

Automated Standard Application for Payments (ASAP) system for drawing funds on approved grants. For planning grants, States must submit to NPS a progress report and request for reimbursement before they may request payments. Acquisition and development projects do not require prior approval, but upon completion of an electronic payment on a given date the State must concurrently (within 24 hours) submit a completed "LWCF Record of Electronic Payment" to the program offices in Washington, DC and their applicable NPS Region.

The information collection requirements associated with the LWCF State Assistance Program are discussed in detail in the Land and Water Conservation Fund State Assistance Program Federal Financial Assistance Manual, available online at <http://www.nps.gov/nrcr/programs/lwcf/manual/lwcf.pdf>.
