

Eligibility

In order to be considered for supplemental funding, grantees must demonstrate that they have significantly depleted funds (both EPA grant funding and any available pre- or post-closeout program income) and that they have a clear plan for quickly utilizing requested additional funds. Grantees must demonstrate that they have made at least one loan or subgrant prior to applying for this supplemental funding and have significantly depleted existing available funds. For FY2017, EPA defines “significantly depleted funds” as \$400,000 or less remaining unliquidated obligations from all of the EPA RLF grant funding and available pre- or post-closeout program income from all the open or closed EPA RLF grants. Additionally, the RLF recipient must have demonstrated a need for supplemental funding based on, among other factors, the number of sites that will be addressed; demonstrated the

ability to make loans and subgrants for cleanups that can be started and completed expeditiously (*i.e.*, “shovel-ready” projects) and will lead to redevelopment; demonstrated the existence of additional leveraged funds to complete the project in a timely manner and move quickly from cleanup to redevelopment, including the use of tax incentives such as new market tax credits, direct funding or other resources to advance the project to completion; demonstrated the ability to administer and revolve the capitalization funding in the RLF grant; demonstrated an ability to use the RLF grant to address funding gaps for cleanup; and demonstrated that they have provided a community benefit from past and potential loan(s) and/or subgrant(s). Special consideration may be given to those communities affected by plant closures or other economic disruptions; can demonstrate projects that have a clear prospect of aiding the

in-sourcing of manufacturing capacity and keeping and/or adding jobs, or otherwise creating jobs, in the affected area; or will benefit a community that has been identified as part of EPA’s Cross Agency Strategy on Working to Make a Visible Difference in Communities. EPA encourages innovative approaches to maximizing revolving and leveraging with other funds, including use of grants funds as a loan loss guarantee, combining with other government or private sector lending resources. Applicants for supplemental funding must contact the appropriate Regional Brownfields Coordinator below to obtain information on the format for supplemental funding applications for their region. When requesting supplemental funding, applicants must specify whether they are seeking funding for sites contaminated by hazardous substances or petroleum. Applicants may request both types of funding.

Acumen Communications

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: This document commences a hearing to determine whether Acumen

Communications (Acumen) is qualified to be and to remain a Federal Communications Commission (Commission) licensee, and as a consequence thereof, whether any or all of its licenses should be revoked, and whether any or all of the applications to which Acumen is a party should be denied. As discussed more fully below, based on the totality of the evidence, there are substantial and material questions of fact as to whether Acumen

repeatedly made misrepresentations to and lacked candor with the Commission in its submission of fifty applications in connection with various Wireless Radio Service authorizations.

DATES: Each party to the proceeding (except for the Chief, Enforcement Bureau), in person or by counsel, shall file with the Commission, by January 30, 2017, a written appearance stating that the party will appear on the date fixed for hearing and present evidence on the issues specified herein.

ADDRESSES: Federal Communications Commission, 445 12th Street SW., Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: Pamela Kane, Special Counsel, Enforcement Bureau, (202) 418-2393.

Synopsis

1. In this Order, the Commission commences a hearing proceeding before a Commission Administrative Law Judge to determine whether the pending applications of Acumen Communications should be granted, and whether Acumen's licenses should be revoked. Acumen represented to the Commission in fifty (50) license applications that no party directly or indirectly controlling Acumen has ever been convicted of a felony by any state or federal court. The information before us indicates that Hector Manuel Mosquera, a party directly or indirectly controlling Acumen, was convicted of a felony by a state court in California. The evidence further indicates that Mr. Mosquera signed Acumen's applications in which Acumen answered "N" to the felony question.

2. Accordingly, *it is ordered*, pursuant to sections 309(e), 312(a)(1), 312(a)(2), 312(a)(4), and 312(c) of the Act, 47 U.S.C. 309(e), 312(a)(1), 312(a)(2), 312(a)(4), and 312(c), that Acumen Communications shall show cause why

the authorizations for which it is the licensee set forth in Attachment A should not be revoked, and that the above-captioned applications filed by Acumen Communications are designated for hearing in a consolidated proceeding before an FCC Administrative Law Judge, at a time and place to be specified in a subsequent Order, upon the following issues:

(a) To determine whether Hector Manuel Mosquera directly or indirectly controls Acumen.

(b) To determine whether Acumen engaged in misrepresentation and/or lack of candor in its applications with the Commission.

(c) To determine whether Acumen failed to amend its pending applications, in willful and/or repeated violation of section 1.65 of the Commission's rules.

(d) To determine, in light of the evidence adduced pursuant to the foregoing issues, whether Acumen is qualified to be and remain a Commission licensee.

(e) To determine, in light of the foregoing issues, whether the authorizations for which Acumen is the licensee should be revoked.

(f) To determine, in light of the foregoing issues, whether the captioned applications filed by or on behalf of Acumen should be granted.

3. *It is further ordered that*, in addition to the resolution of the foregoing issues, it shall be determined, pursuant to section 503(b)(1) of the Act, 47 U.S.C. 503(b)(1), whether an *order of forfeiture* should be issued against Acumen in an amount not to exceed the statutory limit for the willful and/or repeated violation of each rule section above for which the statute of limitations in section 503(b)(6) of the Act, 47 U.S.C. 503(b)(6), has not lapsed.

4. *It is further ordered that*, pursuant to section 312(c) of the Act and sections 1.91(c) and 1.221 of the rules, 47 U.S.C. 312(c) and 47 CFR 1.91(c) and 1.221, to avail itself of the opportunity to be heard and to present evidence at a hearing in this proceeding, Acumen, in person or by an attorney, *shall file* with the Commission, within 20 calendar days of the release of this Order, a written appearance stating that it will appear at the hearing and present evidence on the issues specified above.

5. *It is further ordered that*, pursuant to section 1.91 of the rules, 47 CFR 1.91, if Acumen fails to file a timely appearance, its right to a hearing shall be deemed to be waived. In the event the right to a hearing is waived, the Chief Administrative Law Judge (or presiding officer if one has been designated) shall, at the earliest

practicable date, issue an order reciting the events or circumstances constituting a waiver of hearing, terminating the hearing proceeding, and certifying the case to the Commission. In addition, pursuant to section 1.221 of the Commission's rules, 47 CFR 1.221, if any applicant to any of the captioned applications fails to file a timely written appearance, the captioned application shall be dismissed with prejudice for failure to prosecute.

6. *It is further ordered* that the Chief, Enforcement Bureau, shall be made a party to this proceeding without the need to file a written appearance.

7. *It is further ordered* that pursuant to section 312(d) of the Act, 47 U.S.C. 312(d), and section 1.91(d) of the Commission's rules, 47 CFR 1.91(d), the burden of proceeding with the introduction of evidence and the burden of proof shall be upon the Enforcement Bureau as to the issues at 15(a)-(e), above, and that, pursuant to section 309(e) of the Act, 47 U.S.C. 309(e), and section 1.254 of the Commission's rules, 47 CFR 1.254, the burden of proceeding with the introduction of evidence and the burden of proof shall be upon Acumen as to the issue at 15(f), above.

8. *It is further ordered* that Mobile Relay Associates shall be made a party to this hearing in its capacity as a petitioner to one or more of the captioned applications.

9. *It is further ordered* that a copy of this document, or a summary thereof, shall be published in the **Federal Register**.
