and Prevention (CDC). Section 2126 requires that the materials be developed, or revised, after notice to the public, with a 60-day comment period, and in consultation with the Advisory Commission on Childhood Vaccines, appropriate health care provider and parent organizations, and the Food and Drug Administration. The law also requires that the information contained in the materials be based on available data and information, be presented in understandable terms, and include:

- (1) A concise description of the benefits of the vaccine,
- (2) A concise description of the risks associated with the vaccine,
- (3) A statement of the availability of the National Vaccine Injury Compensation Program, and
- (4) Such other relevant information as may be determined by the Secretary.

The vaccines initially covered under the National Vaccine Injury Compensation Program were diphtheria, tetanus, pertussis, measles, mumps, rubella and poliomyelitis vaccines. Since April 15, 1992, any health care provider in the United States who intends to administer one of these covered vaccines is required to provide copies of the relevant vaccine information materials prior to administration of any of these vaccines. Since then, the following vaccines have been added to the National Vaccine Injury Compensation Program, requiring use of vaccine information materials for them as well: Hepatitis B, *Haemophilus influenzae* type b (Hib), varicella (chickenpox), pneumococcal conjugate, rotavirus, hepatitis A, meningococcal, human papillomavirus (HPV), and seasonal influenza vaccines. Instructions for use of the vaccine information materials are found on the CDC Web site at: <http://www.cdc.gov/vaccines/hcp/vis/index.html>.

HHS/CDC is proposing to finalize the HPV (Human Papillomavirus) Gardasil®-9 vaccine information statement.

The vaccine information materials referenced in this notice are being developed in consultation with the Advisory Commission on Childhood Vaccines, the Food and Drug Administration, and parent and health care provider groups.

We invite written comment on the proposed vaccine information materials entitled "Proposed Vaccine Information Materials for HPV (Human Papillomavirus) Gardasil®-9 Vaccine." Copies of the proposed vaccine information materials are available at <http://www.regulations.gov> (see Docket Number CDC-2015-0089). Comments submitted will be considered in finalizing these materials. When the final materials are published in the Federal Register, the notice will include an effective date for their mandatory use.

Dated: October 19, 2015.

Title: Federal Tax Refund Offset, Administrative Offset, and Passport Denial.

OMB No.: 0970-0161.

Description: The Federal Offset programs (Federal Tax Refund Offset and Administrative Offset) collect past-due child and spousal support by intercepting certain Federal payments, including Federal tax refunds, of parents who have been ordered to pay support and are delinquent. The Federal Offset programs consist of a cooperative effort among the Department of the Treasury's Bureau of the Fiscal Service, the Federal Office of Child Support Enforcement (OCSE), and State child support agencies.

The Passport Denial program reports noncustodial parents who owe child and spousal support above a threshold to the Department of State, which will then deny passports.

On an ongoing basis, State child support agencies submit names, Social Security numbers, and the amount(s) of past-due child and spousal support of noncustodial parents who are delinquent in making payments to OCSE.

Federal laws authorize information collection activities pertaining to the Federal Offset and Passport Denial programs and require State child support agencies to submit information pertaining to past-due support that meets specific criteria and to comply with Annual Certification Letter requirements:

(1) 42 U.S.C. 652(b), 42 U.S.C. 664, and 26 U.S.C. 6402(c), for the offset of the Federal tax refund of the noncustodial parent;

(2) 31 U.S.C. 3701 *et seq.* and 31 U.S.C. 3716(h), for the offset of the Federal payments other than Federal tax refunds of the noncustodial parent; and

(3) 42 U.S.C. 654(31) and 42 U.S.C. 652(k), to Department of State for the denial, revocation, restriction, or limitation of the passport of the noncustodial parent.

Respondents: State Child Support Agencies.
