

entirety, in accordance with 19 CFR 351.213(d)(1).

Assessment

The Department intends to instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of seamless refined copper pipe and tube from Mexico during the POR at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 41 days after the publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We intend to issue and publish this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: March 20, 2017.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, and for the reasons explained in the Issues and Decision Memorandum, we have not changed the margins assigned in the *Preliminary Results*.

Final Determination of No Shipments

In the *Preliminary Results*, the Department preliminarily determined that Ben Tre Aquaproduct Import and Export Joint Stock Company, CADOVIMEX II Seafood Import Export and Processing Joint Stock Company, and Hoang Long Seafood Processing Company Limited (collectively, the No Shipment Companies) had no reviewable transactions during the POR. Consistent with the Department’s refinement to its assessment practice in non-market economy (NME) cases, we completed the review with respect to the above-named companies.⁴ Based on the certifications submitted by these companies, we continue to find that they did not have any reviewable transactions during the POR. As noted in the “Assessment Rates” section below, the Department intends to issue appropriate instructions to CBP for the above-named companies based on the final results of the review.

Vietnam-Wide Entity

We noted in the *Preliminary Results* that a review was requested, but not rescinded, for Golden Quality Seafood Corporation (Golden Quality), Thuan An Production and Trading and Services Co., Ltd. (Tafishco), Viet Phu Foods and Fish Co., Ltd. (Viet Phu).

⁴ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65694–95 (October 24, 2011).

Additionally, consistent with the Department’s practice to assign the Vietnam-wide rate to companies that do not submit separate rate certifications or applications and, thus, are not eligible for separate rate status, we are assigning the Vietnam-wide entity status to Anvfish Joint Stock Company (Anvfish) and Basa Joint Stock Company (Basaco).

Partial Rescission of Administrative Review

In accordance with 19 CFR 351.213(d)(3) and 19 CFR 351.401(f), and in accordance with our decision in Comment 4 of the Issues and Decision Memorandum, the Department is rescinding this review with respect to QVD Food Company Ltd., QVD Dong Thap Food Co., Ltd. (also known as Dong Thap), and Thuan Hung Co., Ltd. (also known as THUFICO), collectively (QVD). In accordance with Comment 5 of the Issues and Decision Memorandum, as of the *Preliminary Results*, we rescinded this review with respect to Bien Dong Seafood Co., Ltd., Hai Huong Seafood Joint Stock Company, Hung Vuong Seafood Joint Stock Company, Vinh Hoan Corporation, and Vinh Quang Fisheries Corporation.

Final Results of the Review

The weighted-average dumping margins for the final results of this administrative review are as follows:

Exporter	Weighted-average dumping margins (dollars/kilogram) ⁵
Cuu Long Fish Joint Stock Company	0.69
GODACO Seafood Joint Stock Company	0.69
Green Farms Seafood Joint Stock Company	0.69
NTSF Seafoods Joint Stock Company	0.69
Vietnam-Wide Entity ⁶	2.39

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), the Department will determine, and CBP

⁵ In the third administrative review of this order, the Department determined that it would calculate per-unit assessment and cash deposit rates for all future reviews. See *Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Final Results of Antidumping Duty Administrative Review and Partial Rescission*, 73 FR 15479, 15481 (March 24, 2008).

shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

For assessment purposes, we calculated importer (or customer)-specific assessment rates for merchandise subject to this review. We will continue to direct CBP to assess importer-specific assessment rates based on the resulting per-unit (*i.e.*, per kilogram) rates by the weight in kilograms of each entry of the subject merchandise during the POR. Specifically, we calculated importer specific duty assessment rates on a per-unit rate basis by dividing the total dumping margins (calculated as the difference between normal value and export price, or constructed export price) for each importer by the total sales quantity of subject merchandise sold to that importer during the POR. If an importer (or customer)-specific assessment rate is *de minimis* (*i.e.*, less than 0.50 percent), the Department will instruct CBP to assess that importer (or customer’s) entries of subject merchandise without regard to antidumping duties, in accordance with 19 CFR 351.106(c)(2).

The Department determines that the No Shipment Companies did not have any reviewable transactions during the POR. As a result, any suspended entries that entered under these exporters’ case numbers (*i.e.*, at each exporter’s rate) will be liquidated at the Vietnam-wide rate.⁷

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be the rate established in the final results of review (except, if the rate is zero or *de minimis*, *i.e.*, less than 0.5 percent, a zero cash deposit rate will be required for that company); (2) for previously investigated or reviewed Vietnamese and non-Vietnamese exporters not listed above that have separate rates, the cash deposit rate will

⁷ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 24, 2011); see also *Preliminary Decision Memo* at 4–5.

continue to be the exporter-specific rate published for the most recent period; (3) for all Vietnamese exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the Vietnam-wide rate of \$2.39 per kilogram; and (4) for all non-Vietnamese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnamese exporters that supplied that non-Vietnamese exporter. The deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these administrative reviews and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: March 20, 2017.

Gary Taverman,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
