Notice Pursuant to the National Cooperative Research and Production Act of 1993—Cooperative Research Group on Advanced Engine Fluids

Notice is hereby given that, on October 21, 2016, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Southwest Research Institute—Cooperative Research Group on Advanced Engine Fluids (“AEF”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Afton Chemical Corporation, Richmond, VA, has withdrawn as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and AEF intends to file additional written notifications disclosing all changes in membership.

On March 20, 2015, AEF filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on April 22, 2015 (80 FR 22551).

The last notification was filed with the Department on October 26, 2015. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on December 2, 2015 (80 FR 75469).

## DEPARTMENT OF JUSTICE

#### Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On December 6, 2016, the Department of Justice lodged a proposed consent decree with the United States District Court for the District of New Jersey in the lawsuit entitled *United States v. International Paper Company, et al.*, Civil Action No. 3:16-cv-09045-BRM-DEA.

On that same date, the United States filed its lawsuit under Sections 106(a) and 107(a) of the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”), 42 U.S.C. 9606(a), 9607(a). The United States’ complaint seeks recovery of costs incurred, and performance of remedial action, in connection with the Curtis Specialty Papers Superfund Site, located in the Borough of Milford and the Township of Alexandria, Hunterdon County, New Jersey.

The Consent Decree requires that the defendants shall be responsible, jointly and severally, for paying \$1,085,391 in reimbursement of the United States’ past response costs, plus interest, payment of interim and future response costs related to the Site, and performance of a remedial action at the Site estimated to cost approximately \$1,239,000.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. International Paper Company, et al.*, D.J. Ref. No. 90-11-3-09445/6. All comments must be
