

determined to review-in-part the subject ID and, on review, to affirm the ID with certain modifications to the ALJ's findings regarding the importation requirement. Notice of Commission Determination To Review an ID in Part and, on Review, to Affirm a Finding of a Violation of Section 337 dated December 14, 2015 ("Commission Notice") at 2. See 80 Fed. Reg. 79097-99 (Dec. 18, 2015). The Commission's determination resulted in a finding of a violation of section 337.

The Commission requested written submissions on remedy, public interest, and bonding. *Id.* Complainants and OUII timely filed their submissions pursuant to the Commission Notice. No other parties filed submissions in response to the Commission Notice. No submissions were filed by the public.

Having reviewed the submissions filed in response to the Commission's Notice and the evidentiary record, the Commission has determined that the appropriate form of relief in this investigation is: (a) A GEO prohibiting the unlicensed importation of certain ink cartridges and components thereof covered by one or more of claims 1 and 10 of the '233 patent; claims 9, 14, 18, and 21 of the '116 patent; claims 1, 18, 49, and 60 of the '749 patent; claims 1 and 6 of the '163 patent; and claims 14, 15, and 19 of the '513 patent; and (b) CDOs directed against respondents Zinyaw and InkPro2day.

The Commission has further determined that the public interest factors enumerated in subsections (d)(1) and (f)(1) (19 U.S.C. 1337(d)(1), (f)(1)) do not preclude issuance of the above-referenced remedial orders. Additionally, the Commission has determined that a bond in the amount of one hundred (100) percent of the entered value is required to permit temporary importation of the articles in question during the period of Presidential review (19 U.S.C. 1337(j)). The Commission has also issued an opinion explaining the basis for the remedy. The investigation is terminated.

The Commission's orders and the record upon which it based its determination were delivered to the President and to the United States Trade Representative on the day of their issuance. The Commission has also notified the Secretary of the Treasury of the orders.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: May 26, 2016.

Secretary to the Commission.
