YAVAPAI-APACHE NATION LIQUOR CODE

SECTION 101: TITLE

This Liquor Code is adopted by the Yavapai-Apache Nation (“YAN” or “Nation”) and shall be known as the Yavapai-Apache Nation Liquor Code (referred to herein as “Liquor Code” or “Code”).

SECTION 102: FINDINGS

The Tribal Council finds as follows:
 A. The introduction, possession, and sale of liquor in Indian Country is a matter of particular concern to Indian tribes and the United States. B. Federal law prohibits the introduction of liquor into Indian Country (18 U.S.C. § 1154), and authorizes tribal governments to decide when and to what extent liquor possession, sales, and service shall be permitted within their reservations (18 U.S.C. § 1161) in a manner deemed consistent with state liquor laws.

C. The Tribal Council, as the governing body of the Nation under Article IV, Section 1 of the Constitution of the Yavapai-Apache Nation (hereinafter “Tribal Council”), has approved the issuance of liquor licenses in accordance with the liquor control laws of the state of Arizona. The limitation and regulation of liquor sales as provided in this Code will increase the Nation’s ability to control possession and distribution of liquor within the Nation’s Reservation.

1. YAN Constitution, Article V(a), “To represent the Tribe and act in all matters that concern the health and welfare of the Tribe, and to make decisions not inconsistent with or contrary to this constitution.”

2. YAN Constitution, Article V (o), to enact codes and ordinances governing law enforcement on lands within the jurisdiction of the Tribe.”

3. YAN Constitution, Article V (u), “To exercise civil jurisdiction over all tribal members and any non-member of the Tribe to the extent permitted by federal law.”

4. YAN Constitution, Article V (v), “To enact laws, ordinances and resolutions necessary or incidental to the exercise of its legislative powers.”

SUPPLEMENTARY INFORMATION:

I. Background

The Department of the Interior (DOI) Office of Natural Resources Revenue

(ONRR), within the Office of the Secretary, is responsible for the management of revenue associated with both Federal offshore and onshore mineral leases, and revenue management services for mineral leases on Indian lands in partnership with the Bureau of Indian Affairs. ONRR maintains the "Mineral Lease and Royalty Accounting Files—Interior, MMS-1," system of records to manage these responsibilities in support of ONRR's mission to collect, disburse, and verify Federal and Indian energy and other natural resource revenues on behalf of Americans. Due to the restructuring of the Minerals Management Service and ONRR within the Office of the Secretary, DOI is proposing to revise the system name to "Minerals Revenue Management Support System (MRMSS), OS-30" to reflect the new organizational management. Other proposed amendments to the system include updating the system location, categories of individuals covered by the system, categories of records in the system, authority for maintenance of the system, routine uses, storage, safeguards, retention and disposal, system manager and address, notification procedures, record access and contesting record procedures, and records source categories. The Mineral Lease and Royalty Accounting Files—Interior, MMS-1 system notice was last published in the **Federal Register** on March 17, 1986 (51 FR 9121).

The MRMSS system facilitates mineral lease revenue management including billing, accounts receivable, rents, royalty payments, general ledger activity, compliance management, reporting, and the collection of revenues. The system also supports ONRR Outreach program activities for Indian mineral owners, to foster communication and enhance ONRR's trust responsibilities, and resolve royalty-related problems in partnership with the Bureau of Indian Affairs, Bureau of Land Management, and Office of the Special Trustee for American Indians. The MRMSS system helps ONRR meet its fiduciary responsibilities to manage revenues from energy and mineral leases for the use of public natural resources. The records in the MRMSS are related to both business entities and individuals, though records concerning corporations and other business entities are not subject to the Privacy Act.

The amendments to the system notice will be effective as proposed at the end of the comment period (the comment period will end 30 days after the publication of this notice in the **Federal**
