§ 550.50 Purpose and scope.

The purpose of this subpart is to describe the Bureau’s drug abuse treatment programs for the inmate population, to include drug abuse education, non-residential drug abuse treatment services, and residential drug abuse treatment programs (RDAP). These services are provided by Psychology Services department.

3. Amend § 550.53 by revising paragraphs (a)(1), (a)(3), and (f), and redesignating paragraph (g)(4) as new paragraph (g)(3) to read as follows:

§ 550.53 Residential Drug Abuse Treatment Program (RDAP).

(a) * * * (1) Unit-based component. Inmates must complete a course of activities provided by the Psychology Services Department in a treatment unit set apart from the general prison population. This component must last at least six months.

(3) Community Treatment Services (CTS). Inmates who have completed the unit-based program and (when appropriate) the follow-up treatment and transferred to a community-based program must complete CTS to have successfully completed RDAP and

(6) Inmates who have been convicted of an attempt, conspiracy, or solicitation to commit an underlying offense listed in paragraph (b)(4) and/or (b)(5) of this section; or

5. Revise § 550.56 to read as follows:

§ 550.56 Community Treatment Services (CTS).

(a) For inmates to successfully complete all components of RDAP, they must participate in CTS. If inmates refuse or fail to complete CTS, they fail RDAP and are disqualified for any additional incentives.

(b) Inmates with a documented drug use problem who did not choose to participate in RDAP may be required to participate in CTS as a condition of participation in a community-based program, with the approval of the Supervisory Community Treatment Services Coordinator.
