The Hydrographic Services Review Panel (HSRP) is a Federal Advisory Committee established to advise the Under Secretary of Commerce for Oceans and Atmosphere, the NOAA Administrator, on matters related to the responsibilities and authorities set forth in section 303 of the Hydrographic Services Improvement Act of 1998, as amended, and such other appropriate matters that the Under Secretary refers to the Panel for review and advice. The charter and other information are located online at <http://www.nauticalcharts.noaa.gov/ocs/hsrp/CharterBylawsHSIAStatute.htm>.

**Matters To Be Considered:** The panel is convening to hear federal, state, regional and local partners and stakeholders on issues relevant to NOAA's navigation services, focusing on the Great Lakes area. Navigation services include the data, products, and services provided by the NOAA programs and activities that undertake geodetic observations, gravity modeling, shoreline mapping, bathymetric mapping, hydrographic surveying, nautical charting, tide and water level observations, current observations, and marine modeling. This suite of NOAA products and services support safe and efficient navigation, resilient coasts and communities, and the nationwide positioning information infrastructure to support America's commerce. The Panel will hear from federal agencies and non-federal organizations about their missions and their use of NOAA's navigation services; what value these services bring; and what improvements could be made. Other administrative

matters may be considered. This agenda is subject to change.

**Special Accommodations:** This meeting is physically accessible to people with disabilities. Please direct requests for sign language interpretation or other auxiliary aids to [Lynne.Mersfelder@noaa.gov](mailto:Lynne.Mersfelder@noaa.gov) by August 8, 2016.

[Docket No.: PTO-P-2016-0015]

**Cancer Immunotherapy Pilot Program**

**AGENCY:** United States Patent and Trademark Office, Commerce.

**ACTION:** Notice.

**SUMMARY:** The United States Patent and Trademark Office (USPTO or Office) is implementing a pilot program to provide for earlier review of patent applications pertaining to cancer immunotherapy ("Cancer Immunotherapy Pilot Program" or "Pilot Program") in support of the White House national \$1 billion initiative to achieve ten years' worth of cancer research in the next five years ("National Cancer Moonshot"). The USPTO will advance applications containing a claim(s) to a method of treating a cancer using immunotherapy out of turn for examination if the applicant files a grantable petition to make special under the Pilot Program. The objective of the Pilot Program is to complete the examination of the application within twelve months of special status being granted. Under the Cancer Immunotherapy Pilot Program, an application will be advanced out of turn for examination without meeting all of the current requirements of the accelerated examination program (e.g., the requirement for an examination support document) or the Prioritized Examination (Track I) program. This notice outlines the conditions, eligibility requirements, and guidelines of the Pilot Program.

**DATES:** *Effective Date:* June 29, 2016.

*Duration:* The Cancer Immunotherapy Pilot Program will run for twelve months from its effective date. Therefore, petitions to make special under the Cancer Immunotherapy Pilot
